EMERY B. DENNY

EMERY B. DENNY

Emery Byrd Denny was born and reared on a farm in Surry County, North Carolina. He attended the public schools of Surry County, Gilliam Academy and the University of North Carolina. While a student at the University, he volunteered for service in World War I, and served as a Private, Corporal, Sergeant and Master Electrician in the Aviation Section of the Signal Corps at Kelly Field, Texas, and Vancouver Barracks, Washington.

He was admitted to the Bar in 1919, and entered the practice in Gastonia that year as a member of the firm of Denny & Gaston, which firm was dissolved in 1921. He later became a member of the firm of Mangum & Denny, and continued this association until Mr. Mangum's death in 1930. Thereafter he practiced alone until 1942, when he was appointed as an Associate Justice of the Supreme Court of North Carolina by Governor J. M. Broughton and in 1962 appointed Chief Justice by Governor Terry Sanford.

Chief Justice Denny had an extensive law practice at the time he was appointed to the Supreme Court. He served as Attorney for Gaston County from 1927 to 1942; and Mayor of Gastonia from 1929 to 1937. He was Secretary of the Democratic Executive Committee of Gaston County from 1924 to 1926, and Chairman of the Committee from 1926 to 1928. He managed the successful campaign of the late Senator J. Melville Broughton when he ran for the Democratic nomination for Governor in 1940; and was elected Chairman of the State Democratic Executive Committee in 1940 and served in that capacity until he resigned to assume his duties as a member of the Supreme Court.

Chief Justice Denny was a Past Master of Holland Memorial Lodge, No. 68, A.F., and A.M.; Past High Priest Gastonia Chapter, No. 66, Royal Arch Masons and a member of Gastonia Commandery, No. 28, Knights Templar; and of Phi Delta Phi Legal Fraternity, Grand Historian and Grand Steward of the Grand Lodge of A.F., and A.M., of North Carolina, Judge Advocate of the Grand Lodge of Masons in North Carolina.

In December, 1922, Chief Justice Denny married Miss Bessie Brandt Brown, of Salisbury, North Carolina, and they have four children: Emery B. Jr., of Chapel Hill, Betty Brown (now Mrs. L. G. Shook of Tarboro), Sarah Catherine (now Mrs. Bailey P. Williamson of Raleigh) and Jean Stone (now Mrs. Wallace Ashley, Jr., of Smithfield).

While the Chief Justice resided in Gastonia he took an active interest in the civic and religious affairs of the community. He taught the Men's Bible Class of the First Baptist Church for eighteen years; he was a deacon and Chairman of the Board of that church and active in all its endeavors. He was president of the local Chamber of Commerce in 1925; Commander of Gaston Post No. 23 of the American Legion in 1926; Chairman of the Board of Trustees of Gaston County Public Library for many years and Chairman of the Board of Trustees of Garrison Memorial Hospital for about seven years.

Since Chief Justice Denny has been residing in Raleigh, in addition to his duties as a member of the Supreme Court, he continued to be active in his church and to participate in public and local affairs in so far as his duties permitted. He was a trustee, a deacon, and twice Chairman of the Board in the Hayes Barton Baptist Church, Raleigh, and taught a Men's Bible Class in that church. He was serving as a life deacon at the time of his death, which occurred April 24, 1973. He had been elected to membership in the Raleigh Torch Club, the Watauga Club, the Executives Club and the Carolina Country Club.

The University of North Carolina conferred upon him the honorary degree of LL.D in 1946, and Wake Forest College conferred upon him a similar degree in 1947.

In 1950 he was elected by the Southern Baptist Convention as one of the first Trustees for the Southeastern Baptist Theological Seminary and with the exception of one year, served on its Board. For two years he was Chairman of the Board and at the time of his death a member of the Executive Committee and Chairman of the committee on long range planning. The Seminary's Library Building was named for him in appreciation of his long and faithful service. Chief Justice Denny has also served his denomination as a Trustee and member of the Executive Committee of the North Carolina Baptist Hospital.

After his retirement he was appointed by Governor Dan K. Moore a member of the State Constitution Study Commission on March 24, 1968, and at the first meeting of the Commission on April 5, 1968 he was chosen as Chairman. He also authored a history of the Supreme Court of North Carolina for the period of January 1, 1919 until January 1, 1969.

For several years during his distinguished career, he was president of the Trustees of the Baptist State Convention of North Carolina, Inc.

It would be difficult indeed to catalog the items in an inventory of the obligations which the people of this State and the Baptists of North Carolina owe to Chief Justice Denny.

JAMES L. JENKINS

Occasionally the Lord plants a preacher in a soil where He wants him to send his roots deep, grow tall, and bear much fruit. And this was the striking story of the ministry of Dr. J. L. Jenkins at the Boiling Springs Baptist Church. For a quarter of a century, 1926-52, he preached sound Biblical messages from that pulpit to bring men to face their sins, their God, and their responsibilities. There he comforted the troubled, cheered the sick, consoled the bereaved, and challenged the complacent. There he raised prayers of thanksgiving by the cradle of the newborn, nourished them as they grew into young men and women, baptized them into the fellowship of the church, stood with them at the marriage altar, and later completed the cycle as he stood with them at the cradle of their first-born.

For twenty years after his retirement he continued to live in the old parsonage at Boiling Springs on the edge of the Gardner-Webb College campus, and across the road from the public school, surrounded by children and young people he loved, and who loved him. The community was blessed by his love, his prayers, his witness. He visited the shut-ins, assisted in funerals, and encouraged the church and the ministers who succeeded him. At the time of his death in his ninetieth year he was serving as the teacher to the Bible Study Group of the W.M.S.

Pulpit committees sought his sound advice. Many of the preachers he had taught kept in touch and came for his counsel, and for his comfort. He continued to hold revivals and to supply in the surrounding churches.

And Gardner-Webb College felt the influence of his love. Faculty and students felt the impact of his Biblical preaching for twenty-five years. There, while it was still the Boiling Springs Junior College, he taught Bible, and served as her president during the lean season of 1932-35. Always his heart, his help, his homiletics were centered in the preacher boys who turned there in their search for an education. He was one of those persons who made it "the college that refused to die." And Gardner-Webb College loved him in return. The *Shelby Daily Star* carried, on the same day, articles concerning his death and the announcement that Gardner-Webb was to bestow upon him the degree of Doctor of Divinity at commencement.

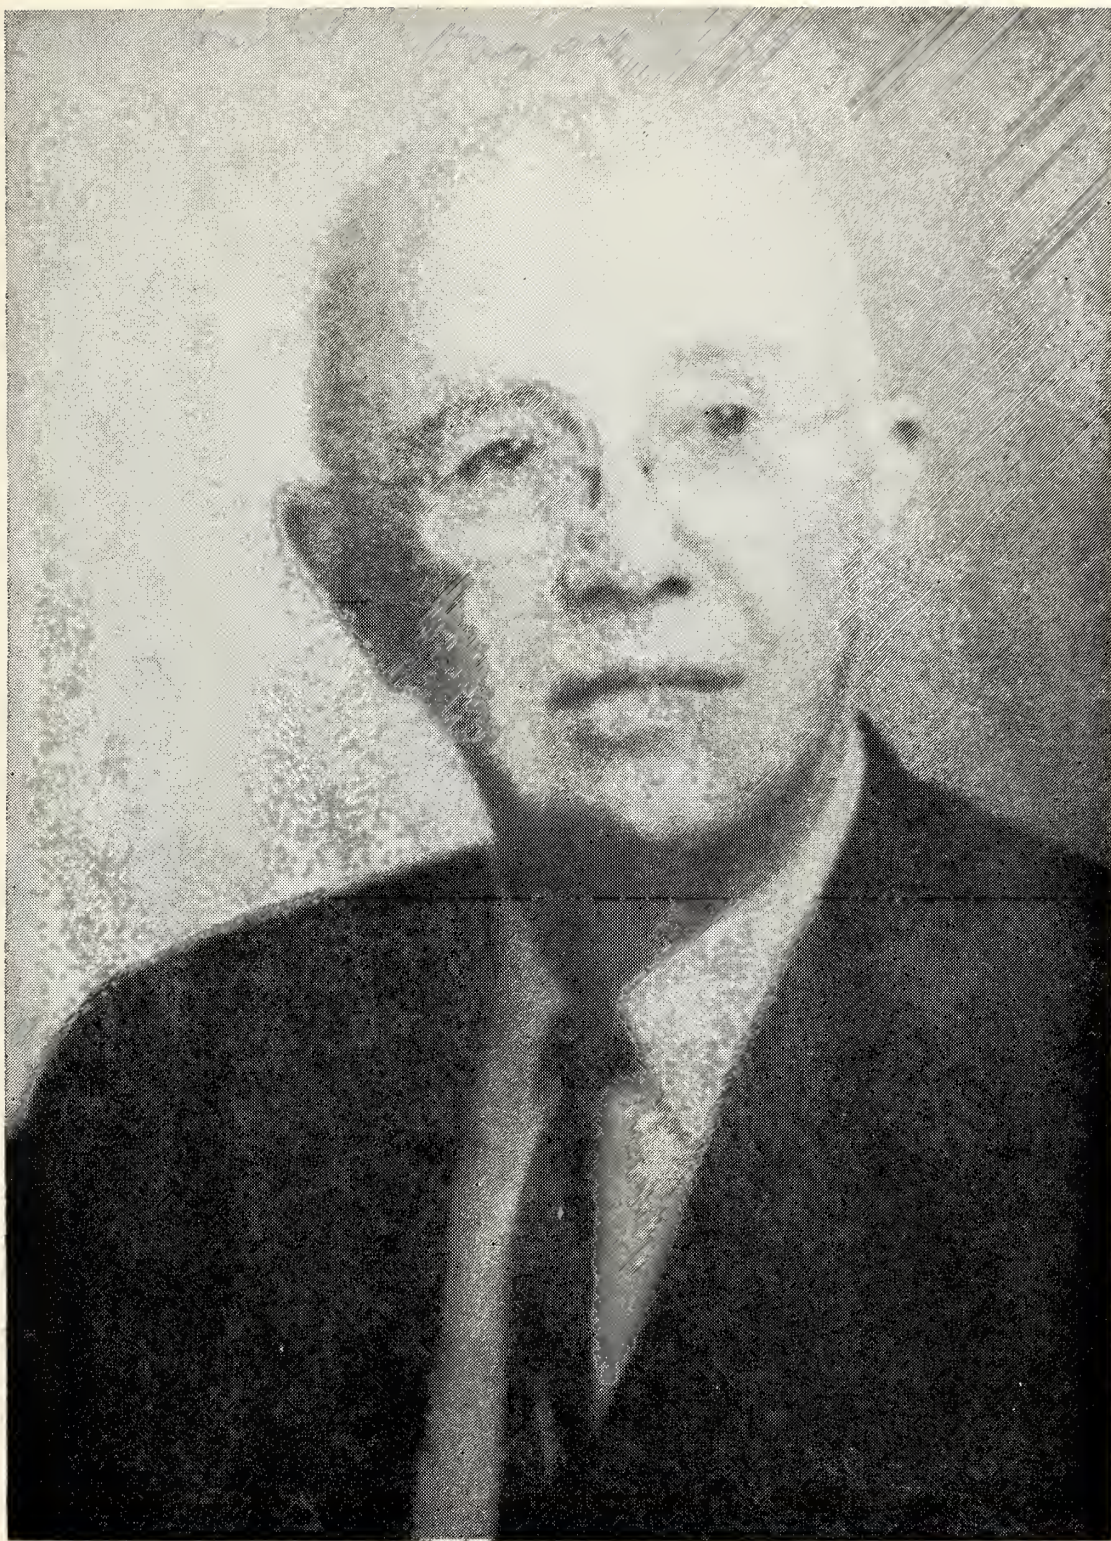

Fruitland Bible Institute always had a special place in the preacher's heart. For almost twenty years he traveled back and forth to the mountains to teach and counsel the ministerial students who had turned to Fruitland for help in preparing for the pastoral ministry many of them were already engaged in at that time. Many were the sound sermon outlines he placed in their hands, and in their hearts. And many are the congregations that have heard those sermons, in churches on the peaks and back in the coves of the mountains of western North Carolina, and in the villages and towns in Piedmont and eastern Carolina as the Fruitland men scattered over the state.

Dr. Jenkins was educated at Wake Forest College and Southern Baptist Theological Seminary. He served the North Carolina Baptist State Convention as an evangelistic worker for two years, and held pastorates at Parkton, North Carolina, and at Umatilla, Florida before coming to Boiling Springs.

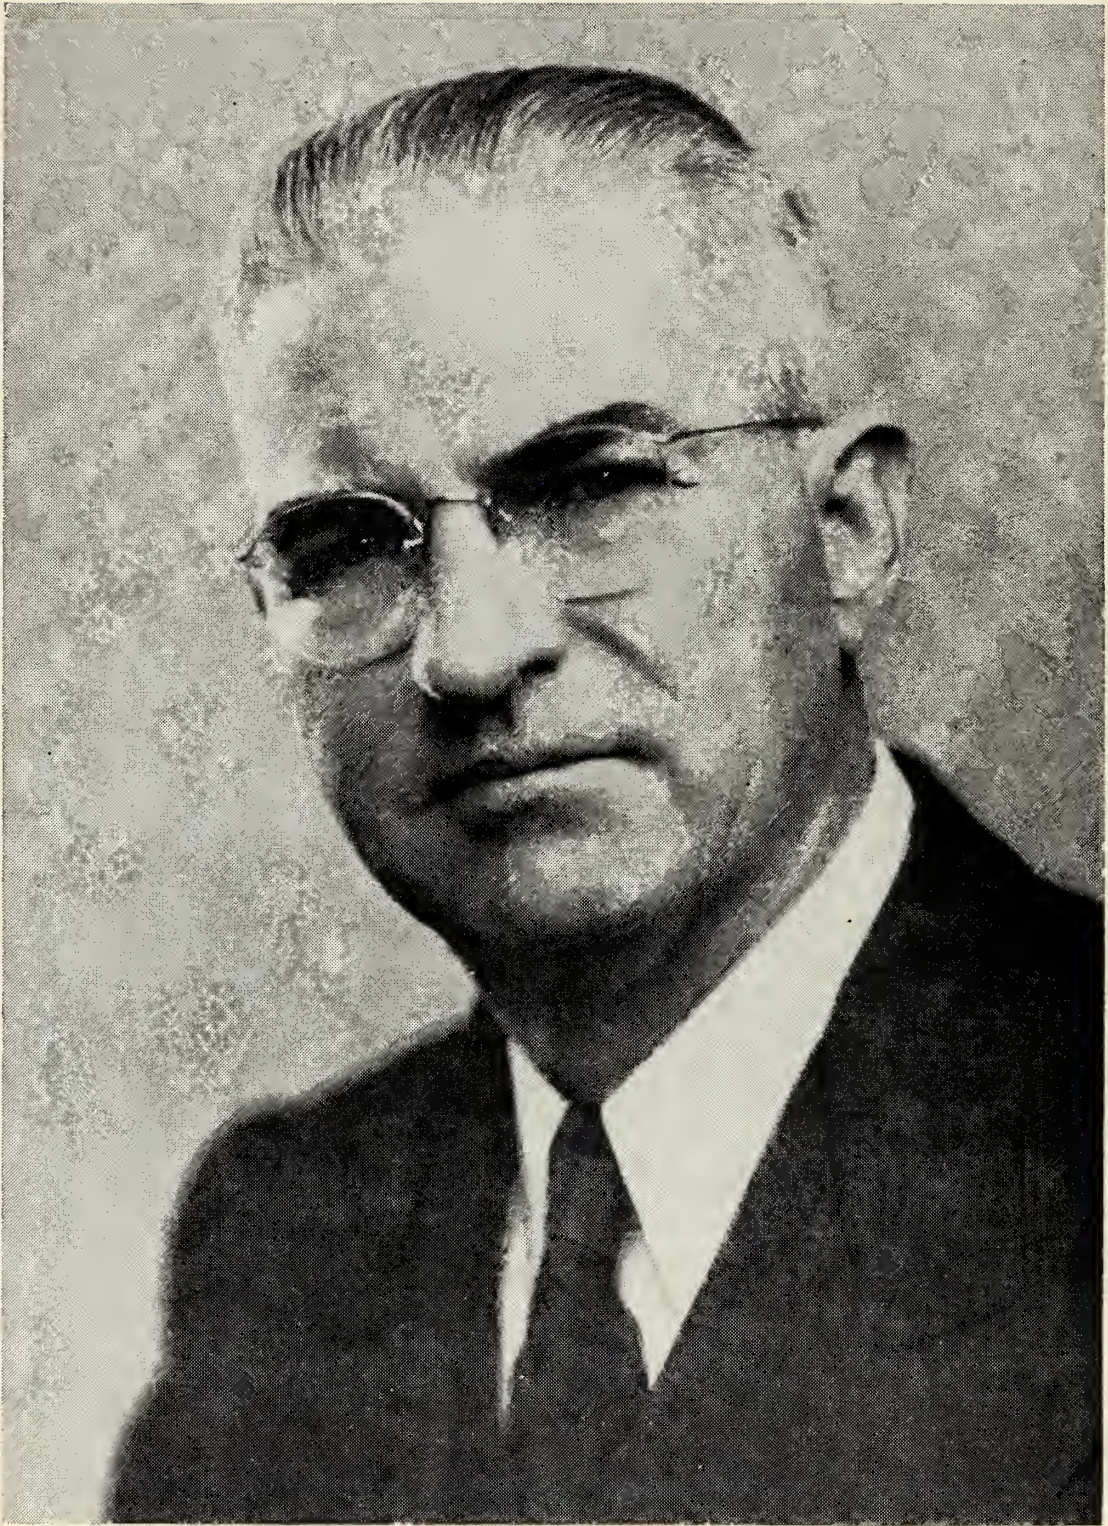

He was married to Kate McArn Watson, and they had four children: Jay, an assistant to the president of the University of North Carolina; Mrs. Betty Washburn, a teacher in Cleveland County; Mrs. Kathy Vosecky, a professor's wife in Cullowhee; and Mrs. Neil Burrus, wife of a dentist in Shelby.

Jim Jenkins will be remembered as a humble, Bible-centered preacher who loved persons deeply; a man with a wholesome sense of humor; a warm, transparent servant of God.

CASPER C. WARREN

CASPER C. WARREN

Dr. Casper C. Warren was born in Sampson County, North Carolina, May 28, 1896, son of Mr. and Mrs. R. M. Warren. He graduated from Wake Forest College, earning a Bachelor of Laws degree in 1917, and a Bachelor of Arts degree in 1920. After service as a Second Lieutenant in World War I, Warren was admitted to the North Carolina Bar and practiced law with Clifford and Townsend, Attorneys, in Dunn.

Warren married first, Mary L. Strickland, mother of his two sons and one daughter, Dr. C. Carl Warren, Physician; A. Eugene Warren, Architect; and Mrs. William Poe, all of Charlotte, and all of whom survive him. He married second, Mrs. Sibyl Townsend, who also survives him.

In 1922, Warren was ordained to the gospel ministry by First Baptist Church, Dunn, after which time he earned the Master of Theology and Doctor of Theology degrees from Southern Baptist Theological Seminary. In later years, Ouachita University and Wake Forest University conferred upon him honorary doctorate degrees.

Dr. Warren's was a long and distinguished record of service, both in pastoral ministry and in service to his denomination. From 1928-1938, he was pastor of Lexington Avenue Baptist Church, Danville, Kentucky; 1938-1943 of Immanuel Baptist Church, Little Rock, Arkansas; 1943-1958 he served as pastor of First Baptist Church, Charlotte, resigning after 14 years to head the "30,000 Movement," an effort he initiated to establish 30,000 new churches and missions between 1958-1964. He served in countless capacities in denominational life: President of North Carolina Baptist State Convention, 1946-47; President of the Southern Baptist Convention, 1956-57; he headed the Baptist State Convention General Board 1950-52. Other positions of service include many boards of trustees of denominational agencies, the Southern Baptist Convention Executive Committee. Dr. Warren also was chairman of the first Board of Trustees of Southeastern Baptist Theological Seminary.

Surely our Master found in Casper Warren a unique combination—the zeal of an evangelist; the wit, intellect, and expertise, of a lawyer; the heart of a pastor; the compassion of a missionary; the tenacity of a Crusader. Perhaps the greatest single tribute to his commitment to his Lord and his dedication to preaching, is the fact that under his leadership of the "30,000 Movement," almost 25,000 new churches and preaching stations were established between 1958-1964. It could be said of Dr. Casper C. Warren as it was of David who, "served his own generation by the will of God." (Acts 13:36)

"Lives of great men all remind us,
We can make our lives sublime;
And departing, leave behind us,
Footprints on the sands of time."
Longfellow

WILLIAM M. YORK

The passing of Judge William M. York on May 20, 1973 at the age of 76 marked the close of a many-faceted life—strong in a Christian faith that brought forth much fruit in the form of practical Christian accomplishment.

A graduate of Carolina University and of Harvard Law School, he joined Mr. Charles T. Boyd in the formation of the firm of York and Boyd, Attorneys at Law at Greensboro, North Carolina in 1924 and since that time he was recognized as an outstanding attorney and businessman. He was the organizer of the Juvenile Court in Greensboro, which he conducted for a number of years. For many years, he was president of Newman Machine Company, an enterprise that he guided to outstanding success.

He was active in many civic enterprises, having been the president of the Greensboro Chamber of Commerce, president of its Community Chest, and a member of the War Memorial Commission, which was responsible for the acquisition of the site occupied by the Greensboro Coliseum, and for its planning and construction. He was also recognized as a dynamic leader in the American Legion.

His life was built on the concept of the total Christian stewardship of time, personality and money, and he was widely known for his philanthropy.

His substantial gifts made possible the construction of a dormitory at the Baptist Children's Home at Thomasville, North Carolina, on whose Board of Trustees he had served for many years.

Likewise, he had served his denomination on the General Board of the North Carolina Baptist Convention.

His relationship to his church was particularly sacred to him, for he devoted himself to it with singleness of purpose. He led the financial campaign that was responsible for the construction of the First Baptist Church building on its present site and he played a crucial role in the initiation of the financial policies that have resulted in the total liquidation of the entire indebtedness on this project.

He taught a men's Bible class for more than 25 years, and served for many years on the Finance Committee and the Board of Deacons of the First Baptist Church, having been chairman of both; in fact, he was Chairman of the Board of Deacons at the time of his death and was also a member of the special committee chosen to select the pastor who would succeed Dr. Bowen upon his retirement.

The limitation of space does not permit a listing of his many other achievements. Sufficient to say, he represented a dedicated stewardship of time, personality and money at its best. He will be greatly missed by his community, and by his fellow-Baptists throughout the Convention.

B. COMMITTEE ON MEMORIALS

The living should not forget the dead, those valiant souls who have outraced us to the other side. Most people wish to be remembered and we who are members of the Family of God should pause from time to time to think of those who are no more with us. It is also fitting that we provide in our crowded sessions some time for a brief service of memory and respect. Provision for such, year after year, is made at our Annual Meeting.

In selecting a few who were entrusted with large places of leadership and influence, we would not forget that larger and equally noble band who were also faithful in their work and who helped to make possible the progress our Convention has enjoyed. How needed are all of Gods servants, and how much each deceased member is missed! They have all been rewarded with greater freedom and with eternal youth. Truly, "Blessed are the dead who die in the Lord henceforth." "Blessed indeed," says the Spirit, "that they may rest from their labors, for their deeds follow them." (Rev. 14:13 RSV).

Your Committee offers two recommendations. First, that we dedicate the 1973 *Annual* to three men who served so uniquely and whole-heartedly in their respective fields: Dr. J. L. Jenkins of Boiling Springs, faithful pastor and teacher of many young ministers; Dr. Casper C. Warren of Charlotte, city pastor and former president of our State and Southern Conventions; and Judge William M. York of Greensboro, outstanding layman, civic leader, and benefactor of our Children's Homes.

We further recommend that the *Annual* carry a list of all the pastors who died during this present year, and the names of laymen and laywomen whose influence went well beyond their local church.

Respectfully submitted,

F. GILBERT BARNHILL

MRS. WOODROW W. LENNON

T. MAX LINNENS, *Vice-Chairman*

CONSTITUTION

PREAMBLE

For the declaration of its fundamental purposes and the permanent guidance and control of its activities, the body does adopt the following as its Constitution, to wit:

ARTICLE I. Name

The name of this body is the Baptist State Convention of North Carolina.

ARTICLE II. Purposes

The object of this Convention shall be to promote missions, evangelism, education, social services, the distribution of the Bible and sound religious literature, and to co-operate with the work of the Southern Baptist Convention.

ARTICLE III. Authority

While independent and sovereign in its own sphere, the Convention does not claim and will never attempt to exercise any authority over any other Baptist body, whether church, auxiliary organization, association, or Convention.

ARTICLE IV. Composition

The Convention shall be composed of

(1) Two messengers from each co-operating church, and one additional messenger from each church for every hundred members or major fraction thereof, beyond the first one hundred members; provided, that no church shall be entitled to more than ten messengers. No one shall be a messenger who is not a member of a church co-operating with the Convention, and messengers must be duly elected by their churches; a co-operating church shall be one that supports any object of the Convention and which is in friendly cooperation with this Convention and sympathetic with its purpose and work; and (2) The officers of the Convention, the members of the General Board, the editor of the *Biblical Recorder*, and the President of the Woman's Missionary Union.

ARTICLE V. Meetings

The Convention shall convene annually on Monday after the second Sunday in November at 7:00 p.m. In case of emergency or unusual circumstances the General Board is empowered to change the time or place of meeting, cancel the sessions of the Convention, or call a special meeting by a vote of two-thirds of the members present when the vote is taken.

ARTICLE VI. Officers

The officers of the Convention shall be a President, a First Vice-President, a Second Vice-President, a Recording Secretary, an As-

sistant Recording Secretary, a General Secretary-Treasurer, three Trustees, and a Parliamentarian. The terms of the President, the Vice-Presidents, Recording Secretary, Assistant Recording Secretary, Trustees and the Parliamentarian shall commence at the conclusion of the annual session at which they are elected and continue until the close of the next annual session of the Convention. The President and Vice-Presidents may not be elected for more than two consecutive terms. The election of all officers subject to annual election shall be on the afternoon of the first *full* day of the annual Convention, but the elections may be completed, if necessary, on the morning of the second full day. A vacancy in any of the above-mentioned offices, except that of President, occurring between sessions of the Convention may be filled by the General Board; such vacancies in the presidency shall be filled by the Vice-Presidents succeeding to the office in order of their rank.

a. In case of a vacancy in the office of General Secretary-Treasurer, the General Board shall nominate a man to the Convention to fill this office.

b. Opportunity shall be given to receive additional nominations from the floor of the Convention.

c. The man receiving the majority of votes cast shall be declared elected.

Upon election, the General Secretary-Treasurer shall hold office for an indefinite period, with voluntary retirement at age 65. He may continue on a year-by-year basis after review by the Executive Committee, with automatic retirement at age 68; retirement to take effect upon December 31 of the year in which he retires.

d. In case the position of General Secretary-Treasurer becomes vacant between sessions of the Convention, the General Board, upon the recommendation of its Executive Committee, shall name an acting General Secretary-Treasurer to serve until the next regular session of the Convention.

The General Secretary-Treasurer is the chief executive officer of the General Board, the chief administrative and program officer of the General Board staff, the chief budget officer of the General Board staff, the chief professional adviser of the General Board and its committees, the secretary and treasurer of the General Board and the Convention, and one of the denomination's spiritual leaders, providing statewide guidance and inspiration.

The General Secretary-Treasurer and the President of the Convention shall serve *ex-officio* without voting on all committees and aid by furnishing information, printed materials and needed guidance for the work of the committees.

ARTICLE VII. Trustees of the Convention

The General Board shall nominate three Trustees to be elected by the Convention in annual session. These trustees may succeed themselves, if nominated and elected, and will continue in office until their successors have been elected. The trustees shall hold title to

the property of the Convention and convey and use the same as directed by the Convention, its General Board or Executive Committee. They shall execute obligations only in behalf of and as ordered by the Convention. They shall have the powers granted to trustees of religious societies by the laws of the State of North Carolina, but subject always to the limitations imposed by this Constitution and by action of the Convention, its General Board or Executive Committee. They shall require the Treasurer of the Convention to give suitable bond, with corporate security and in adequate amount as determined by the General Board, and they shall cause such bonds to be safely kept. Failure on the part of the Treasurer to maintain such a bond in force for as long a period as ten days shall authorize the Trustees to remove him from office. The Trustees shall make full, detailed reports to the annual session of the Convention and at other times if requested by the General Board. They shall safely keep the seal of the Convention and affix it only as authorized by the Convention, its General Board or Executive Committee. The seal shall be circular in form and shall bear the words:

“Trustees of the Baptist State Convention of North Carolina, Incorporated 1893. SEAL.”

The Trustees shall keep full minutes of all their meetings and preserve the same in permanent forms. They shall elect their own Chairman and Secretary. Any vacancy occurring in their membership between sessions of the Convention shall be filled by the General Board.

The membership of those moving from the state shall be terminated upon the date of the move from the state.

In the event a member fails to attend at least one meeting of the General Board in a calendar year, without giving due notice of his absence, his membership shall immediately terminate.

7. Any vacancy on the General Board occurring between annual sessions of the Convention may be filled by action of the Executive Committee. Those elected shall serve through the remainder of the calendar year. The Convention shall at its next regular annual session fill the vacancy for the unexpired term.

Any vacancy on a Board shall be filled by the remaining members until the next regular annual session of the Convention, and the Convention shall at its next regular annual session fill the vacancy for the unexpired term. The Board of Trustees or Directors of said corporation by affirmative vote of three-fourths of the entire membership given in regular annual meeting or in a special meeting called for the purpose, shall have the power to remove from office any trustee or director of such corporation for cause considered sufficient by such Board, but only after reasonable notice to such trustee or director and opportunity to be heard by the Board. The Convention shall have the right to remove any trustee or director for cause considered sufficient by the Convention, but only after reasonable notice to such trustee or director, and opportunity for him to be heard by the Convention. Notice of such contemplated action and hearing by the Convention may be given by the Executive Committee of the General Board of the Convention.

5. The trustees or directors of the institutions and agencies of the Convention shall be elected by the Convention after receiving nominations from the Convention's Nominating Committee or from the floor. 18. Jerry Potter, Thomasville, Director of the Department of Deaf Ministries, introduced Herbert Copes, a deaf man who spoke words of appreciation to the Convention in sign language, interpreted by Jerry Potter.

19. Claude O'Shields, Wilmington, the Eastern representative of the Radio and Television Commission of the Southern Baptist Convention, expressed great appreciation for the work of L. J. Morris, stating that no other state convention has anything comparable to what he is doing in this field.

20. General Secretary-Treasurer W. Perry Crouch, Raleigh, presented a plaque to Mr. and Mrs. Fred Fletcher, President of Channel 5 WRAL and to Jim Goodman, Vice-President in charge of production, for all they have done to make this channel of blessing a reality.

21. Fred Fletcher expressed gratitude for this recognition.

22. W. Perry Crouch, Raleigh, General Secretary-Treasurer of the Baptist State Convention, addressed the Convention on the subject "Our Convention in Perspective." This item on the program commemorates a decade during which W. Perry Crouch has served in his present position of service. He described the trends which have characterized the moral and religious climate of this ten-year period. He called upon Baptists to recognize the moral bankruptcy of those who have rebelled against the organized church and to enter a new era of advance, following the example of heroes of the faith in the New Testament era, in the long dark centuries, in the American colonies, and especially in North Carolina. He described the development of Baptist institutions, associations, and conventions. He stressed the heritage of North Carolina Baptists, expressed through the years by the voluntary participation of the churches in the work of the Convention, participation determined by the will of the churches rather than the will of the Convention. He spoke of various types of churches and their particular needs. He summarized the accomplishments of the Baptist State Convention and its institutions and urged the messengers to preserve the Convention and its institutions as viable forms of Christian ministry, and not to let divisive issues weaken or endanger this work.

23. President Freeman introduced to the Convention First Vice-President Allen A. Bailey, Charlotte, and Second Vice-President Ray W. Benfield, Greensboro, and expressed appreciation for their help. He also recognized Recording Secretary Lamar J. Brooks, Laurinburg, and Assistant Recording Secretary Ted W. Williams, Raleigh.

24. President Freeman asked all visitors to the Convention to stand. He welcomed them and recognized representatives of various religious agencies as follows: Stanley Williamson, Executive Committee of the Southern Baptist Convention; Charles S. Burgess, Distribution Secretary of the American Bible Society; Cecil D. Etheridge, Secretary of the Department of Missionary Personnel of the Home Mission Board; Zeb Moss, a missionary of the Foreign Mis-

sion Board on furlough from Zambia; Duke K. McCall, President of Southern Baptist Theological Seminary; Lynn E. May, Historical Commission of the Southern Baptist Convention; C. Ronald Goulding, Associate Secretary of the Baptist World Alliance; Tom Quick, Broadman Films, Sunday School Board; Russell McIntyre, New Orleans Baptist Theological Seminary; Pat Dillard, Southern Baptist Theological Seminary; and Ralph West, Foreign Mission Board.

25. Robert Bruhn, Apex, Director of the Office of Pastor-Church Relations of the Baptist State Convention, recognized new ministers (including pastors, music, education, and youth) in the state since the time of the 1972 annual session of the Convention. Upon his invitation, a large number of newcomers came to the platform to give their names and indicate their places of service.

26. W. Perry Crouch and Mrs. Crouch welcomed the newcomers as they came to the platform, and presented them with copies of the *History of North Carolina Baptists* by the late George W. Paschal, Sr.

27. Clifton J. Allen, Winston-Salem, former Southern Baptist leader in many places of service, introduced C. Ronald Goulding.

28. C. Ronald Goulding, Associate Secretary of the Baptist World Alliance, London, England, brought greetings from Baptists around the world, not just the organization, but the great family of believers who are thus represented. It is remarkable that "the Baptist denomination" has such wonderful unity even though we have nothing to hold us together but spiritual affinity. He spoke of the tremendous size of Baptist statistics in America and the attendant danger of forgetting that we still need our brothers who are a part of a small minority in other parts of the world.

29. Joseph O. Stroud, Raleigh, led the Convention in singing "Amazing Grace."

30. First Vice-President Allen A. Bailey, Charlotte, presided and presented President Thomas M. Freeman for the President's Address.

31. President Thomas M. Freeman, Dunn, delivered his President's Address, based upon Paul's epistle to Titus, especially Titus 2:14. He applied this to the special blessings upon North Carolina Baptists and the responsibilities this places upon us. We are God's "peculiar people," in a sense his chosen people, his own people. This often means that we are in conflict with the forces of moral decadence which so challenge our government and every other segment of our society. Our way of life is grounded in the character of God who said, "Be ye holy, as I am holy." This way of life is made possible by the presence and work of the Spirit of God, who calls us to new depths of commitment. The Lord has other workers in North Carolina, but we Baptists have a greater responsibility than theirs because of our numbers and our blessings. We must face, openly and honestly, our differences, and deal with them in Christian love, but we must not allow any differences to turn us off the main line of our mission onto a sidetrack of endless debate and rising re-

sentments. President Freeman then traced the history of the recent baptismal controversy and expressed his disappointment that the issue is back before us again this year. He said that regardless of what the Convention does, the local churches must still decide their local policies, and declared that he is not satisfied that constitutional requirements which close the door for the eleven churches will really work out for our mutual benefit. He related the story of a similar controversy in the Raleigh Baptist Association in 1870 which was wisely resolved by adopting a strong resolution but not setting up doctrinal requirements in the constitution. History is on the side of the less drastic action of requesting and advising the churches, rather than adopting rules that turn them out. Whatever we do, we must not allow this issue to continue to trouble us year after year. We need to get back to the main business and prove by our actions that we are a great people, God's peculiar people, eager to do all that he requires of us in these trying times.

32. The benediction for the Monday evening meeting was pronounced by Crate H. Jones, Durham, retiring president of the North Carolina Baptist Pastor's Conference.

TUESDAY MORNING

33. The organ prelude was presented by James Reich, Monroe.

34. The Singing Churchmen, under the direction of Charles Gatwood, Cary, sang "Turn Your Eyes Upon Jesus," and the Convention was then asked to join with them in singing the same chorus.

35. Tobie P. Stone, Burlington, led the Convention in prayer.

36. Joseph O. Stroud, Raleigh, led the Convention in singing "Holy, Holy, Holy," and read Isaiah 53:1-12 and Isaiah 9:6.

37. The Singing Churchmen sang "He's Got the Whole World in His Hand" (Negro Spiritual, arr. by Heath).

38. Nane Starnes, Asheville, led the Convention in a devotional exercise entitled "The Bible and the Messiah Promised." He spoke concerning various Old Testament passages which may have applied on the most immediate level to a king or prophet, but in which we sense supernatural overtones, overtones in which in retrospect we cannot help but see a remarkably clear picture of the Coming One, the Lord's Anointed. This is especially apparent in Isaiah 53. Here we see foregleams of his humanity and his divinity, but more especially of his death which becomes the dynamic of the new life God gives to his children.

39. The Singing Churchmen sang "My Jesus, I Love Thee" (Gordon-Riddle).

40. President Freeman welcomed the messengers.

41. John M. Lewis, Raleigh, President of the General Board, introduced the *Report of the General Board of the Baptist State Convention of North Carolina*, which is reprinted in full on pages 97-193 of this Annual.

42. Leon P. Spencer, Raleigh, retiring Director of the Division of

Business Management, spoke concerning various significant points in the "Report of the Business Manager" as found on pages 19-30 of the *Report of the General Board of the Baptist State Convention of North Carolina*, the final version of which appears at the back of this Annual.

43. John M. Lewis spoke concerning the work of the General Board, and especially its Executive Committee which meets every month. He stressed that the minutes of these meetings are mailed to all members of the General Board and are open to the scrutiny of any person who will come to the office and ask. He commented upon various items of importance in the report of the General Board as found on pages 99-120 of this Annual. He announced that Richard D. Smith has been elected to take over the work of Leon P. Spencer upon his retirement at the end of 1973, and the two have been working together since July 1, 1973. He announced that the Executive Committee of the General Board has unanimously voted to ask W. Perry Crouch to continue for another year as General Secretary-Treasurer in accordance with the provision of Article VI, c, of the Constitution. He called attention to the recommendations of the General Board, as found on pages 109-112 of this Annual, and called attention to the fact that action upon these recommendations will come tomorrow morning.

44. General Secretary-Treasurer W. Perry Crouch, Raleigh, expressed appreciation to the members of the General Board and to the Executive Committee. He especially thanked John M. Lewis, who soon will complete his two-year term of service as President of the General Board. He recognized long years of faithful service by Miss Mary Alice Gray and Miss Vivian Nowell, now retiring. He called Leon P. Spencer to the platform and read the following statement of gratitude:

Our Baptist history is really the account of devout Christian men and women who had strong convictions about Christ and his work, and gave themselves to their work. Our Baptist Convention is indebted to many of these stalwart leaders of the past.

Today we honor a man who has served our Baptist State Convention for the past twenty years as Business Manager-Comptroller and has now reached compulsory retirement age. He has served with four General Secretaries and has been invaluable as a wise business man. His duties have not only been handling the financial records and receipts and disbursements of all money received by the Convention, but he has also worked with the General Secretary-Treasurer in preparation and supervision of the budget and the Baptist Building.

He has exercised a personal interest in the gifts from our churches and has taken pride in the exactness of his records. He has handled his work in such a way that he has often been praised by the staff, the Executive Committee, and the auditors that regularly check our books.

Leon Pharr Spencer was born on February 9, 1905, at Seaboard,

N. C. He was married to Jane Brooks on June 18, 1940. They have a daughter, Nancy Spencer Bartlett of Wethersfield, Connecticut, and a son, Leon P. Spencer, Jr. who is on leave of absence from Talladega College, Talladega, Alabama.

Mr. Spencer is a graduate of Wake Forest University and has served as a teacher and high school principal. He was Executive Vice President of the Farmer's Bank of Seaboard from 1935 to 1948. He was business manager and registrar of Chowan College from 1949 to 1950, and county accountant and tax supervisor of Northampton County from 1950 to 1953. Since 1953 he has been Comptroller-Business Manager of the Baptist State Convention of North Carolina.

As a citizen of Raleigh, he has been a director of the Wake County Tuberculosis Association and Director of the YMCA, a Secretary and past President of the Raleigh (Host) Lions Club, past Deputy District Governor, and past District Governor of District 31-G. He has had thirty years of perfect attendance in the Lions Club.

As a Baptist layman, in addition to his work as Comptroller-Business Manager of the Baptist State Convention, he has served as Clerk of Raleigh Baptist Association, Treasurer of the Baptist Foundation, Treasurer of the Christian Action League and Treasurer of the Baptist Employees' Credit Union. He is a deacon in the Hayes Barton Baptist Church where he has been a member for the past 20 years. He is currently serving as General Chairman of the Southern Baptist Business Managers' Conference which is composed of seven groups of Baptist Business Managers.

Words fail us as we think of the wonderful service this dedicated Baptist layman has rendered to this Convention. In behalf of the ten institutions, the churches of the Convention and the staff of the Convention, we say, "Thank you, Leon," for twenty wonderful years of service.

Now, in behalf of the Executive Committee and General Board, I am happy to present you with this plaque which reads:

"This plaque is awarded to Leon Pharr Spencer in genuine appreciation for twenty years of devoted service to the Baptist State Convention of North Carolina as Business Manager-Comptroller. His Christian character has been beyond reproach. He has conducted the business affairs of the Convention with interest, concern, patience, and diligence. The General Board expresses its best wishes and the hope that the years of retirement will be filled with meaningful service to our Lord."

Hendricks, Wake Forest; Jerry Jackson, Buies Creek; Miss Lucy Lopp, Lexington; Henry Stroupe, Winston-Salem; Roy Carroll, Boone; George Griffin, Winston-Salem; H. Eugene McLeod, Wake Forest; and Mrs. Jean Teague, Raleigh.

51. Brightie E. White, Durham, a member of the Historical Commission of the Southern Baptist Convention, introduced Lynn E. May.

52. Lynn E. May, Nashville, Tennessee, Executive Secretary of the Historical Commission of the Southern Baptist Convention, addressed the Convention concerning the work of the commission.

53. President Freeman announced that we are now ready to begin a period of worship under the general heading "We Worship the Messiah." He requested the messengers to join in the worship with a reverent and prayerful spirit.

54. Joseph O. Stroud, Raleigh, led the Convention in singing "Near the Cross."

55. C. Douglas Farmer, Wilmington, alternate to preach the Con-

vention Sermon, read Ephesians 5:1-3, 5-17, and led the Convention in prayer.

56. Mrs. J. T. Alexander, Jr., Statesville, sang a medley of children's songs, including "Jesus Loves Me," "Jesus Loves the Little Children," "Praise Him, Praise Him."

57. Frank R. Campbell, Statesville, preached the Convention Sermon on the subject "What Kind of Light Will We Be?" At least three groups are watching us this week: the Baptists of North Carolina, most of whom are not here today; other Christian groups who are interested in what effect we shall have upon Christendom, and the world outside the Christian fellowship. We have a great responsibility to all three groups, and this means it matters much how we treat each other and what we agree to do together. We are remarkably united on matters such as religious liberty, soul competency, and the inspiration of the Bible. There are some differences among us concerning certain details in regard to baptism and the Lord's Supper, but there is far more agreement than disagreement, and we are unanimous in our insistence upon baptising believers only. We are basically together on evangelism, missions, and leadership training. We went through a period of pessimism in regard to these matters, but for the past few years we have seen the dawning of a new day in our readiness to proclaim the gospel of Jesus Christ. Because we are so much alike on so many things, and because we are being watched by so many people, we are called upon by our Lord to show our love for one another in a way that will make it possible for us to do the work of Christ effectively. This requires that we conquer anger and wrath and selfishness, so that we can be light and not darkness in the world. The Bible needs less defense and more practice.

58. With First Vice-President Allen A. Bailey, Charlotte, presiding, W. R. Wagoner, Thomasville, President of the Baptist Children's Homes of North Carolina, Inc., and a member of the Council on Christian Social Services, presented the report of the council as found on pages 180-184 of this Annual.

62. W. R. Wagoner, Thomasville, President of the Baptist Children's Homes expressed appreciation for the support received through the Cooperative Program and the Thanksgiving offering. He introduced James B. Hunt, Raleigh, Lieutenant-Governor of the State of North Carolina.

63. Lieutenant-Governor James B. Hunt, Raleigh, addressed the Convention concerning the important work of child care, expressing appreciation for the significant contribution of North Carolina Baptists in this field. He stressed the great advance which has been made in recent years in moving from the old dormitory style care to cottages which are much more like a normal family setting. He also praised the advances made in finding foster homes and providing help so that children can live with one parent. The state does have many specialized programs for various special groups of children, but the cold hand of government can never match at this point what the warm hand of the churches can do. The future needs to bring a closer cooperation which will enable us to guide children instead of just trying to reclaim and rescue adults.

64. T. Earl Robinett, Salisbury, Chairman of the Committee on Committees, presented the report of the committee, as follows:

There were no other nominations from the floor and these were elected by acclamation. Other members of the Committee on Committees are listed in Item 11 above.

65. J. Marse Grant, Raleigh, a member of the Radio and Television Commission of the Southern Baptist Convention, presented a report on radio and television work, and then a report of the *Biblical Recorder*, of which he is editor, as found on pages 184-186 of this Annual. He spoke concerning his sorrow over the resignation of Toby Druin as Associate Editor and expressed appreciation for his fine work during the past seven years. Grant spoke concerning the recent Liquor-by-the-Drink election and urged the Convention to new efforts in the realm of moral influence in our society.

66. With President Freeman presiding and the time having arrived for Miscellaneous Business, C. B. Deane, Jr., Rockingham, offered the following resolution and moved its adoption, which, after being seconded, was referred to the Committee on Resolutions:

The following Statement of Concern was adopted by the Baptist Joint Committee on Public Affairs in Washington on October 3:

Believing that separation of church and state does not mean separation of religion from government or politics, nor should it imply the divorce of religion's basic moral and ethical principles from the conduct of public affairs, we voice our concern over some recent developments in public life and reaffirm our commitment to the fundamental principles of democracy.

At a time when there is widespread distrust of government resulting from the abuse of political power, we need to be reminded of the promises upon which our government was constituted. We are gratified that there is today a widespread reaction against this abuse. Indeed, we view this reaction as evidence of the strength of our American tradition.

The times call for an affirmation of trust in the basic principles of the American system of democracy. These include: (1) government's powers are derived from the consent of the governed; (2) the harmful potential in any concentration of governmental power makes necessary the distribution of powers among those who make, execute, and interpret law; (3) government is to protect the rights and liberties, and to promote the well-being of all people; and (4) all public officials must be subject to law in both public and private conduct.

In affirming these principles, we express our faith in the ultimate triumph of the right and of the truth in a nation whose citizens are dedicated to justice and righteousness in every aspect of life. In this confidence, we urge our Baptist people in North Carolina to exemplify and to require character and integrity in both public and private life, and to discharge responsibly their duties as citizens. Moreover, we encourage our Christian young people to seek for themselves a vocation through which they may make their contribution to government and to society in general.

67. Wendell G. Davis, Charlotte, presented to the Convention in behalf of M. O. Owens, Gastonia, the second of two proposed amendments to the Constitution of the Convention, previously published in the *Biblical Recorder*, and stated that M. O. Owens has decided not to present a proposed amendment to Article III. He then read the proposed amendment to Article IV of the Constitution, as follows:

2. To amend Article IV, Composition, by the addition, after the words "purpose and work," of the following:

"and which is Baptist, accepting the New Testament as its authority in all matters of faith and conduct, and practicing believer's baptism by immersion only, thus consisting of immersed professed believers in Jesus Christ (excepting where a professed believer's immersion is prevented by physical disability). A Church which accepts into full membership any person who has not been immersed for any reason other than physical disability shall be deemed by such action to have severed its affiliation with the Baptist State Convention. (This provision shall not apply to the action or status of persons or churches prior to November 14, 1973. Churches which have in their membership unimmersed persons accepted into membership before November 14, 1973, shall be in fellowship and remain affiliated with the Convention after the above date, provided they accept no other persons who have received only sprinkling or affusion.)"

Davis made a motion that this amendment be adopted, but President Freeman, with the advice of Parliamentarian Bulman, ruled that the motion is not needed since both proposed amendments are already before the Convention by virtue of their publication. President Freeman stated that Parliamentarian Bulman had advised him that the other proposed amendment should also be read, but President Freeman ruled that we can dispense with the rules at this point. He asked the Convention for a vote of confidence to sustain this ruling, and it was given with only one audible dissenting vote. President Freeman announced that the proposed amendment to Article III would not be read, but that both the proposed amendments would be referred to the Committee on Resolutions [see Item 69 below for correction].

68. Earl D. Farthing, Goldsboro, offered the following resolution and moved its adoption, which, after being seconded, was referred to the Committee on Resolutions:

Whereas, the North Carolina Diabetes Association, in cooperation with McDonald's Restaurants, Key Clubs, and other groups through-

out North Carolina is sponsoring a Bike-A-Thon for the benefit of various Diabetes Association projects, and

Whereas, the date chosen for this particular Bike-A-Thon is Sunday, November 18, (or, in the event of rain, the next rainless Sunday) beginning as early as 8:00 a.m. in some areas, thereby inviting many of our youth to absent themselves from regular Sunday periods of Bible study and worship,

THEREFORE BE IT RESOLVED THAT, North Carolina Baptists in their 143rd annual session meeting in Greensboro, November 12-14, 1973, go on record as commending the North Carolina Diabetes Association and its cooperating groups for their worthy and honorable undertaking, while encouraging them to choose a day other than Sunday for any similar efforts in the future, and that copies of this resolution be sent to:

The North Carolina Diabetes Association
408 North Tryon Street
Charlotte, N. C.

McDonald's Restaurants
c/o Mr. Jerry Dixon
Wilson, N. C.

Kiwanis of North Carolina
(Sponsors of Key Clubs)

69. President Freeman corrected his statement [see Item 67 above] concerning the referral of the two proposed amendments to the Committee on Resolutions, and indicated that they would instead be referred to the Committee on Convention Program for a decision as to the time when action would be taken upon them by the Convention. [This had, in fact, already been done, as reported in Item 14 above.] President Freeman stated that Parliamentarian Bulman had advised him that it is not fair to omit the reading of the proposed amendment to Article III, and further stated that if someone wishes to make a motion that it be read, and if the motion is passed, he will have it read. Hearing no such motion to this effect, President Freeman recognized B. J. Morris, Boger City.

70. B. J. Morris, Boger City, offered the following resolution and moved its adoption, which, after being seconded, was referred to the Committee on Resolutions:

As evidenced by the results of the ballot on November 6, North Carolinians have chosen by a vote of more than two to one to do something about controlling alcoholic beverage. We have also decided to do something about getting drunk drivers off the roads.

Whereas, according to analysis by the U. S. Department of Transportation, there were 55,000 deaths on our highways last year and 27,000 of these were alcohol related and 19,000 of these were caused by what the department called "problem dependent" drinkers (alcoholics and heavy drinkers); and

Whereas, there are 9 million alcoholics and 14 million problem drinkers in the U. S., of which approximately 500,000 are children alcoholics; and

Whereas, 80 per cent of the alcohol sold is to persons already addicted; and

Whereas, there is somewhere between \$288 million and \$900 million a year spent on advertising and a good portion of this is aimed at the young:

THEREFORE BE IT RESOLVED:

1. That we encourage to the next assembly of the N. C. Legislature strong, mandatory legislation to revoke the license of drivers charged and convicted of driving under the influence of alcoholic beverages and other drugs and that they not be allowed to plead guilty to a lesser charge; and

2. That we encourage legislation to forbid advertising of alcoholic beverages on radio, television, newspapers, and billboards in North Carolina; and

3. That fifty cents per gallon on alcohol sold in North Carolina be collected and used for the rehabilitation of alcoholics in North Carolina.

71. The benediction for the Tuesday morning meeting was pronounced by Lewis Wall, Roxboro.

TUESDAY AFTERNOON

72. The organ prelude was presented by James Reich, Monroe.

73. First Vice-President Allen A. Bailey, Charlotte, reported that as of 1:50 p.m., there were 2,595 messengers and 168 visitors, making a total of 2,763 registrations.

74. Joseph O. Stroud, Raleigh, led the Convention in singing "Turn Your Eyes Upon Jesus," "Glorious Is Thy Name" and "Majestic Sweetness," and read Galatians 4:4-7.

75. Herbert McCoy, West Jefferson, led the Convention in prayer.

76. The Singing Churchmen sang "He Hideth My Soul" (Kirkpatrick-Davis).

77. J. Winston Pearce, Buies Creek, led the Convention in a devotional exercise entitled "The Bible and the Messiah Promised—Promise Fulfilled." The Messiah came, in that moment of history when he was most needed. The Messiah comes, in this day, where meek souls will receive him still. The Messiah is coming, to bring God's glorious consummation to all things temporal. He came, comes, and will come, but we must not fragment this truth. If his coming is buried only in past history or projected only into the unseen future, the whole proclamation loses its reality for us. We need to experience him as Saviour and Lord, and to declare him as such. He is Saviour and Lord whether we experience and proclaim him or not, but we need to do this for our good and for the good of others. "Bring forth the royal diadem and crown him **Lord of all.**"

78. The Singing Churchmen sang "Saviour, Like a Shepherd Lead Us" (Bradbury-Bock).

79. D. Hoke Coon, Lexington, Chairman of the Council on Christian Life and Public Affairs, presented the report of the council as found on pages 162-165 of this Annual, and moved the adoption of the recommendation concerning the adequacy of the First Amendment of the Constitution of the United States, as found on page 165 of this Annual. The motion was seconded and carried.

80. Charles V. Petty, Raleigh, Executive Secretary of the Council on Christian Life and Public Affairs, addressed the Convention on the subject "People Who Hurt." People hurt in different ways. Some hurt spiritually because they have chosen to flee from God or have grown up in ignorance that God cares. Some hurt physically, torn by hunger and disease and poverty. Some hurt emotionally because of the tensions around them and within them. Some hurt intellectually, plagued by ignorance. Unfortunately there are too many unclear sounds in the pulpit. We are outspoken on certain issues which are acceptable among our kind of people, and all too silent on many others. To be the followers of Christ will cost us everything we are and have, and the character of Christ is ample evidence that those who are his followers care about the hurts of other people. It is urgent that we recognize the extreme sinfulness of sins of omission. Jesus said "Ye shall know them by their fruits." When we do not act to help people who hurt we are guilty of peddling "cheap grace." Most of us on our way to church every Sunday ride past people who hurt and fail to show that we care.

81. The time for Miscellaneous Business having arrived, Parliamentarian James M. Bulman, Oak Ridge asked for the floor and read the following statement: "Having been elected each year for ten years to serve as your parliamentarian, and having tried to serve you to the best of my ability, I now find that things have reached a point where there is no need to continue. For you don't need a parliamentarian if the constitution, by-laws, and rules of order, which things are supposed to be a solemn covenant, are treated as a scrap of paper. I hereby submit my resignation, asking that it be received and be made effective immediately."

82. Daniel Stiles, Roxboro, made a motion that the resignation not be accepted.

83. Maynard H. Mangum, Elizabeth City, seconded the motion and spoke in favor of it, suggesting that the vote include in it a vote of thanks to Parliamentarian Bulman.

84. Forrest Feezor, Black Mountain, spoke to the motion, citing similar differences over parliamentary matters in sessions of the Southern Baptist Convention as examples.

85. Jim Harris, Salisbury, expressed the feeling that it would be quite possible to accept the resignation of the Parliamentarian without thereby dispensing with all efforts to be guided by the Constitution, the By-Laws, and *Robert's Rules of Order*.

86. Victor Dowd, Greensboro, moved the previous question. The

motion was seconded but not voted upon. The vote was taken upon the motion of Daniel Stiles, with the result that the resignation was not accepted.

87. First Vice-President Allen A. Bailey, who was still presiding over the Convention, urged the messengers to give due consideration to the advice of the Parliamentarian in the future.

88. A motion was made from the floor that we show our consideration for the Parliamentarian by having the amendment which was omitted this morning read. The motion was seconded. The vote was taken, and the motion was defeated.

89. Coy C. Privette, Kannapolis, offered the following resolution and moved its adoption, which, after being seconded, was referred to the Committee on Resolutions:

Whereas, the citizens of N. C. have decisively defeated liquor-by-the-drink by a margin of 70-30 per cent;

Whereas, it has become evident that the citizens of N. C. do not want further liberalization of liquor laws:

Whereas, the defeat of the controversial LBD legislation was accomplished by the concerted efforts of a great host of churches of different denominations and the involvement of responsible laymen;

Whereas, there is a growing concern in N. C. about the needless slaughter of innocent people on the highways due to drinking drivers;

Whereas, there has been prevalent in some areas of our state leniency pertaining to the courts in the handling of drunk driving cases where individuals are allowed to plead guilty to lesser offenses or are granted other special considerations;

Whereas, this body has not granted an increase in the financial support to the Christian Action League since 1962 even though its program and scope of influence has greatly been expanded in recent years;

BE IT THEREFORE RESOLVED THAT THE N. C. BAPTIST STATE CONVENTION MEETING IN GREENSBORO, N. C., NOVEMBER 12-14, DO HEREBY:

1. urge the Division of Christian Life and Public Affairs to join with the inter-denominational Christian Action League in working for the clarification of brown-bagging legislation with a view that would result in the decrease of consumption;

2. urge the adoption of legislation that would require more ABC officers than the present 84 in order to give better supervision and policing over the current 21,039 ABC permits;

3. urge the members of the N. C. House of Representatives to look with favor [upon] SB-89 that has already passed the N. C. Senate that would make a breathalyzer reading of .10 or above a statutory offense of driving under the influence;

4. urge citizens to become more observant of the courts' disposition of drunk driving cases and create community concern toward this problem;

5. commend Governor James E. Holshouser, Jr. and the Department of Transportation for the promotion of Highway Safety Sunday on October 21, 1973 which provided an opportunity for the church to make our people more aware of moral problems concerning highway safety, and we urge the governor to make this observance a major program during his administration;

6. that this Convention look upon with favor the increasing of the convention's allocation for the N. C. Christian Action League.

90. President Freeman, Dunn, asked for the floor for the purpose of making a statement concerning the problem expressed by the Parliamentarian. He stated that his major purpose in presiding had always been to let the will of the body be determinative, and that the Parliamentarian's major purpose had always been to interpret the Constitution, By-Laws, and rules of order. This natural difference of emphasis has sometimes caused differences of viewpoint as to which course to follow. He read from *Robert's Rules of Order* a paragraph concerning the duties of the Parliamentarian, emphasizing that this paragraph assigns him a role in advising the presiding officer, but not a role in which he takes control of the meeting. It is because of this that he felt free to rule this morning in a manner contrary to the advice of the Parliamentarian, and to ask the Convention to sustain him in doing so when this was questioned.

91. A motion was made from the floor that we extend the time for this item five minutes. The motion was seconded and carried by a voice vote.

92. J. Marse Grant, Raleigh, made a motion that the Recording Secretary send to Dr. J. Clyde Turner a message of love and an arrangement of flowers. The motion was seconded and carried.

93. President Freeman, Dunn, asked for the floor and stated that Phillip K. Morris, a student from the University of North Carolina, wished to make a statement to the convention and requested that as a matter of courtesy he be allowed a few moments to speak. He made a motion to that effect, and it was seconded and carried by voice vote.

94. Phillip K. Morris, Chapel Hill, read a petition bearing the signatures of 134 Baptist college and university students, as follows:

We, the undersigned, having become aware of a growing element of divisiveness among cooperating North Carolina Baptists, wish to reaffirm our belief in the autonomy and authority of the local church in matters of doctrine, and recognize the sanctity and validity of the individual's baptismal experience, realizing that such an experience is a matter of concern only between the believer and his God and that no man is in a position to call such an experience less than valid.

We, therefore, wish to state our opposition to any and all movements which threaten the local church's autonomy, feeling that such movements would stand contrary to the North Carolina Baptist State

Convention's constitution and heritage which have traditionally protected local church autonomy.

We would also urge all messengers to the Convention meeting in session November 12-14, 1973 in Greensboro, N. C. to *oppose* the proposed amendments to Articles III and IV of the Constitution of the Baptist State Convention of North Carolina.

95. J. Edwin Bullock, Cary, Director of the Department of Brotherhood, presented the report of his department as found on pages 153-157 of this Annual, and introduced Glendon McCullough.

96. Glendon McCullough, Memphis, Tennessee, Executive Secretary-Treasurer of the Brotherhood Commission of the Southern Baptist Convention, addressed the Convention on the subject "The Acts of the Twentieth Century Apostles." He called for a new alliance between the pulpit and the pew so that God's work may be done in our day. Many of our laymen make excuses, as Moses did in the long ago when God called him. Maybe there is a twentieth century Saul of Tarsus sitting blinded on a street in your town, and God is calling you to be a twentieth century Ananias to go courageously and give him a vision of what God wants him to do. We'll never ordain enough pastors or commission enough missionaries to win this world, but if we ever get all our laymen to accept their task of ministry, we'll open a new era for doing God's work. This is not only possible, but imperative.

97. The time having arrived for the election of officers, President Freeman stated that the floor was opened for nominations for the office of President.

98. Carl E. Bates, Charlotte, nominated Allen A. Bailey, Charlotte. There were no further nominations.

99. Woodrow W. Robbins, High Point, made a motion that nominations cease and that Allen A. Bailey be elected by acclamation. The motion was seconded and carried by standing vote.

100. President Freeman read a message of fraternal greetings from the Mississippi Baptist Convention. He asked for and received common consent for the Recording Secretary to respond to this message.

101. President Freeman stated that the floor was opened for nominations for the office of First Vice-President.

102. A. Leroy Parker, Greensboro, nominated Coy C. Privette, Kannapolis. There were no other nominations.

103. A. L. Benton, Swansboro, made a motion that nominations cease and that Coy C. Privette be elected by acclamation. The motion was seconded and carried by standing vote.

104. President Freeman stated that the floor was opened for nominations for the office of Second Vice-President.

105. Delmar E. Parkerson, Wilmington, nominated Charles B. Deane, Jr., Rockingham.

106. Michael I. Blackwell, Raleigh, nominated J. Dewey Hobbs, Jr., Marion. There were no other nominations and the vote was taken by standing, with the result that Charles B. Deane, Jr. was elected.

107. S. C. Ray, Greensboro, Chairman of the Committee on Enrollment, reported that as of 3:30 p.m. there were 2,658 messengers and 178 visitors, making a total of 2,836 registrations.

108. President Freeman stated that the floor was opened for nominations for the office of Recording Secretary.

109. Woodrow W. Robbins, High Point, made a motion that Lamar J. Brooks, Laurinburg, and Ted W. Williams, Raleigh, be both elected for another term as Recording Secretary and Assistant Recording Secretary, respectfully. The motion was seconded and carried, by a standing vote.

110. President Freeman stated that the floor was opened for nominations for the office of Parliamentarian.

111. Gerald C. Primm, Greensboro, nominated James M. Bulman, Oak Ridge. There being no further nominations, James M. Bulman was elected by acclamation, by a standing vote.

112. President Freeman stated that the floor was opened for nominations for Trustees of the Convention.

113. George McCotter, Lillington, a member of the Committee on Nominations, stated that he had already nominated the three present trustees for re-election as a part of the report of his committee this morning. Since the Recording Secretary could not find the written record of this, [because he was looking at the report of the Committee on Committees instead of the Committee on Nominations,] President Freeman stated, upon the advice of the Parliamentarian, that the safest procedure would be to repeat the action of the morning session.

114. Leon P. Spencer, Raleigh, nominated David M. Britt, W. Gale Parker, and Claude F. Gaddy, all of Raleigh, as Trustees of the Baptist State Convention. There were no further nominations and a motion was made, seconded, and carried that these be elected by acclamation.

115. The benediction for the Tuesday afternoon meeting was pronounced by Robert M. Winecoff, Durham.

TUESDAY EVENING

116. The organ prelude was presented by James Reich, Monroe.

117. The Singing Churchmen sang "Turn Your Eyes Upon Jesus," and the Convention joined them in singing this chorus.

118. Gerald T. Smith, Mount Airy, led the Convention in prayer.

119. The Singing Churchmen sang "Come, O Thou God of Grace" (William J. Reynolds).

120. Joseph O. Stroud, Raleigh, led the Convention in singing "Praise the Lord, Ye Heavens Adore Him" and "Break Thou the Bread of Life."

121. John W. Eddins, Raleigh, read Matthew 16:13-28 and led the Convention in a devotional exercise entitled "The Bible and the Message of the Messiah." People in Jesus' own day were puzzled as to who he really was, and it continues to perplex people to this day.

Jesus was interested in the viewpoint of the multitudes, but he probed insistently concerning the understanding of his disciples. The meaning of Messiahship is not confined, however, to awareness of who Jesus is, as Simon Peter so quickly learned. The meaning of Messiahship can be understood only in the light of his death, but it does not stop even there. It includes also the resurrection of Jesus, the call to discipleship, the foundation of the church, and the whole of our journey through life to the heavenly city.

122. The Singing Churchmen sang "There's a Quiet Understanding" (Smith-Wilson).

123. With Second Vice-President Ray Benfield, Greensboro, presiding, Sam H. O'Neal, Raleigh, Director of the Department of Annuity and Insurance of the Baptist State Convention, presented the report of his department as found on pages 128-129 of this Annual. He introduced North Carolina members on the Annuity Board of the Southern Baptist Convention.

124. A choir composed of a large number of North Carolina annuitants, sang "Amazing Grace," with the convention joining on the last stanza.

125. Mrs. Gilmer Cross, Lexington, President of Woman's Missionary Union, auxiliary to the Baptist State Convention of North Carolina spoke concerning "The Annuity Story to a Widow," based upon her experience as the widow of a pastor who cared enough to make sure this coverage was provided.

126. Tim Burleson, Cullowhee, a student at Western North Carolina University, spoke concerning "The Annuity Story to a Student." His father is retired from active service because of health problems, and as a result Tim receives \$600 a year which helps to make it possible for him to be in college.

127. George E. Williamson, Hudson, spoke concerning "The Annuity Story to an Annuitant." As a new annuitant, he expressed appreciation to the churches which have made it possible for him to participate, to the Convention for its participation through the years, and to those who founded this program in the beginning.

128. Kermit Whiteaker, Dallas, Texas, Assistant to the President of the Annuity Board of the Southern Baptist Convention, addressed the Convention on the subject "The Annuity Story to North Carolina Baptists." He expressed gratitude to Guy Cain for his long years of service and to Sam H. O'Neal who is so well-known all across the state and is taking over this work with such great vigor. He illustrated the work of the board by relating the stories of various persons whose lives had been greatly affected thereby.

129. Second Vice-President Benfield asked for and received common consent for the Committee on Resolutions to present two resolutions tonight, prior to asking for action upon them tomorrow. These resolutions are originating in the Committee on Resolutions.

130. Grady Faulk, Pineville, in behalf of the Committee on Resolutions, presented two resolutions which the Committee on Resolu-

tions has originated and will request action upon tomorrow. The resolutions are as follows:

Whereas, our commitment to Christ as Saviour and Lord compels us to concern over any matter which affects human behaviour and values; and

Whereas, television is such an influential communications media; and

Whereas, television producers are very sensitive to public reaction;

THEREFORE, we the messengers to the 143rd Annual Session of the Baptist State Convention of North Carolina:

1. Commend all local and national television stations and networks for time made available to religious broadcasting such as the splendid cooperation of television station WRAL of Raleigh, as noted in our opening session;

2. Commend television producers for quality programs of information and entertainment which tend to encourage appreciation of moral standards and family solidarity in a society in which morality and stability in family life are eroding in an alarming manner;

3. Yet, we must express our earnest concern over increasing violence, far too prevalent scenes degrading the sacredness of human sexuality, increasing use of language not suitable for family viewing, and a general tendency in far too many television shows to downgrade the sanctity of marriage and to glamorize amoral and immoral behaviour;

4. We, therefore, remind all concerned citizens that letters and cards to local television stations and national networks, commending them for quality programming and specifically protesting programs considered objectionable are very effective in influencing television producers;

5. That, therefore, we urge all concerned citizens to communicate their reactions to television producers directly and regularly;

6. And we call on all television decision makers to produce programs aimed not at the lowest common denominator among the viewing public, but rather at the finest of our moral and spiritual heritage.

Whereas, war destroys so much of God's creation whenever war's effects are felt;

BE IT RESOLVED THAT:

We, the messengers of the 143rd Annual Session of the Baptist Convention of North Carolina meeting in Greensboro, November 14, 1973, urge our fellow Christians stedfastly to intercede in prayer for all persons who are working to achieve peace in the Middle East and all other troubled areas of our war-weary world.

131. President Freeman thanked Second Vice-President Benfield

for his presiding, and for his faithful work throughout the past two years.

132. With President Freeman presiding, William A. Poole, Winston-Salem, Superintendent of North Carolina Baptist Homes, Inc., and Chairman of the Committee on Trustee Orientation, presented the report of the committee as found on page 192 of this Annual. [See Item 152 below.]

133. Edwin S. Coates, Raleigh, Executive Secretary of the Baptist Foundation, presented the report of the foundation, as found on pages 186-188 of this Annual. He urged the convention to realize that there is need for a great upturn in gifts to the Baptist Foundation, to be held in trust for the benefit of various denominational causes.

134. President Freeman recognized representatives from the seminaries of the Southern Baptist Convention as follows: Claud Bowen, chairman of the trustees of Southeastern Baptist Theological Seminary; Mack Terry, Dean of the School of Religious Education at Southwestern Baptist Theological Seminary; and Charles Coffey, a trustee of Golden Gate Baptist Theological Seminary.

135. Donald G. Myers, Reidsville, Chairman of the Committee on Memorials, presented the report of the committee as found on page 10 of this Annual. He made a motion that the two recommendations contained in the report be adopted. One of these includes the dedication of the 1973 Annual to Dr. J. L. Jenkins, Boiling Springs; Dr. Casper C. Warren, Charlotte; and Judge William M. York, Greensboro. The motion was seconded and carried.

136. Charles A. Lynam, Reidsville, sang a solo, "For All the Saints" (Ralph Vaughn-Williams).

137. Donald G. Myers, Reidsville, led the convention in the memorial prayer.

138. President Freeman announced that the Convention is about to enter into a special order of business in which some new missionaries of the Home Mission Board are to be commissioned.

139. Mrs. J. Henry Simpson, Jr., Warsaw, a member of the Home Mission Board of the Southern Baptist Convention, spoke of her experiences as a member of the Personnel Committee of the Home Mission Board.

140. Cecil Etheridge, Atlanta, Secretary of the Department of Missionary Personnel of the Home Mission Board of the Southern Baptist Convention, introduced the three couples being commissioned as Home Missionaries: Ronald and Peggy Pinkerton, Director of Christian Social Ministries in New South River Association, Fayetteville, North Carolina; Michael and Virgie Brown, Pastor-director of the Baptist Center in Milwaukee, Wisconsin; and James and Kathleen Lewis, Director of Work with Internationals in Maryland. He interpreted the true missionary tasks of these missionaries.

141. W. Perry Crouch, Raleigh, General Secretary-Treasurer of the Baptist State Convention presented certificates to the new missionaries, indicating that the Pinkertons are also missionaries of the Baptist State Convention of North Carolina. Each missionary couple

also introduced members of their families who were present for this service.

142. Jack Heath, Greensboro, sang a solo, "So Send I You."

143. The six missionary appointees gave personal testimonies concerning the leadership of God in their lives to bring them to this moment in their lives. They communicated their missionary zeal and appealed to the Convention for deeper dedication to the total missionary task.

144. John E. Lawrence, Raleigh, a member of the Home Mission Board of the Southern Baptist Convention, delivered a charge to the missionaries. He read Joshua 1:1-9 and said there are six requirements God makes of his servants whether it be Joshua, or home missionaries, or any of us: (1) a consciousness of personal need; (2) a distinct and definite call from God; (3) a definite commitment to the call of God; (4) the courage to cross barriers and overcome obstacles; (5) a consistent observance of God's law; and (6) a consciousness of the abiding presence of the living God.

145. Miss Sara Ann Hobbs, Raleigh, Executive Secretary of Woman's Missionary Union, auxiliary to the Baptist State Convention of North Carolina, led the Convention in a prayer of dedication and benediction.

WEDNESDAY MORNING

147. Robert C. Mann, Boone, led the Convention in prayer.

148. Joseph O. Stroud, Raleigh, led the Convention in singing "Beneath the Cross of Jesus" and read Luke 4:14-21.

149. Joseph O. Stroud, Raleigh led the Convention in singing "Fairest Lord Jesus."

150. Edward Hughes Pruden, Raleigh, counsellor to students at Meredith College, led the Convention in a devotional exercise entitled "The Bible and the Mission of the Messiah." It is significant that Jesus, in his inaugural address in his home town of Nazareth, charted his course on the basis of the remarkable passage from Isaiah 61. His whole ministry is a commentary upon what he interpreted this passage to mean. We, as his followers, have the responsibility of extending that ministry in our world today, for this is what it means to say that we are the body of Christ. We need to ask ourselves what the people of North Carolina will think of us as they read their newspapers tomorrow morning—what will they consider to be the main concerns of the largest Christian group in North Carolina? Will they be impressed with the idea that we, as the body of Christ in the world, are doing something about preaching good news to the poor? Our Lord has anointed us to do this—and also to proclaim liberty to those who are bound, to restore sight to those who are blind, and to set the broken victims free in the day of God's favor.

151. Joseph O. Stroud, Raleigh, led the Convention in singing "God of Grace and God of Glory."

152. With Second Vice-President Ray Benfield presiding, Roger Williams, Kinston was recognized for a motion to adopt the report of the Committee on Trustee Orientation presented last night. [See Item 132 above.] The motion was seconded and adopted.

Gene Booker, Robbins, a member of the Executive Committee of the General Board, made a motion that Recommendation Number 1, giving approval to Chowan College to borrow up to \$155,000 for the purpose of constructing a new science-engineering facility, be adopted. [See pages of the Annual for the full text of the resolution.] The motion was seconded and carried.

155. Billy T. Mobley, Ahoskie, a member of the Executive Committee of the General Board, made a motion that Recommendation Number 2, giving approval to Wake Forest University to borrow up to \$2,000,000 for the purpose of helping to finance Phases I and II of the Fine Arts Building, be adopted. Watterson, Shelby, a member of the Executive Committee of the General Board, made a motion that Recommendation Number 3, giving approval to Gardner-Webb College to borrow up to \$400,000 for the purpose of constructing the Hubert M. Craig residence hall for women, be adopted. [See pages 195-196 of this Annual for the full text of the resolution.] The motion was second and carried.

157. First Vice-President Allen A. Bailey, Charlotte, Chairman of the Committee on Constitution and By-Laws of the Executive Committee of the General Board, made a motion that the ten changes in the By-Laws specified in Recommendation Number 4 [see pages 110-111 of this Annual] be adopted. The motion was seconded and carried by voice vote.

Davis, Jr., Jacksonville, a member of the Executive Committee of the General Board called attention to the change of one word, to substitute "specifications" in place of "drawings," and made a motion that recommendation Number 5 concerning the goal for the 1974 State Missions Offering, the full text of which appears on page 111-112 of this Annual, be adopted. The motion was seconded and carried by hand vote.

Freeman, Dunn, a member of the Executive Committee of the General Board, made a motion that Recommendation Number 6 concerning the 1974 joint session of the Baptist State Convention and the General Baptist Convention, the full text of which appears on page 112 of this Annual be adopted. 161. John M. Lewis, Raleigh, reported that the brochure on counselling services, authorized by the 1972 Convention, is now available, and stated that this completes the Report of the General Board.

162. With President Freeman presiding, J. Boyce Brooks, Warsaw, Chairman of the Committee on Convention Program, made a motion that the order be changed to allow the report of the Committee on Resolutions to take place now.

163. J. Grady Faulk, Charlotte, Chairman of the Committee on Resolutions, pled with messengers to get resolutions in earlier in future sessions.

164. Gene Booker, Robbins, presented in behalf of the Committee on Resolutions, the resolution concerning the Diabetes Bike-A-Thon [see Item 68 above], submitted by Earl D. Farthing, Goldsboro.

165. Baxter M. Walker, Fayetteville, spoke in opposition to the resolution.

166. C. Gene Booker, Robbins, spoke in favor of the resolution.

167. Baxter M. Walker, Fayetteville, made a motion to amend the resolution to say that "we do not approve fund-raising efforts by any group on the Lord's Day" in lieu of the words "while encouraging them to choose a day other than Sunday." The amendment was seconded.

168. Grady Faulk, Pineville, spoke in favor of the resolution.

169. Baxter M. Walker, Fayetteville, spoke in favor of his amendment. The vote was taken on the amendment with the result that it was lost. The vote was taken on the resolution, as presented, and it was carried.

170. Jack R. Noffsinger, Winston-Salem, in behalf of the Committee on Resolutions, presented the resolution originating in the committee concerning television [see Item 130 above]. The motion was carried.

171. Mrs. W. K. McGee, Winston-Salem, in behalf of the Committee on Resolutions, presented the resolution concerning morality in government [see Item 66 above] submitted by Charles B. Deane, Jr., Rockingham. The motion was carried.

172. Grady Faulk, Pineville, in behalf of the Committee on Resolutions, presented two resolutions as substitutes for the resolutions on alcohol legislation originally submitted by B. J. Morris, Boger City, and Coy C. Privette, Kannapolis [see Items 70 and 89 above] as follows:

Whereas, the citizens of N. C. have decisively defeated liquor-by-the-drink by a margin of 70-30 percent;

Whereas, it has become evident that the citizens of N. C. do not want further liberalization of liquor laws;

Whereas, the defeat of the controversial LBD legislation was accomplished by the concerted efforts of a great host of churches of different denominations and the involvement of responsible laymen;

Whereas, this body has not granted an increase in the financial support to the Christian Action League since 1962 even though its program and scope of influence has greatly been expanded in recent years;

BE IT THEREFORE RESOLVED THAT THE N. C. BAPTIST STATE CONVENTION MEETING IN GREENSBORO, N. C., DO HEREBY:

1. urge the Division of Christian Life and Public Affairs to join with the inter-denominational Christian Action League in working for the clarification of brown-bagging legislation with a view that would result in the decrease of consumption;

2. urge the adoption of legislation that would require more ABC officers than the present 84 in order to give better supervision and policing over the current 21,039 permits;

3. that we encourage legislation to forbid advertising of alcoholic beverages on radio, television, newspapers, and billboards [see amendment in Items 175 and 176 below] in North Carolina;

4. that fifty cents per gallon on alcohol sold in North Carolina be collected and used for the rehabilitation of alcoholics in North Carolina;

5. urge citizens to become more observant of the courts' disposition of drunk driving cases and create community concern toward this problem,

6. commend Governor James E. Holshouser, Jr., and the Department of Transportation for the promotion of Highway Safety Sunday on October 21, 1973, which provided an opportunity for the church to make our people more aware of moral problems concerning highway safety, and we urge the governor to make this observance a major program during his administration;

7. that this Convention look with favor upon the increasing of the Convention's allocation for the N. C. Christian Action League [see amendment in Item 174 below].

Whereas, there is a growing concern in N. C. about the needless slaughter of innocent people on the highways due to drinking drivers;

Whereas, according to analysis by the U. S. Department of Transportation, there were 55,000 deaths on our highways last year and 27,000 of these were alcohol related and 19,000 of these were caused by what the department called "problem dependent" drinkers (alcoholics and heavy drinkers); and

Whereas, there has been prevalent in some areas of our state leniency pertaining to the courts in the handling of drunk driving cases where individuals are allowed to plead guilty to lesser offenses or are granted other special considerations;

THEREFORE BE IT RESOLVED:

That we encourage the N. C. House of Representatives to approve Senate bill 89 which will provide strong, mandatory legislation to revoke the license of drivers who show .10 per cent or higher on the breathalyzer test.

173. President Freeman asked for common consent to vote on the two separately.

174. Woodrow W. Robbins, High Point, made a motion to amend the first of these two resolutions by adding: "and 8. that we call upon the Federal Government to require a warning placed on all alcoholic beverage containers, warning people of the nature and danger of using alcohol as a beverage." The motion was seconded and carried.

175. Hunter Church, North Wilkesboro, made a motion to amend the first of these two resolutions by adding the word "magazines" to the list of media in item 3. The motion was seconded.

176. B. J. Morris spoke in opposition to the motion to amend, saying that legislation in North Carolina could not effectively control what is included in magazines published outside the state. The vote was taken on the motion to amend, and it was carried. The vote was taken on the first resolution, as amended, and it was carried. There was no discussion on the second resolution. The vote was taken on the second resolution and it was carried.

177. Mrs. Ernest W. Glass, Charlotte, in behalf of the Committee on Resolutions, presented the resolution originating in the committee concerning war [see Item 130 above]. The motion was carried.

178. Mrs. Dale R. Martin, Lexington, in behalf of the Committee on Resolutions, made a motion that the following resolution originated by the committee be adopted:

Whereas, the 143rd Annual session of the Baptist State Convention of North Carolina approaches the conclusion of its meeting challenged by the theme, "Sharing Christ through His Word," and

Whereas, we are indebted to the various committees and personalities for arranging and conducting the 143rd session of our Convention, and

Whereas, we express gratitude to the host city of Greensboro and its citizens for making available the physical facilities both for our deliberative assembly and for our personal accommodations;

NOW, THEREFORE, BE IT RESOLVED,

(1) that we commit ourselves to the theme, "Sharing Christ through His Word," and

(2) that we be bound to Him as our personal Savior and Lord, superseding any doctrine, ideas, or methodology that should divide us, and

(3) that we commend President Tom Freeman for courageous, forthright leadership and statesmanship, together with the Vice

Presidents, Allen Bailey and Ray Benfield, and our General Secretary-Treasurer, Dr. W. Perry Crouch, and

(4) that we thank Councilwoman, Mrs. Mary Seymour, the citizens of Greensboro who have made the Convention enjoyable and convenient, and members of the press, radio and TV who have reflected our Convention through their media with wide coverage.

The motion was seconded and carried. The Committee on Resolutions was composed of: C. Gene Booker, Robbins; Robert E. Gray, Edenton; Mrs. Dale Martin, Lexington; Miss Phyllis D. Thomas, Burlington; Mrs. Ernest Glass, Charlotte; Marion E. Parker, Troy; Mrs. W. K. McGee, Winston-Salem; J. R. Noffsinger, Winston-Salem; Milton Boone, Wilmington; L. D. Holt, Raleigh; Ralph E. Jones, Jr. Graham; and Grady Faulk, Pineville, Chairman.

179. President Freeman announced that as of 10:30 this morning there were 3,403 messengers and 247 visitors for a total of 3,650 registrations.

180. T. Robert Mullinax, Raleigh, Executive Secretary of the Council on Christian Higher Education, presented the report of the council as found on pages 165-180 of this Annual. He spoke of the significant work of our colleges and university, and then took note of the significant relationship between the Baptist State Convention and the seminaries of the Southern Baptist Convention. He introduced Duke K. McCall.

181. Duke K. McCall, Louisville, Kentucky, president of Southern Baptist Theological Seminary, addressed the Convention on the subject "Sharper Than Any Two-edged Sword." W. O. Carver, at age 85, said "my Bible" was once only what my mother told me; later it grew to include "God is love"; then it grew to include much more, but "my Bible" has never become as big as "*the Bible*" and my purpose for the rest of my days is to expand "my Bible" to include more nearly all that is in "*the Bible*." Hebrews 4:12 instructs us concerning the remarkable function of the Bible in our human situation, but until the Holy Spirit makes the written word to become the living word of God for our hearts we will misunderstand it and fail to receive its benefit. Without the Holy Spirit, no theory of inspiration will be adequate for the reader or the scholar.

182. President Freeman expressed appreciation to various committees of the Convention, to the pages, Robert Clegg, Sylva, and Doug Scott, Greensboro, to Miss Ruth Williams, secretary to W. Perry Crouch, and Mrs. John Williams, secretary to Robert Bruhn. He also expressed appreciation to Recording Secretary Lamar J. Brooks, to Assistant Recording Secretary Ted W. Williams, and to Parliamentarian James M. Bulman.

183. The time for Miscellaneous Business having arrived, M. O. Owens, Jr., Gastonia, read the two proposed amendments to the Constitution which he had previously had published in the *Biblical Recorder*, as follows:

1. To amend Article III, Authority, by the addition of the following new paragraph: "At the same time, the Convention reserves to itself the authority and right to stipulate and set forth the conditions and requirements for affiliation of churches with the Convention. These requirements may be of a doctrinal, ethical or co-operative nature, as the Convention may deem necessary. Churches which do not meet the requirements placed in the constitution may not send messengers to, nor may their messengers be seated by the Convention; nor shall any member from such church, nor any unimmersed person, serve on any Convention board, committee, commission or agency."

2. To amend Article IV, Composition, by the addition, after the words "purpose and work," of the following:

"and which is Baptist, accepting the New Testament as its authority in all matters of faith and conduct, and practicing believer's baptism by immersion only, thus consisting of immersed professed believers in Jesus Christ (excepting where a professed believer's immersion is prevented by physical disability). A church which accepts into full membership any person who has not been immersed for any reason other than physical disability shall be deemed by such action to have severed its affiliation with the Baptist State Convention. (This provision shall not apply to the action or status of persons or churches prior to November 14, 1973. Churches which have in their membership unimmersed persons accepted into membership before November 14, 1973, shall be in fellowship and remain affiliated with the Convention after the above date, provided they accept no other persons who have received only sprinkling or affusion.)"

Owens requested permission of the body to withdraw the proposed amendment to Article III.

184. President Freeman asked if we have common consent for this request. There was no objection voiced.

185. M. O. Owens, Jr., Gastonia, requested that the amendment to Article IV be considered and that George H. Wallace, be permitted to make an amendment.

186. George H. Wallace, Archdale, made a motion to amend the proposed change in Article IV, by substituting in lieu of the words ". . . deemed by such action to have severed its affiliation with the Baptist State Convention," the following: "considered not in full fellowship with the convention. They will be welcome and urged to attend the annual meeting of the convention and to support any object of the convention they deem worthy of their support. But as long as they continue to receive members who have not been immersed they may in no way participate in the policy-making or business affairs of the convention."

The motion was seconded and George H. Wallace spoke in favor of it.

187. Mack M. Goss, Winston-Salem, rose to a point of order, to

inquire as to whether this proposed amendment does not in fact add to the original proposed change and should therefore be ruled out of order.

188. President Freeman ruled that this does not materially change the proposed amendment.

189. John M. Lewis, Raleigh, spoke in opposition to the motion to amend the proposed change and expressed the view that it should be ruled out of order.

190. President Freeman, with the advice of the Parliamentarian, ruled that the Wallace amendment is out of order and we are now ready to deal with the Owens amendment. President Freeman asked the body by common consent to sustain him in imposing a five-minute limit on each speaker.

191. M. O. Owens, Jr., Gastonia, spoke in favor of his proposed change in Article IV, expressing his conviction that we must draw a clear line of distinction which has not been achieved by actions within recent years.

192. Cecil E. Sherman, Asheville, spoke in opposition to the motion, stressing the major differences between Baptist churches and Baptist conventions, and stating that the basic problem with the proposed change is that it would turn the Convention into a church-type organization.

193. James R. Deloach, Charlotte, spoke in favor of the motion, citing the Jerusalem conference in the Book of Acts as scriptural grounds for the practical approach now being recommended.

194. John M. Lewis, Raleigh, spoke in opposition to the motion, stressing the historical Baptist principle of voluntary cooperation of churches in associations and conventions, with no Baptist body telling another what to do. This is what our present Constitution does.

195. A. L. Benton, Swansboro, spoke in favor of the motion, stressing that if we love Jesus we will keep his commandments.

196. Brock Henry, a student in Southeastern Baptist Theological Seminary, but not a messenger, asked for the floor.

197. President Freeman asked if the body would give common consent to hear a visitor. There was objection. Brock Henry said he had a messenger who would read his comments, and President Freeman ruled that this was permissible.

198. Robert E. Seymour, Chapel Hill, read the statement of Brock Henry.

199. President Freeman ruled that this is a resolution not clearly in favor of or in opposition to the issue, and that if he had known this in advance, he would have spared the Convention from having it read.

200. William H. Westphal, Greensboro, spoke in opposition to the motion, stressing the danger of an action which has the aura of ex-communication about it, and this is repugnant to the Baptist spirit.

201. Andrew P. Webb, Sylva, spoke in favor of the motion, stress-

ing the idea that the Convention is an autonomous body, just as the churches are autonomous.

202. Carl E. Bates, Charlotte, spoke in opposition to the motion, stressing that the proposed change confuses the issues of baptism by immersion on the one hand and the autonomy of the local church on the other hand, so that the wording of the proposed change would force him to violate his convictions on one or the other.

203. Robert E. Gray, Edenton, rose to a point of personal privilege to ask the proposers of the change to answer two questions, as to how many other churches are considering such a change, and whether they are proposing a church council type Convention.

204. M. O. Owens, Jr., Gastonia, said he could name several other churches considering this and had heard estimates as high as two hundred.

205. J. A. Richardson, Salisbury, rose to a point of order to inquire if there is now any requirement placed upon messengers.

206. Parliamentarian Bulman read the requirements from Article IV of the Constitution.

207. Robert M. Tenery, Morganton, moved the previous question. It was seconded.

208. John M. Lewis, Raleigh, rose to a point of order to make clear that the Constitution of the Convention, Article IV, does not now tell a church what to believe. The vote was taken on the previous question and it was carried by a two-thirds standing vote.

209. President Freeman announced that we will vote by secret ballot. Ballot number 1 will be used.

210. A. Leroy Parker, Greensboro, explained the use of the ballot and the plans for gathering and counting the ballots.

211. M. O. Owens, Jr., Gastonia, at the request of President Freeman, re-read his proposed change in Article IV of the Constitution. The ballots were marked and collected.

212. President Freeman read telegrams of fraternal greetings from the Virginia Baptist Association and the Louisiana Baptist Convention. He announced that we are still in a Miscellaneous Business period.

213. Albert C. Helms, Lincolnton, asked the messengers to give a rising vote of thanks to President Freeman.

214. Kay M. Huggins, Raleigh, urged messengers to help young people attend the Baptist Youth Conference in Portland, Oregon, July 31-August 4, 1974.

215. President Freeman asked the newly-elected president and two vice presidents to come to the platform to be recognized. They came to the platform. President Freeman congratulated the Convention upon the leaders it has elected.

216. Coy C. Privette, Kannapolis, newly elected First Vice-President spoke words of appreciation.

217. Charles B. Deane, Jr., Rockingham, newly-elected Second

Vice-President, expressed appreciation and spoke concerning his father's long years of service to the Convention.

218. President-elect Allen A. Bailey, Charlotte, introduced Mrs. Bailey and paid tribute to her. He then expressed appreciation for the Convention's confidence.

219. General Secretary-Treasurer W. Perry Couch, Raleigh, asked Mrs. Tom M. Freeman to come to the platform to receive our gratitude for the great contribution she has made to our work.

220. President Freeman talked about how he and Mrs. Freeman met and how they have worked together.

221. General Secretary-Treasurer W. Perry Crouch, Raleigh, urged the messengers to support the various causes of the Convention.

222. Ernie E. Mitchell, New London, was given the privilege of reading to the Convention, without asking for a vote, a resolution concerning various moral problems in our society and the strengthening of the work of the Council on Christian Life and Public Affairs. It was received as information.

223. Charles S. Gatwood, Cary, led the Convention in singing "Amazing Grace."

224. A. Leroy Parker, Greensboro, announced that the vote on the proposed change in Article IV of the Constitution is 1,248 for and 1,307 against.

225. President Freeman announced that the proposed change to Article IV of the Constitution has been defeated. He urged a spirit of cooperation among the churches, and expressed appreciation to Parliamentarian James M. Bulman.

226. A motion to adjourn was made from the floor, seconded and carried by standing vote.

227. President Freeman pronounced the benediction and declared that the 143rd annual session was adjourned.

REPORT
OF THE
GENERAL BOARD
OF THE
BAPTIST STATE CONVENTION
OF
NORTH CAROLINA

*Including Reports of Institutions and Agencies of the
Convention, Reports of Standing Committees, and
the Report of the Woman's Missionary Union.*

TO THE

ONE-HUNDRED FORTY-THIRD ANNUAL SESSION
WAR MEMORIAL AUDITORIUM
GREENSBORO
November 12-14, 1973

1. FOREWORD

We approach the end of 1973 with optimism and courage. Many of our churches have shown real advance this year. The lay witnessing movement seems to have challenged the men of our state. The Brotherhood Department has involved hundreds of men and boys across the state in mission action. We believe that we will show a good increase in baptisms and Sunday School attendance, when the statistics for the year are complete.

The Cooperative Program has shown a consistent increase of nine to ten percent over last year. All of the special offerings show an increase, with special emphasis on State, Home and Foreign Missions. A number of our strong churches are paying off their building debts, created during the fifties, and will now give more attention to mission gifts through the Cooperative Program. It has been disturbing to notice that the percentage the churches have given to the Cooperative Program out of the dollars received by the churches from their people has been dropping during each of the past five years. For instance:

- in 1969 the average percentage the churches gave to the Cooperative Program was 8.55 per cent
- in 1970 it was 8.34 per cent
- in 1971 it was 8.05 per cent
- in 1972 it was 7.97 per cent
- in 1973 it was 7.91 per cent.

We hope our churches will reverse this trend during the next five years. Of course, there has been an overall dollar increase during this time.

The three-year program of "Together We Advance" has had an excellent beginning in 1973, and we earnestly hope that many of our churches will seriously consider the program for these next two years, moving toward the 50th anniversary of the Cooperative Program in 1975.

During 1973, we have been in process of adding a new wing to our Baptist Building. This addition does not represent an enlargement of the staff, but to relieve crowded conditions in our present building, and to add some needed facilities such as more conference rooms, rest rooms, a lounge, a Radio-TV-Visual Aid Studio for production of films, tapes and other audio-visual aids. The building is due to be completed in January and dedicated during the General Board meeting January 29-30, 1974.

A long-range planning committee has begun a careful study of the North Carolina Baptist Assembly (Caswell) under the guidance of a professional planner. They will bring long-range plans back to the Convention by 1975.

We continue to be pleased with the large numbers of young people involved in special summer activities such as the Youth Corps, Apostoloi, Resort Mission groups, counselors at Mundo Vista, Cara-

way and Truett Camps and staff members at North Carolina Baptist Assembly (Caswell). In addition a number of young people were employed directly by churches for the summer. Also, our Youth Coordinator, Davis Bowen, works with staff members in planning a strong youth program on a year-round basis.

We continue to be grateful for the excellent cooperation among the presidents and administrative leadership of our colleges, social service institutions, and other agencies and the staff of our Convention in undergirding all of the work of our Baptist people. We truly work together in a spirit of cooperation.

This year marks the beginning of the first full-time director of the Council on Christian Life and Public Affairs, Charles Petty. Dr. Petty began his work with us the first of March, and has already endeared himself to the Baptist people of North Carolina. We believe this Council will furnish real moral and spiritual leadership to our people in the years to come.

The General Board report has a recommendation concerning the proposed Conference Center at Caraway. The increase in the State Mission offering provides the hope for the center.

This year I am completing ten years of service as your General Secretary-Treasurer. I have had the privilege of participating in these years of good growth and development. I am grateful for your love and support and I promise my best effort during the time which I am privileged to serve North Carolina Baptists.

W. PERRY CROUCH

General Secretary-Treasurer

II. GENERAL BOARD REPORT AND RECOMMENDATIONS

TENTATIVE GENERAL BOARD REPORT TO THE CONVENTION 1973

In January there is always a re-organization of the Executive Committee and this past January the following became members of the Executive Committee for 1973:

John Lewis, *President*

Billy Mobley, *Vice President*

Tom Freeman, *President, Baptist State Convention*

Allen Bailey, *First Vice President, Baptist State Convention*

Ray Benfield, *Second Vice President, Baptist State Convention*

Hoke Coon, *Chairman, Council on Christian Life and Public Affairs*

Dewey Hobbs, *Chairman, Church Programs Committee*

LeRoy Parker, *Chairman, Evangelism Committee*

Gene Watterson, *Chairman, Council on Christian Higher Education*

Joe Burnette, *Chairman, Missions Committee*

Gene Booker, *Chairman Social Services*

Mrs. W. K. McGee, *Member-at-large*

Howard Holly, *Member-at-large*

Ed Renfrow, *Member-at-large*

Clyde Davis, *Member-at-large*

Rollin Burhans, *Member-at-large*

This has been a good committee and the members have worked together with an excellent spirit of cooperation.

MISSION MATTERS

One of the greatest parts of the General Board Program is the Division of Missions. This includes many types of work. In the January Executive Committee meeting total Urban Pastoral Aid approved was \$43,929.00. Urban Lot Aid received a total of \$27,500 by request the same meeting. Rural Pastoral Aid was granted \$45,816 and Rural Lot Aid \$10,000. Financial assistance to associations for special projects was approved and a sum of \$75,684 granted for this purpose. These requests always come in at the beginning of each year and this constitutes a great part of the Missions Committee work prior to the January Board meeting. Many other small loans were approved during the year to help small churches with their building programs.

In March a Coordinating Committee for Counseling Services was appointed and assigned the responsibility of studying the counseling services available in North Carolina. The committee was asked to put their report in the form of a brochure which could be distributed among North Carolina Baptist pastors. The brochure would be designed to assist pastors in helping meet the needs of people in the local churches. This committee has been working but has not completed a brochure for distribution at this time.

The Department of Interracial Cooperation requested permission to change their title from "Interracial Cooperation" to "The Department of Cooperative Ministries With the General Baptists." This title more accurately describes the work of the department. Approval was given to Wake Forest University to conduct a Capital Gains Campaign which would not obligate the Convention budget nor offer any hindrance to the Cooperative Program.

Fees for Fruitland Bible Institute have been increased slightly this year, which should be helpful in meeting operating expenses. The Institute continues to do excellent work in training older men who respond to a call to the ministry, but have not had opportunities for advanced training. The average enrollment is about 215 per quarter. In April the W. Perry Crouch Classroom Building was dedicated at Fruitland with an appropriate plaque indicating it replaced the old A. I. Justice Classroom-Chapel Building destroyed by fire on August 30, 1971. The new building is attractive, functional and modern in its many appointments, thus enhancing the total program at Fruitland.

An area missionary for Region 7 began work on May 1, and is proving to be an excellent addition to the field staff. He is helping coordinate the mission work in that area and helping meet needs for leadership.

CHURCH PROGRAMS

The Caswell Long-Range Planning Committee has been meeting during this year, studying the needs at the Assembly. A recommendation was brought to the General Board that an Assembly and Camp Planner be employed to study the present buildings along with the programs and bring a recommendation concerning the changes needed in the facilities. The architect, Mr. Charles Stott, will draw up a suggested plan for the future development of the assembly, and present it to the Long Range Planning Committee. Mr. Stott will be working in cooperation with Dr. Nathan Brooks, Director of the Division of Church Programs; Dr. W. Perry Crouch, General Secretary-Treasurer; Mr. Fred Smith, Manager of the Assembly; and Mr. Charles Storey, chairman of the Long Range Planning Committee. When these plans are complete they will be presented to the General Board, and through the Board to the Convention.

Miss Geneva Nell Metzger was elected to become Baptist Chaplain at UNC-Greensboro. She assumed her responsibilities in March, and is the only lady holding a position of this type with the Convention. She is doing an excellent job coordinating her work on the campus and with the local churches in Greensboro.

The Department of Church Ministries and Training requested permission to discontinue one position in their department. The associate who held this place resigned to do some further study in her field. The Department and Division Directors felt that a re-distribution of responsibilities would make it possible to eliminate this position altogether. The Executive Committee approved this request

and the shifting and re-organizing of responsibilities is working very successfully.

In June the Executive Committee authorized the General Secretary-Treasurer, the Director of Church Programs, Director of Campus Ministries, Chairman of the Church Programs Committees, and the Chairman of the Executive Committee to confer with local representatives concerning the possible sale of the Student Center at Duke University on Alexander Avenue in Durham. This request was approved, and the matter is being negotiated now.

Dr. Nathan Brooks, Director of the Division of Church Programs, has been approached by Southeastern Seminary to teach a course in Church Administration during 1974. The Executive Committee authorized Dr. Brooks to proceed with the course, believing this is an excellent way to tie the Convention staff in with the seminary and keep contact with students. It would also provide a practical course in Church Administration for the students. The Executive Committee authorized the Reverend Bill Lamb to continue with a course in Evangelism during the spring semester at the seminary.

In January, Richard Smith was elected to become associate to Mr. Leon Spencer, Director of the Division of Business Management. Mr. Smith was elected to assume the new position on July 1, 1973, and was instructed to complete courses in bookkeeping and accounting during the year. On January 1, 1974, Mr. Smith will become Director of the Division of Business Management, filling the vacancy created by the retirement of Mr. Leon Spencer, on December 31, 1973.

This created a vacancy in the Department of Church Building-Planning. During the August Executive Committee meeting, Mr. Jack Clark, Associate in the S. S. Department, was approved to become the Director of Church Building Planning.

STUDY LEAVE FOR STAFF MEMBERS

Continuing education is something all field staff have to keep in mind in order to be most efficient in their fields. Study leave has been approved by the Executive Committee for three field staff members for the next two years. They are as follows:

Joe Stroud will be studying in England for three months from September through the first week in December, 1974.

Bill Lamb will begin study on his doctor of ministries degree in 1974, doing four weeks of study at Southeastern Seminary in 1974, and 8 weeks of study during the summer of 1975.

Cleve Wilkie, Associate in Stewardship Promotion, will be studying for eight weeks at Southwestern Seminary during the summer of 1974. Arrangements have been made with his co-workers to keep the work going during his absence.

All of these requests for study leave are in accordance with the General Board policies concerning continuing education for field staff members.

GENERAL MATTERS

New Salary Scale

After extensive study by a special committee a new salary scale was adopted for the staff members at the Baptist State Convention. North Carolina is still woefully behind many conventions while at the same time it is comparable to others. The new scale is scheduled to cover the years 1974-1975.

McPheeters Property

In January, 1973, the Executive Committee approved the purchase of a lot, known as the McPheeters property, adjacent to the new parking lot on Morgan and Dawson streets. The property has been purchased, the old house demobilized, the surface leveled and paved. It is now being rented, and the income will go toward paying the interest on the loan that covered the purchase. This lot was purchased as a guarantee against future parking needs at the Baptist Building.

Transfer of Stewardship Promotion Department

In January the Stewardship Promotion Department was transferred from the Division of Church Programs to Administration. This was done to keep Stewardship and Cooperative Program Promotion close together. It has proved to be a very wise and successful move.

General Board Changes

There are always several changes in the General Board membership during a year's time. This year the following were elected to serve unexpired terms for members who moved away, or resigned for personal reasons:

Mr. James Madison, Brier Creek Association

Mr. Ira Chadwick, Brunswick Association

Mrs. Ed Corpening, Cheoah Association

Mr. Earl Ownesby, Kings Mountain Association

Mr. Carl Benfield, Region 9

Mr. J. D. Helms, Union Association

Mr. John Arch, Cherokee Association

These men were elected by the Executive Committee for the balance of 1973, and the unexpired terms will be suggested by the Nominating Committee at this Convention.

Services Rendered Committee

The Services Rendered Committee has met several times this year. The following proposals were brought to the Executive Committee and General Board for approval:

1. A request from Meredith College for permission to begin a program of Continuing Education. This program under HEW providing a director for a program of continuing education provides no capital

gains to the college. The funds pay for a director who supervises students in the on-the-job training in connection with certain academic courses. This program is identical to one approved for Mars Hill College in October, 1972.

2. A second request was for a National Science Foundation Grant. This is a National Science Foundation Grant providing funds for a supervisor and student help for the improvement of a park area near the college serving the whole Raleigh Community. No financial gain accrues to the college in this program. Both of these proposals satisfactorily met the 12-point guidelines used by the committee in harmony with Article II, Section D of the Constitution of the Baptist State Convention, and both were approved by the General Board.

3. The third request was also from Meredith College, and concerned the "Project Upward Bound." This is a project under the Higher Education Act administered by HEW in an effort to motivate low income, disadvantaged high school students to pursue their educational career beyond high school. The program include tutoring, remedial courses, personal counseling and field trips to acquaint the student with an enlarged dimension of the culture in which he lives. No financial advantage accrues to Meredith in this project. The Executive Committee and Board gave approval to this proposal.

Appointment of Committee of 11

It was during the January meeting of the General Board that the Convention president announced his appointment of the Committee of 11, authorized by the 1972 Convention to study the Baptismal issue. The following served on this committee:

John Lewis, Billy Mobley, Allen Bailey, Tom Freeman, M. O. Owens, Henry Turlington, Lois Edinger, Wendell Davis, Mrs. Alfred Stancil, Foy Martin and Ray K. Hodge.

As you know from the report in the *Biblical Recorder*, this committee has met several times during the year, and the report has been published in the *Recorder*.

Steering Committee for Convention Conference Center

In June the Executive Committee approved the appointment of a Steering Committee for the Convention Conference Center at Caraway. In January the Board approved a goal for State Missions of \$500,000. All above \$250,000 was to go toward the Convention Conference Center to be built at Caraway. This would be a hotel type lodge with conference rooms, dining room and bath-bedroom combinations. The building would house approximately 100 people with conference space for 300. It would be winterized so church groups could use it for conferences the year round. The names of those appointed to serve on a committee for the promotion of this project are listed below:

Building Sub-Committee

Dr. Fred Graham, *Chairman*
 Mrs. Knolan Benfield
 Mr. Joe Burnette
 Mrs. Claude Gaddy
 Mr. Troy Hamrick
 Mr. James Marchman

Personal Gifts Sub-Committee

Mr. Al Lineberry, *Chairman*
 Mr. Robert H. Allen
 Mr. E. Lee Cain
 Dr. Claude Frazier
 Mr. Bobby Murray
 Mr. Russell Walker

Staff Members to serve on this committee

Mr. Bill Jackson
 Dr. Nathan C. Brooks, Jr.
 Dr. W. Perry Crouch

Promotion Sub-Committee

Mr. Ray Myrick and
 Mr. Ed Coates, *Co-Chairmen*
 Mrs. Hoyle Allred
 Mr. Aldine Angline
 Mr. Grady Griffin
 Mr. Everette Henry
 Mr. Bob Hewitt
 Mrs. Carl Lewis
 Mr. J. C. Shore

Staff Members to Serve on This Committee

Mr. Bill Boatwright
 Mr. Ed Bullock
 Miss Sara Ann Hobbs

This committee has met and set up tentative guidelines to govern the plans made for this building. An architect has been employed to draw preliminary plans for the building. These plans were presented to the General Board in June, and received full approval. (You will have opportunity to vote on this project during the recommendations from the General Board.)

Basic plans for the promotion of this project in conjunction with the state missions offering are being carried out by one of the sub-committees. Up to this time, the response has been excellent across the state.

Missionary in Residence

The North Carolina Baptist State Convention has never used a missionary in residence as a part of the full staff before. This year, through Cooperative Program Promotion, Mr. Robert Hensley, on furlough from the Bahama Islands, will be working with Mr. Tom Greene throughout North Carolina in the Promotion of the Cooperative Program. The Foreign Mission Board will continue to pay the salary of Mr. Hensley but he will work with the North Carolina Convention during this furlough. This is a first, and already has proved to be very successful.

Superintendent of Building and Grounds

In June the Executive Committee and General Board approved the creation of a new position for full-time employment. For several years the Business Manager has been charged with the responsibility of supervising all building and grounds and maintenance of these areas. The work has grown to such an extent that it now takes all of his time in the business office. As Convention employees move into the new wing there will be even more space to maintain, and the Executive Committee felt the only wise move was toward a full-time superintendent of building and grounds. Mr. Bob Riley who is now filling this position has exceptionally good qualifications for this type work. He has been on the job since October 1, and is making a real contribution to the smooth running of the Baptist Building.

Graphic Artist for Public Relations

A recommendation was presented to the Executive Committee in June for approval of a graphic and lay-out artist for the Department of Public Relations. This person would assist in all printing layout and design. He would work with each department submitting materials to be printed, getting their ideas and suggestions, and then work out a design acceptable to the materials. This will help cut costs of printing and lay-out artists. This request was approved, but the person has not yet been found to fill the place. It is hoped such a person can be found and ready to go to work by January 1, 1974.

During the course of this year, requests to borrow have come from three of the Christian Higher Education institutions. They are: Chowan College, Gardner-Webb College, and Wake Forest University. You will hear about these requests during the recommendations. You will also be given opportunity to vote on these requests.

Director for Council on Christian Life and Public Affairs

For several years we have had an excellent Council on Christian Life and Public Affairs. The first several years of the life of the Council our General Secretary served as Director. Last year this Convention approved a budget that made it possible to move toward securing a full-time Director.

In January the Executive Committee interviewed Dr. Charles Petty for this position. Dr. Petty was serving at that time on the Christian Life Commission in Texas. Dr. Petty joined the North Carolina Convention staff on March 1, 1973, and has been doing an excellent job leading out in this division of work since that time.

Evaluation of General Secretary-Treasurer's work and health

At the September meeting of the Executive Committee the constitutional requirements concerning an evaluation of the General Secretary's work and health were read. A letter from Dr. A. Ted Hill, Jr., Asheville, N. C. indicated that a thorough physical exami-

nation revealed the General Secretary to be in excellent health, and the committee considered his work beyond reproach. It was the unanimous decision of the Executive Committee to ask the General Secretary-Treasurer to remain with the Baptist State Convention of North Carolina for another year. The action of this committee, along with the letter from Dr. Hill, are a part of the minutes, stored in the vault in the Baptist Building, Raleigh.

New Wing on Baptist Building

The work on the Baptist Building is proceeding according to schedule. The Building Committee met during July and authorized the purchase of furniture for the new building and appointed a sub-committee to work with members of the staff to select it. The furniture has been ordered, in keeping with funds provided in the contract.

The Building Committee suggests that the new addition be dedicated in connection with the January General Board meeting. The program and time schedule will be mailed to members of the General Board.

Dr. David L. Smiley Elected to write 50 years of N. C. History

During the year the Historical Committee recommended that Dr. David Smiley, professor of History at Wake Forest University, be commissioned to prepare a history of the N. C. Baptist State Convention for the last fifty years, in celebration of the 150th Anniversary of the organization of the Convention. The Executive Committee approved the recommendation, and Dr. Smiley has accepted the responsibility.

We are grateful for the faithful service of all members of the General Board who serve on many committees during the year. We are especially grateful to members of the Executive Committee who give long hours each month to the continuing operation of the Baptist State Convention. We are encouraged by the spirit and support of our people and churches through the state and trust we have been good stewards of the responsibilities placed in our hands during the year.

III. PROGRAMS OF WORK

A. ADMINISTRATION

I. Department of Stewardship Cooperative Program Promotion

R. TOM GREENE, *Director*

The aim of this department is: the promotion of biblical stewardship which leads to persons growing in the grace of giving so that the needs of people may be met through the local church program, the associational program, and the Cooperative Program. The work during the past twelve months may be divided as follows:

I. LEAFLETS

We have developed and distributed leaflets, posters, and programs as follows: 299,000 basic Cooperative Program leaflets and posters plus 708,000 other leaflets, programs, and booklets on Stewardship and the Cooperative Program.

II. SEMINARS

We held Mission Advance Seminars for certain denominational leaders from the area of each association. During the seminars we:

1. Explained and distributed the latest materials for teaching scriptural stewardship.
2. Received the wise suggestions from these leaders.

III. WORKSHOPS

Two kinds of workshops were conducted during the past year, namely:

A. Associational and local church workshops dealing primarily with *budget preparation* (including pastors and staff salaries) and the *promotion of the budget* plus increased tithers and the giving of a *report* showing where the churches stood in *their goals* of Cooperative Program and associational mission's giving.

B. Mission Advance Workshops were held for the pastor and treasurer of each church in five associations. A speaker was secured on the Cooperative Program on the following Sunday in each church requesting this service.

The purpose of both kinds of these workshops was:

1. To challenge the leaders of each church to use the latest and best Stewardship methods, materials, and techniques to increase their budgets, to find larger financial resources to meet the local and associational and Cooperative Program needs, to deepen the spiritual lives of the people by helping them to become better stewards.
2. To increase support for associational missions, and
3. To give encouragement to these leaders and offer our services to the limit of our time and talents to aid these leaders in their aim of mission advance through the Cooperative Program for the benefit of carrying out the commission of our Lord through the churches where they serve.

IV. ARTICLES, ART AND REPORTS

We wrote articles, developed art and furnished pictures on Stewardship and Cooperative Program for the *Biblical Recorder* in cooperation with Mr. Marse Grant, editor. We published in the *Biblical Recorder* Cooperative Program giving of each church as well as the division of the Cooperative Program dollar. We wrote articles on the Cooperative Program for each issue of *Charity and Children* in cooperation with Mr. Charles Hodges, editor. We wrote an article each month on the Cooperative Program and associational missions in cooperation with the Superintendents of Missions, Moderators, Stewardship-Cooperative Program Chairman, annual as-

sociational program chairman, and the Convention's General Board members for publication in their bulletins.

We wrote an article each month for the "Newsletter from the desk of General Secretary-Treasurer." This article was in the form of a Missionary illustration.

V. HELP FROM THE TEN BAPTIST INSTITUTIONS

The ten Baptist institutions (six Baptist colleges, one university, Baptist Childrens Homes, Homes for the Aging, and Baptist Hospital) offered their services to one or more of the leaders in the churches of two associations each. They had the aim of increasing their outreach by greater sharing through the Cooperative Program on the part of each church. Thus, the colleges and the three benevolent institutions used their talents and time to benefit the churches in 20 associations.

VI. REGIONAL CONSULTANTS

The Regional Consultants offered their services to each association in the state, each pastors conference and each church in their own region.

The ten Regional Cooperative Program Consultants, without pay, met for two days in Raleigh in a workshop in the Stewardship and Cooperative Program and in addition to the offer of service referred to above, led many individual conferences, contacted each pastor and denominational officer concerning increased Cooperative Program giving, enlisted twenty associations to conduct a Mission Advance Phone Party, talked with the pastor and-or other leaders in 312 churches concerning increased Cooperative Program giving, aided in the promotion and the conducting of three Mission Advance Workshops and Colloquies plus many other things to enhance the work of the Kingdom of our Lord through the Cooperative World Mission Program. The ten Regional Cooperative Program Consultants for 1973 were: Billy Mobley of Ahoskie plus Bennie Pledger of Colerain, Rev. Gordon Conklin of Greenville, Mr. Russell Davenport of Fayetteville, Rev. Lewis Beal of Angier, Rev. W. Amis Daniel of Kernersville. Rev. Marion Parker of Troy, Rev. Fred D. Barnes of Lenoir, Rev. Frank R. Campbell of Statesville, Rev. John H. Knight of Asheville, and the Rev. Willie M. Newman of Bryson City.

VII. REGIONAL MISSION ADVANCE COLLOQUIES

Mission Advance Colloquies and workshops were held in three of the regions. In each case they were promoted by the Regional Cooperative Program Consultant. The purpose of each of these colloquies was:

1. Give a birds-eye view of worldwide involvement of the churches who give through the Cooperative Program.
2. Answer any questions from any of those present concerning Stewardship and Cooperative Program.
3. Give materials to these leaders to meet the needs and to give

encouragement in these churches in their aim of leading their respective churches in a greater outreach for Christ by increased giving through the Cooperative Program.

VIII. ASSOCIATIONAL AND CONVENTION OFFICERS

The associational Stewardship-Cooperative Program Chairmen, with the aid of the Superintendent of Missions, Moderators, Program Chairmen, and the Convention's General Board members and officers of the Convention contacted each church in a majority of the associations in the state to offer their services to the limit of their time and ability in aiding the leadership in each church to advance their aim of a greater outreach in preaching the gospel of Christ around the world through the Cooperative Program. They did this through telephone parties, letters, associational meetings, and other face to face contacts.

IX. OTHER AREAS OF WORK

We have answered the requests of many churches needing special help in the areas of Stewardship and Missions.

Dr. W. Perry Crouch, General Secretary-Treasurer of our Convention, the personnel of other departments in the Convention, the heads of the ten Baptist institutions, the Regional Consultants, and the above named associational and Convention's officers have given wise council and help in all the work of this department. Mr. Harold M. White, Mr. E. C. Wilkie, Missionary-In-Resident Robert C. Hensley, Mrs. Trudy Boggan, and Miss Judi Scarborough have been valuable co-laborers in our common task.

To those above, plus each pastor, plus many other volunteer helpers, we express our genuine thanks for their cooperation. A number of great advances were made during the year which included: 1,138 churches increasing Cooperative Program giving by 10 per cent or more over the previous year, plus the fact that every church in the Anson, Flat River, Tar River, and Yates Associations contributed through the Cooperative Program during the calendar year of 1972.

2. Office of Pastor-Church Relations

BOB BRUHN, *Director*

This past year has seen a marked increase in the provision of informational services for churches as they search for pastors and staff members and for pastors and staff members as they seek places of service.

Pulpit committees are seeking more basic factual items of information prior to engaging in serious involvement with prospective pastors. Churches of all sizes and locations are taking advantage of the confidential information shared through the office of Pastor-Church Relations.

The number of our sister states involved in similar services has now increased to nine, with others giving serious consideration toward the establishment of such an office.

Mrs. Mary Williams serves as secretary of the Pastor-Church Relations Office.

3. Office of Public Relations

WILLIAM H. BOATWRIGHT, *Director*

The Office of Public Relations is directly responsible to the General Secretary-Treasurer in matters of general public relations, relationships with the denominational and secular press, and promotion of the various convention departments, divisions, councils and committees.

The Office is also responsible for the planning and promotion of the annual State Missions Offering (September) and the special emphasis this year of the proposed Caraway Conference Center at Camp Caraway, near Asheboro, N. C.

The Office is responsible for coordinating all convention printing (promotional, etc.) as well as planning special promotional emphases for specific divisions. For example, the Office planned and produced special full color pamphlets for the Division of Mission Ministries, Campus Ministry Department, and Camp Mundo Vista (WMU).

During the past year Mrs. Wilma Coates, office secretary, resigned her position to be able to accompany her husband for a year of special work in Argentina. The Office and its director are indebted to the fine work of Mrs. Coates and wish her the very best in her new endeavors in South America.

4. Office of Statistics and Survey

TED W. WILLIAMS, *Director*

The basic responsibilities of the office have not changed from year-to-year. These responsibilities include: keeping of current mailing lists; preparing the Baptist Diary and supervising its distribution; supervising the publication and distribution of the Convention Annual; conducting, upon invitation, conferences for associational clerks and church clerks; conducting certain statistical studies, and assisting, upon invitation, churches and/or associations in planning and tabulating various types of surveys.

The office keeps in close touch with the Research and Statistics Department of the Baptist Sunday School Board in Nashville and with the clerks of the various associations. This cooperation results in fast and efficient gathering of data for inclusion in the Convention Annual. The office recognizes its dependence on the clerks in the associations and is especially grateful for their spirit of cooperation.

The office is constantly endeavoring to improve its efficiency and service. Mrs. Lafata Lusk is office secretary and Mrs. Avenelle King is pool secretary serving the offices of Statistics and Public Relations.

B. DIVISION OF BUSINESS MANAGEMENT

(See Auditor's Report in the back of the Annual)

C. DIVISION OF MISSION MINISTRIES

HOWARD J. FORD, *Director*

The personnel of the Division of Mission Ministries have been unusually busy this year. The work we do with North Carolina Baptists becomes increasingly more demanding, but we rejoice in the privilege of mission ministry to the people of our state.

It is our conviction that a balanced mission outreach should include associational, state, home, and foreign missions. Furthermore, we believe that in order to obey the Great Commission, we must continue to build a strong home base. Hence the necessity of a vigorous State Missions program.

We engage in a supportive and cooperative ministry with our eighty (80) Baptist associations. Each association receives help in some way to aid the churches or special mission projects. During the past year fifty-six (56) associations have received supplements to their budgets. This figure does not include lot aid, pastoral aid, or loans to the various churches.

During the year Thurman Fox became Superintendent of Missions of the Pilot Mountain Association. On February 1, Manuel Cannup began work as Superintendent of Missions of the Sandy Creek Association. Also this year Robert H. Wainwright began his work in the Flat River Association. Aaron Tyner has resigned as Superintendent in the Union Association; and Floyd Rhyne of the Central Association, has announced plans for early retirement due to failing eyesight.

We continue a cooperative ministry with churches and associations to Orientals, Indians, and Spanish speaking people. In 1973 the division office has helped coordinate plans for twelve (12) World Mission Conferences.

Additional work that the Convention has assigned to the Division of Mission Ministries is divided into eight departments. The reports of our Department Directors follow:

1. Chaplaincy Ministries Department

JOSEPH V. WATTERSON, *Director*

The Department, working within the Division of Mission Ministries, continues to encourage chaplains to view their work with denominational as well as interdenominational perspectives, thus to be love's extended arm for the church. On the whole our Chaplains in every branch of the work seem quite appreciative and responsive.

Too, churches over the State have cordially and responsively received the efforts of the Department toward deepening of awareness of the church's opportunity through Chaplaincy outreach.

The Industrial Chaplaincy continues to move slowly, only one having been added in 1973, with one loss brought about by change of ownership of a motor freight line. Similarly our denomination lost an institutional chaplain by death, but added three on a part-

time basis in Juvenile Correctional Units. These units are strategic since they deal with youth.

The Hospital Chaplaincy was increased by two on full-time basis, with several additions in part-time volunteer work.

The Military Chaplaincy declines because of reduction in the peacetime forces, a situation which we prayerfully hope will continue.

Our work for the year included conferences at Major Military bases, with several ministerial associations and hospital directors interested in the future establishment of chaplaincies or the strengthening of present work, and two with Associational Superintendents of Missions, for the purpose of informing on the modern chaplaincy. Also a successful Chaplains' Renewal Retreat was held in October, a strengthening device now projected annually.

The Department has participated in many Mission emphasis weeks and weekends, Cooperative Program emphases and promotion of special offerings in North Carolina.

Statistical compilation of reports from the nine Institutional Chaplains, paid by our Convention for part-time work follows:

Messages delivered	279
Consultations	434
Bible classes taught.....	66
Miles traveled	11,812
Visits	509

Remarks included in the monthly reports of these chaplains are very heartwarming.

2. City and Metropolitan Missions Department

ERNEST C. UPCHURCH, *Director*

Urban Missions continues to challenge Baptists. The accelerating, revolutionary character of change has made ministry hard if not difficult. Perhaps a part of this is due to the lack of the Christian response to the present challenge. Perhaps another part may be that our attitudinal factors of true perspective are out of focus. Could it be that we have lost the ability to view life as a stewardship rather

than a possession? Or the capacity to see life as dynamic rather than static?

Christianity itself is a movement, not an institution or series of institutions. Christians best refer to themselves as the people of God—persons moving along a life path, growing, maturing, learning, coming of age.

Christians can align themselves with God in ministry in this world. We must hear what God has to say. We should respond to God's summons—get involved! Metropolitan Missions is about the task of helping churches and God's people to find structures through which the uniqueness of God's creatures can be discovered and expressed. We have ministered in Jesus' name. Yet, there are others calling to us to come over and help; in the shopping center ministry, to youth and families in trouble, to weekday missions, to literacy missions, to understanding and sharing Jesus with other faiths, to crossing barriers with the gospel, to people in poverty materially and spiritually, to flexible types of spiritual ministry, to ministries that glorify God. "Why stand ye gazing into the sky? This same Jesus will come again." Get to work *now* in His Name. The people of the city need the gospel too!

3. Fruitland Baptist Bible Institute and Fruitland Baptist Conference Center

1. FRUITLAND BAPTIST BIBLE INSTITUTE

The first week in January, 1973, the new auditorium classroom building was occupied. On April 3, after General Board approval, a dedication service was held during which time the beautiful new do-decagon was formally named in honor of Dr. W. Perry Crouch, General Secretary-Treasurer of the Baptist State Convention of North Carolina.

Throughout 1973 the student body, faculty and staff have been able to function with greater ease and efficiency with the new facility. Even though the size of the student body is still of a necessity limited to approximately 200, the quality of teaching and quality of student response have improved considerably because of the unselfish support of Baptists throughout North Carolina and beyond.

The most recent student survey reveals the following information:

A significant addition to the summer schedule for 1973 was the adding of another week of G.A. Camp. This represents a steady increase in the Girls' program beyond the number that can be accepted at Mundo Vista.

4. Insurance and Annuity Department

SAM H. O'NEAL, *Director*

Retirement plans and retirement benefits were improved during the past year according to Darold H. Morgan of Dallas, president

of the Southern Baptist Convention Annuity Board.

For annuitants on the roll December 31, 1972, income from retirement benefits has been increased permanently by 6 per cent. The more than 7,000 retirees, widows or disabled persons generally receive their benefits monthly.

In addition, shortly before Christmas, 1972, annuitants received "13th checks" which amounted to two extra months' benefits, Morgan said.

About 20,000 participants in Plan A, the basic state convention retirement program for ministers, received two boosts as of January 1, 1973, in the funds they are accumulating for their retirement. First, in late 1972, they received an increase of 10 per cent in their accrued retirement credits. A few months later they received another 8 per cent increase. These increases were made possible because of good experience on investment earnings. "Never before has the Board provided two such increases so close in time to each other," Morgan pointed out.

Further, the Board approved, and state conventions endorsed, an increase in widow benefits under Plan A to 50 per cent of potential or actual retirement benefit; it had been 40 per cent. At the same time, a temporary income benefit under Plan A was established for a widow, child, or dependent parent of members who die before early or normal retirement, or after disability retirement and who meet required participation.

The Board also administers life, health and disability insurance plans for persons serving churches and agencies but does not underwrite the insurance itself.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan (hospitalization) with Blue Cross-Blue Shield to the new plan launched January 1, 1973 with Aetna Life Insurance Company.

The Board, based in Dallas, Texas, reported several records for the 12 months ended June 30, 1973. Funds held in trust for about 38,000 participants total \$336,791,874; benefits paid surpassed \$10 million and investment income reached a new high of \$22 million.

In the Southern Baptist Convention there are 21,477 churches and associations with 24,075 employees currently participating in the Southern Baptist Protection Program. North Carolina has 2,028 churches and associations with 2,407 employees participating. From January through September 20 of 1973 the North Carolina Insurance & Annuity Department enrolled 100 new members in Plan A, 19 in Plan B and 3 in Plan C of the Southern Baptist Protection Program.

5. Department of Cooperative Ministries with General Baptists

CORBIN L. COOPER, *Director*

In the early part of this year the name of our department was changed from Department of Interracial Ministries to Department of Cooperative Ministries with General Baptists. This was done in keep-

ing with a similar action by the Home Mission Board to place more emphasis on the true nature of our work which is a cooperative effort between the two Baptist state conventions.

Probably the most far reaching influence in cooperative ministries between the two state conventions this year has been the activity of the joint committee. They represent leaders from both bodies who have met regularly to plan future events. They are currently serving as a program committee for a joint Baptist state convention to be held in Raleigh, November 4-6, 1974. Black and white speakers will share in this historical event and the presidents of the two groups will preside. Black and white youth will be asked to close the occasion under the theme, "Youth Looking to the Future."

In addition to this, a Youth Advisory Committee, made up of members representing the two Baptist state conventions, is planning a statewide youth convention to be held in Winston-Salem, in April, 1974. Plans are being made for 7,000 Baptist young people to meet and give their witness to a gospel for all people.

An Annual Baptist Fellowship was held at Lake Junaluska in May. Special speakers for this successful event were John H. Westbrook from Nashville and J. Herbert Gilmore, Jr., from Birmingham. We were guests of Interpreters House, Dr. Carlyle Marney, director. The conference was made possible by funds provided by the Mary Reynolds Babcock Foundation.

The Student Aid Fund for this year amounted to \$3,250. It was divided among 15 black Baptist students enrolled in the following schools: Campbell College, Livingstone College, Mars Hill College, Saint Augustine's College, Shaw University, and Southeastern Seminary.

Those who served in the annual summer programs involved a record number of 38 people. They included six adults and 32 college age young people who served during at least a portion of the summer season. They ministered to 3,793 children and reported 40 professions of faith in Jesus Christ. Some new places of ministry this year were as follows:

—Youth ministries in Charlotte housing projects under the direction of Mr. Lloyd Hales with the Mecklenburg Association.

—Ministries among the youth at Central Orphanage, Oxford, directed by Mr. H. V. Bryant.

—Assistant pastor serving with Dr. C. R. Edwards, First Baptist, Fayetteville.

—Weekday ministries in the University Park Baptist Church, Charlotte, directed by the Rev. James E. Palmer.

Those who serve with the department in addition to the director are Mrs. Mary E. Washington, Office Secretary, C. C. Craig, Raleigh; Leo Williams, Jr., Raleigh; J. Z. Alexander, Raleigh; Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville.

We are indebted to the Unified Program, churches and associations of the General Baptist State Convention of N. C., the Co-

operative Program of the Baptist State Convention of N. C., and the Home Mission Board of the Southern Baptist Convention for sponsoring the work of this department.

6. Town & Country and Seminary Extension

ROY J. SMITH, *Director*

The Town & Country and Seminary Extension Department is a mission ministry with numerous objectives and responsibilities: Among these are: (1) Work with associations and churches, in discovering and meeting mission needs; (2) Work with the 2,695 small town and rural churches in a program of development; (3) Promote the state-wide ministries of Seminary Extension and the Week of Fellowship and Study at Mars Hill; (4) Develop a comprehensive mountain mission ministry; (5) Develop and coordinate a state-wide ministry of Resort Missions; and (5) Assist churches and associations in determining need and methods of church extension.

The Rural-Urban Department and the Missions Department of the Home Mission Board and the Seminary Extension Division of the Southern Baptist Convention participate in the ministry of this department.

Mrs. Nita Robertson is office secretary.

SEMINARY EXTENSION

The Seminary Extension program continues to be an effective tool for pastoral training, lay leadership development and continuing education for church leaders. The program design for Seminary Extension is built around a Three Level Curriculum.

1. The Basic Curriculum in an "easy reading" program, using non-technical terminology. Seven courses are presently available in the Basic Curriculum: (1) Understanding the Bible; (2) The Life of Christ; (3) The Work of a Pastor; (4) How to Prepare and Deliver A Sermon; (5) The Pastor as Leader; (6) Great Men of the Bible and (7) English.

2. The College Level Curriculum covers courses in the areas of biblical studies, theological studies, historical studies and practical studies.

3. The Continuing Education Curriculum is developed on a Master's Degree level with flexibility to meet the needs of alumni capable of functioning on an even higher academic level.

This past year more than forty centers were in operation in North Carolina. Financial assistance in the form of teachers' honoraria and student scholarships is provided where needed.

In May of next year this department in cooperation with the Southeastern Baptist Theological Seminary and the Home Mission Board, will sponsor a two weeks course at Southeastern Seminary on "Planning the Ministry of a Small Church." Credit will be granted for the course.

PASTORAL AID—LOT AID

Forty-five churches and missions in twenty-nine associations received pastoral aid during 1973. Seven of these mission pastors are students and four are serving fields of two or more churches. Several of these men receive aid for one church, but have other churches.

Ten churches in eight associations received aid on the purchase of church lots. These mission grants ranged from \$400.00 to \$1,900.00.

In the allocation of the mission funds, priority is given to churches joining together in a field of work, student pastors, and churches with unusual missionary opportunities.

RESORT MISSIONS

Tourism and outdoor recreation continues to increase in North Carolina. According to the Travel Bureau of the Conservation and Development Department, more than 42 million out-of-state tourists visited North Carolina last year. These millions, added to the North Carolina residents who increasingly use the recreational facilities of our state, offer a tremendous opportunity for missions and ministry.

Baptist sponsored ministries were conducted at 65 resorts from the mountains to the sea. The Home Mission Board appointed eight summer missionaries who worked in resort ministries at Cherokee, Ridgecrest, Chimney Rock, and Carolina Beach (A US-2 couple, Mike and Mona Crane, have been appointed to serve in North Carolina resort areas for the next two years.) Twenty students from within the state served as resort ministers.

This department cooperated with the Student Department in fielding two "Resort Teams" this year. In addition to these special summer missionaries, pastors and other church staff, associational missionaries, and lay leaders served in various capacities in this growing ministry.

The ministries are varied and flexible; including four coffee houses, folk musicals, teen-centers, day-camping, drama, youth groups, movies, as well as the more traditional worship services.

This department may be contacted for more detailed information concerning the location and type of ministry.

WEEK OF CHRISTIAN STUDY

A capacity enrollment of more than 500 people attended the annual week of Christian Study and Fellowship at Mars Hill College, July 2-6, 1973. Worship, Bible study, fellowship, and relaxation are the emphases of the week. Planned activities are provided for each age group.

Program personalities this year included Mr. Charles Storey, music director, Dr. Wayne Ward, Bible teacher, Mrs. Randy Gibson, teacher of Senior High and Rev. George Shore, leader of 9-13 age group.

Messages were brought by Dr. W. Perry Crouch, Dr. O. L. Sher-

rill, Dr. Howard Ford, Dr. Cecil Sherman, Rev. Carl Hemphill, Rev. Tom Womble, and Rev. Joe Smith.

A highlight of this years' conference was an "old-fashioned" July 4 celebration and picnic, sponsored by Mars Hill College.

Meals are the only cost to those attending. This department, Mars Hill College and Mars Hill Baptist Church provide the program and facilities.

GEORGE W. TRUETT CAMP

Manager-Director, Ralph Easterly, reports an excellent year at Truett camp. The expanded facilities at the camp will accommodate 50 campers per week. A total of 533 people attended the camp this year.

Truett camp is located on the George W. Truett homeplace, two miles west of Hayesville. The Baptist State Convention and the Churches of Region 10 jointly support the camp.

Director Easterly mentioned two programs of special note: the "Preachers' Camp Meeting" held in May and the Youth Music Week, sponsored by the Church Music Department of the Baptist State Convention. This week will become an annual event at the camp.

Special appreciation is expressed to Bob Watson and the Brotherhood Department for providing leadership and personnel during the boys' week.

6a. Mountain Ministries

LUTHER OSMENT, *Area Missionary*

We are grateful to our Heavenly Father for the rewards of our mountain ministry work this year. An outstanding series of events were three pastors' workshops held across the area. More than 70 pastors joined us for the two day sessions.

We express our appreciation to the various departments of the convention for their assistance in our work. The Brotherhood and Church Music Departments have both contributed greatly to the ministry of Truett Baptist Camp. Other departments and divisions have brought in training opportunities and special events that have greatly blessed our area.

Luther Osment, area missionary in Western N. C., has maintained a crowded schedule of speaking, teaching, and program administration during the year. His work relates to 600 churches in thirteen associations.

Mountain Ministries (cont.)

JAMES M. LAMBERT, *Area Missionary*

James M. Lambert, area missionary in Northwestern N. C., states that there is tremendous challenge in a mission ministry in this area of North Carolina. From the Surry Association through the Yancey Association along the Blue Ridge Mountains, there reside some of the finest and most faithful of North Carolina's Baptists and some of the most challenging frontiers.

Also, there is the challenge for better training for both the pas-

tor and the lay person through Seminary Extension Centers. Many of the pastors have already been helped in their ministry by their studies at Fruitland Baptist Bible Institute, and there are still many others whose pastoral work would be enhanced by such an educational experience.

A further challenge lies in the development of both summer and winter resort facilities along these mountains. In the campground and on the ski slope, there is a real need for Christian witness.

6b. Quentin M. Perreault, Associate

Quentin M. Perreault, associate, assumed duties for this new job responsibility this year. The geographical area involved covers 17 Associations from the Polk Association in the west to Pee Dee in the east and South Yadkin in the north. The major responsibilities covers primarily four areas of work: (1) Seminary Extension programs directed from Nashville, (2) Assistance in the supervision of summer resort ministries, (3) General stewardship and Cooperative Program promotion among the churches and (4) Good public relations between the Convention and the churches.

Also, close contact is being made with the students at the Fruitland Baptist Bible Institute in order that they might continue their theological studies through the Seminary Extension Department.

During the summer a "parking lot ministry" was set up in the Charlotte area and these religious services were attended by both youth and adults. Many commitments were made to the Christian faith.

7. Deaf Ministries

JERRY POTTER, *Director*

NEAL PEYTON, *Associate*

The winds of change are sweeping across the deaf ministry. The deaf language is changing—the education of the deaf person is changing—even our opportunities to minister to the deaf are changing. Change can be good or bad—or it can be change just for the sake of change.

One good change is the increased use of the Total Communication Concept as an educational tool for teaching deaf children. What does this have to do with our ministry to the deaf? It means that as their language ability grows and their ability to comprehend expands, we have greater opportunities to win them to Christ. Because of this, the Department of Deaf Ministries has adopted as a goal this year the promotion of the Total Communication Concept. As a part of this concept many more parents of deaf children are being encouraged to learn sign language. This department is involved in this also, both in encouraging parents to learn—and then in teaching sign language to these parents.

One thing that has not changed—it is still thrilling to see the power of the Risen Christ change the lives of deaf people. This too is change of the most wonderful kind. "If any man be in Christ

he is a new creature. . . ." II Corinthians 5:17 Baptists across North Carolina who have prayed and given of their money through the Cooperative Program have had a part in changing lives. "How shall they hear without a preacher? And how shall they preach, except they be sent?" Romans 10:14, 15.

8. Department of Communications

JIMMY MORRISS, *Director*

The Department of Communications promotes the total Baptist program through the divisions of the General Board, its agencies, institutions and associations. Program promotion is carried out through assistance to the departments of the General Board as well as radio and television productions.

I. AUDIO VISUAL AIDS

A. *Film Library*

During the past year, the department booked more than 11,592 free rental films and filmstrips. We estimate that approximately 70 per cent of the churches in the Convention are using audio-visual aids regularly. An ever-increasing number of kindergartens and day-care centers are making use of the film library in their teaching programs. The department encourages planning for a basic library of audio-visuals at both associational and church levels, with supplementary titles provided by the department library. At present this library has over 2700 different titles covering every aspect of denominational endeavor. More than 5,141 film orders have been refused because films requested were already booked and therefore not available. The department provides a complete catalog to churches containing all film titles and audio tapes.

B. *Film Production*

Among the films produced this year are a 44-slide set with cassette sound track and narration guide depicting state missions opportunities and needs, expressly urging support for the proposed new Caraway Conference Center; a new state missions filmstrip, *Workers Together With God*, with cassette tape and narration guide; CALL 337, a 30 minute film setting forth the role of the hospital chaplaincy in relation to hospital administration and patient need. The department also produced some 400 color slides and several hundred black and white pictures illustrating various ministries of the state Baptist program.

C. *Communications and Sight and Sound Conferences*

Every other year, a statewide Communications Conference is held to educate and motivate church staff and lay leaders in the various methods of Christian communication. Nineteen hundred and seventy-three was the off-year for this conference but church and associational conferences and clinics were held in the following associa-

tions: Yates, Eastern, Little River, Union, Buncombe, Sandy Creek, Dan Valley and at Campbell College and Fruitland. Additional conferences were held to assist the colleges in setting up radio stations at Campbell and Gardner-Webb.

D. Audio Aids

More than 3,400 messages were reproduced at the request of pastors and churches this year. Major messages from the Conference on Evangelism, Meredith Week of Christian Studies, the annual Baptist State Convention sessions, and the General Baptist Convention of North Carolina were taped and placed in our master library, bringing the total number of master titles to more than 575.

II. TELEVISION AND RADIO

The department continues to work closely with the stations in North Carolina, presently providing public service programming on over 100 stations in the state. The department continues to produce the network series, *Light Unto My Path*, a pioneer mission work of the Convention in sign language, designed to meet the needs of the deaf, the aging and the unchurched. This program is presented over a statewide network of stations including WRAL-TV, Raleigh; WLOS-TV, Asheville; WFMY-TV, Greensboro; WBT-TV, Charlotte; and WNCT-TV, Greenville. Also providing coverage for North Carolina is WIS-TV, Columbia, S. C. The series is carried by 13 other stations outside the state, sponsored by a church or convention in that state. This summer we were able to schedule *Light Unto My Path* on WPIX-TV in metropolitan New York.

Also produced on a sustaining basis are *Listen, America!*, a 30 minute color telecast featuring Christian young people with talent and testimony to their faith. This team of young people also led out, at the invitation of the churches in crusades at MundoVista and in Raleigh.

Other productions include *Bible Story Time*, a weekly color telecast for pre-school children; *Church of Our Fathers*, a weekly 30 minute religious news program which features over 50 interviews with church leaders each year; *Light for Living*, a brief daily meditation carried over WRAL-TV, Raleigh; WNCT-TV, Greenville; WLOS-TV, Asheville; and WSOC-TV, Charlotte. Television specials include *Thanksgiving In Raleigh*, a unique community inter-faith program produced in cooperation with the American Guild of Organists, as well as seasonal specials supporting the Christian aspects of Easter, July 4th, Thanksgiving, Christmas and New Years. A special July 4th telecast for youth was broadcast over 20 radio and television stations.

Special emphasis was begun this year in cooperating with the management of the fast-growing cablevision field. More than 15 conferences were held with cablevision management to ascertain program needs in preparation for making maximum use of new television studios to be included in the new Communications Center to be completed in December.

A new Bible teaching program, *Guide For Living*, was begun for cablevision audiences; a special in highway safety, *They're Leaving Us Everyday*, was produced with the cooperation of the N. C. Highway Patrol. *A Relevant Gospel* was produced in cooperation with the Billy Graham Association in support of the September Eastern Carolina Crusade.

Radio productions include programs such as *International Bible Lesson*, carried currently on 7 stations; *Religious News Scope*, a weekly 4-6 minute news broadcast currently on 64 stations; *Listen, America!*; *Bible Story Time*; and *Light For Living*.

III. DRAMA

Assistance in church drama is offered in an effort to include the dramatic arts as an effective tool in communicating the Gospel.

IV. OTHER AREAS

The department has two summer workers at the assemblies showing some 300 films and special sound presentations each season. Equipment and supplies for both Fruitland and Caswell are provided through the department as are those used at Caraway and Mundo Vista. We assisted the Department of Town and Country missions in the presentation of film presentations in 7 resort areas this year. The department also provides audio-visual equipment for each staff member of the General Board for field use.

D. DIVISION OF EVANGELISM

WILLIAM C. LAMB, *Director*

JIMMY D. HINSON, *Associate Director*

The total number of baptisms in 1972 was 32,076. This was an increase of 7.9 per cent over the previous year. Also, this was the largest number of baptisms since 1961. It is our prayer that more persons may be reached for Christ during 1973 and future years.

The Division of Evangelism has encouraged churches to participate in the various phases of KEY 73. One hundred and fifty denominations have been sharing in this evangelistic endeavor. The primary purpose of KEY 73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

27TH STATEWIDE EVANGELISM CONFERENCE

During February 5-7, 1973 the 27th Statewide Evangelism Conference convened at Ovens Auditorium, Charlotte. The theme was "Sharing Christ Now." The speakers challenged over 2,400 pastors and lay persons to lead their people to become more involved in the work of evangelism. The closing session on Wednesday morning was held at Pritchard Memorial Church with an emphasis on prayer and personal renewal. Special recognition was given to J. Clyde Yates, Sr. of Charlotte as Honorary Chairman.

The speakers were Edward V. Hill, Pastor, Mt. Zion Church, Los Angeles, California; Oswald C. J. Hoffmann, Lutheran Hour Speaker, St. Louis, Missouri; Landrum P. Leavell, Pastor, First Church, Wichita Falls, Texas; Leonard Sanderson, State Evangelism Director, Alexandria, Louisiana; Barry St. Clair, Director, Youth Evangelism, Home Mission Board, Atlanta, Georgia; Jack R. Taylor, Pastor, Castle Hills Church, San Antonio, Texas; Claud B. Bowen, Pastor, First Church, Greensboro; W. Perry Crouch, General Secretary-Treasurer, Baptist State Convention, Raleigh; Bill C. Penley, Evangelist, Candler; James Ralph Scales, President, Wake Forest University, Winston-Salem; and Claude H. Rhea, Guest Soloist—Dean, School of Music, Samford University, Birmingham, Alabama.

YOUTH MINISTRIES WEEK

Over 730 youth and adults attended the Youth Ministries Week at the North Carolina Assembly, June 11-15, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions.

SUMMER YOUTH EVANGELISTIC TEAM

The work of the Holy Spirit through the ministry of our first summer youth evangelistic team was significant. The three members of the team were Steve Stout, junior at Wake Forest University, from Cooleemee; Terry Crouse, sophomore at Gardner-Webb College, from Lenoir; and Christy Farrior, senior at Meredith College, from Williamston. These students led the music, preached in youth revival services, directed youth witnessing training, and participated in witnessing visitation in the following churches: Boger City Church, Lincolnton; Marshall Church, Marshall; Oak View Church, High Point; Midway Church, Gastonia; Morrisville Church, Morrisville; First Church, Red Springs; First Church, Washington; Spray Church, Eden; and Franklinton Church, Franklinton. It is our hope that several teams may be enlisted for the summer of 1974, and that additional churches across the state will invite one of these teams for one week.

3RD STATEWIDE YOUTH EVANGELISM NIGHT

It was exciting to see over 12,500 youth and adult leaders present at Greensboro Coliseum for the Youth Evangelism Night on August 17, 1973. Two hundred and eighty-five youth made various decisions during this service. Specific follow-up work was done by pastors and lay persons in different cities across the state with regard to all decisions. It is thrilling how God is using the witness of thousands of Christian youth in an excellent manner. Some of those sharing on the program were: Larry Walker, New York; Rick Carreno, California; Gene Cotton, Tennessee; and 'The New Creations' of Greensboro.

LAY EVANGELISM SCHOOLS

Since November 1, 1971 over 10,500 youth and adults have participated in Lay Evangelism Schools from 810 churches in 42 associa-

tions. The response to these schools has been outstanding. The purpose is to train youth and adults how to witness in a more effective manner to non-Christians. The concept of the Lay Evangelism School is a continuing ministry of evangelism involving more church members every three months. Also, 107 pastors from nine associations have shared in Pastor's Retreats to learn how to lead their churches in lay witness training. Additional associations are now making definite plans for one week Lay Evangelism Schools in 1974.

METROPOLITAN MISSIONS—EVANGELISM SEMINAR

In cooperation with the Department of City and Metropolitan Missions, the Division of Evangelism sponsored a Metropolitan Missions-Evangelism Seminar at Southeastern Baptist Theological Seminary, October 1-2, 1973. The theme was "Reaching the Cities for Christ." The speakers were: Jimmy R. Allen, Pastor, First Church, San Antonio, Texas; Emmanuel L. McCall, Associate Secretary, Department of Cooperative Ministries with National Baptists, Home Mission Board, Atlanta, Georgia; Larry L. McSwain, Assistant Professor of Church and Community, Southern Baptist Theological Seminary, Louisville, Kentucky; Raymond B. Brown, Dean and Professor of New Testament, Southeastern Baptist Theological Seminary, Wake Forest; Charles W. Ward, Pastor, First Church, Raleigh; and Randall Lolley, Pastor, First Church, Winston-Salem.

CLINICS AND CRUSADES

Excellent reports of Revival meetings, City-wide Crusades, and associational evangelism clinics have been received from across the state.

The 28th Statewide Evangelism Conference will be February 4-6, 1974, at War Memorial Auditorium, Greensboro.

E. DIVISION OF CHURCH PROGRAMS

NATHAN C. BROOKS, JR., *Director*

It is difficult to predict trends on the basis of a small sample. The "opinion polls" do this all of the time. Sometimes they are right and sometimes they miss. However, as this report is being prepared a tabulation has been made of the first ten reports that have come in from the annual associations. Each of the first ten has shown an increase in Sunday School enrolment over the past year.

On top of the gains last year, this is an encouraging sign. This is typical of other reports that have come concerning the work of the division.

Maurice Cooper became Director of the Department of Church Ministries and Training January 1, 1973. Richard Smith left the division for the business office on July 1. He was replaced by Jack Clark, the new Director of Church Building Planning, on September 1. The Department of Student Work became the Department of Cam-

pus Ministry during the year. The Department of Stewardship became a part of the Department of Stewardship and Cooperative Program Promotion.

Mrs. Judy Roberts resigned and was replaced as a pool secretary by Janie Ellis.

Other personnel changes are reflected in the reports from the departments.

The major emphasis in 1974 will continue on "Together We Advance."

1. Youth Ministries Service

DAVIS BOWEN, Coordinator

The Youth Ministries Service is designed to assist churches in organizing, planning, and promoting youth activities. It strives to help churches coordinate youth involvement and to guide youth and youth leadership into a better understanding of Christian relationships and responsibilities.

It is hoped that the Baptist churches will realize the need to coordinate the youth organizations and youth involvement in their overall programs. This means that each organization can supplement and add to the programs of the other organizations. Workers in Sunday School, Church Training programs, Acteens, Pioneers and Youth Choirs need to work together in order to meet the needs of youth.

The Youth Advisory Committee, composed of persons responsible for the Youth Division in each department, works to plan, coordinate, and sponsor various youth activities. The members of the Youth Advisory Committee are: Davis Bowen, Chairman; Nathan C. Brooks, Jr., Adviser; Jolene Ivey, Woman's Missionary Union; Kay Huggins, Department of Campus Ministry; Roy Smith, Town and Country Department; Corbin Cooper, Interracial Department; Charles Gatwood, Music Department; Rick Traylor, Church Ministries and Training Department; David Langford, Brotherhood Department; Jimmy Hinson, Division of Evangelism.

The Youth Ministries Service is interested in helping churches develop a ministry with youth. At the request of churches, Convention workers are available to come and help in the planning and the execution of youth programs and activities. It is suggested that a representative group of youth in the church be chosen to plan, correlate, promote, and evaluate the activities of the members in this age group. Involving youth is the best way to become aware of their needs and interests; to train them to be leaders and to lead them to accept responsibility.

Special emphases of the Youth Ministries Service include: assisting churches in organizing youth councils, planning retreats, dramas, fellowships and banquets; and interpreting Bible study and outreach through mission action projects and activities.

Conferences and programs planned by the Youth Ministries Service include: The State Youth Council Retreat in October; the High School Seniors' Retreat in January; the Baptist Youth Convention

in April; the N. C. Recreation Conference in May; the Youth Ministries Week, Youth Bible Conference, and three Youth Conferences all at Caswell.

2. Sunday School Department

BURREL F. LUCAS, *Director*

The Bible Teaching Program of the church has four significant tasks to be performed: 1. Teach the Biblical Revelation, 2. Reach persons for Christ and church membership, 3. Perform the functions of the church within its membership, and 4. Provide and interpret information concerning the work of the church and denomination.

The Sunday School Department will seek to achieve these tasks through two emphases for 1974: "Together We Advance" and "Share the Word Now." The annual theme emphasis will be "People-to-People Now." Outreach will be the primary goal for each of these emphases.

PERSONNEL

The Sunday School Department Staff includes W. Harry Clarke, Consultant in Adult Work and Teacher Training; Mrs. Myra S. Motley, Consultant with Children's work, V. B. S., and Weekday education; Miss Hilda Mayo, Consultant with Preschool work, Church Library, and Weekday Early Education (Kindergarten and Day Care). The dedicated help of two office secretaries make possible a greater ministry. These are Mrs. Charles Chason and Mrs. A. S. Rodger. There is one staff vacancy resulting from the promotion of Jack Clark to Church Building-Planning Department Director.

In addition to these full-time staff members the Sunday School Department depends very heavily upon its capable group of Special Workers, too numerous to list.

The Department of Church ministries and training

K. MAURICE COOPER, *Director*

This department, working under its new title "Church Ministries and Training", has been busy with numerous activities related to training church members and leaders, church administration, and various specified ministries.

The department staff includes, along with the director, the following personnel:

Rick Traylor, Director of Youth Corps and Youth Consultant in Church Training

Doris Morgan, Preschool and Children's Consultant in Church Training and Work with Exceptional Persons

Mrs. Richard Boggs, Office Secretary

In the near future positions for another consultant and another office secretary will be filled.

"A church without a training program will be a weak church. Jesus trained his disciples and so must we train." This observation was made by a pastor who led his church to revitalize its Church Training. There appears to be a new awareness of the place of training in the life of the church. Response has been good to the SBC promotional emphasis, CHURCH: The Sunday Night Place. Over 300 churches have already become involved to some degree in this plan which is designed to help a church experience (1) a new consciousness about church training and (2) increased attendance on Sunday night.

ASSOCIATIONAL TRAINING

Church Training Workshops or Conferences, including one Enlargement Campaign, were held in nineteen associations during 1973. The staff enlisted the assistance of special consultants in providing current training experiences to persons attending these conferences.

SPECIAL CONSULTANTS' WORKSHOP IN APRIL

Thirty-eight persons were trained to assist the department in special leadership training assignments. It would be impossible for the department staff to meet all the requests from the field without the help of these able consultants.

AREA BRIEFING MEETINGS

Associational Church Training Directors and Superintendents of Missions were invited to supper meetings in ten areas of the state for

a briefing of the upcoming year's work. This was a time for promoting the total work of the Department of Church Ministries and Training plus a briefing of CHURCH: The Sunday Night Place.

WIDE-AREA YOUTH LEADERSHIP WORKSHOP

The workshop held in Raleigh, April 9-10, was led by Dr. Bob R. Taylor, and was co-sponsored by this department and the Church Training Department, Baptist Sunday School Board. Some 140 Youth leaders from the Johnston, Raleigh, and Yates Associations participated.

WIDE-AREA PRESCHOOL AND CHILDREN'S LEADERSHIP WORKSHOPS

The Preschool Workshops, co-sponsored with the Sunday School Department, were held in Asheville, Greensboro, and Raleigh in May. The Children's Church Training Leadership Workshops met in Shelby, High Point, and Wilmington in March. Out-of-state faculty assisted in both workshops.

ASSEMBLY WEEKS AT NORTH CAROLINA BAPTIST ASSEMBLY

Senior Adult Week was held May 21-25 with excellent representation from senior adult clubs from the churches. Dr. and Mrs. J. Winston Pearce were program leaders, along with Miss Adele Carlson, Senior Adult Consultant, Baptist Sunday School Board, Mr. Eddie Brown, Governor's Council on the Aging, and others. The highlight of the week was a performance by the Senior Adult Band from the East Belmont Baptist Church.

The June Church Training assembly week emphasized leadership training and age-group sections. Promotion of CHURCH: The Sunday Night Place was a daily feature.

The July Church Ministries and Training week spotlighted conferences for workers with the mentally retarded and with Senior Adults as well as regular Church Training work.

Various members of the department staff were involved in faculty enlistment and/or programs for Youth Ministries Week, two Youth Conferences, and Vacation Week.

SCRIPTURE EXPLORING DRILL FOR CHILDREN

Three state tournaments were held during the summer, one at Fruitland Conference Center and two at the North Carolina Baptist Assembly. The drill is a scripture memorization challenge for older children.

BAPTIST YOUTH CORPS

The Baptist Youth Corps has completed its fifth and most successful summer. "Because We Believe" in Jesus Christ as the answer to the problems and ills of our world; because we believe in the ministries of the local church to a changing society; because we believe in the power of the Christian witness through the lives of young

people; because we believe in the Baptist College and University system in North Carolina, the Youth Corps has become a vital part of our convention program.

During the summer of 1973 there were eighty-three (83) students from seven Baptist colleges serving churches in forty-one (41) associations across North Carolina. The purpose of this ten-week summer program is: the development of young people for a church related vocation or lay leadership role in our churches; the assisting of the local church in strengthening its ministries; the promotion of our seven Baptist colleges. The summer activities were climaxed when over six hundred (600) young people from the participating churches attended one of two Youth Conferences at the North Carolina Baptist Assembly.

DEACON TRAINING

The first *Chairmen of Deacons Conference* was held at First Baptist Church, Charlotte, April 6-7. This conference was co-sponsored with the Church Administration Department, Baptist Sunday School Board. There were seven leadership conferences and a conference for the wives of deacons and pastors. Dr. Owen Cooper, President of the Southern Baptist Convention, was principal speaker. Mr. Lambert Mims, Mayor of Mobile, Alabama, was a key-note speaker.

The Department of Church Ministries and Training has assisted in numerous associational *Schools for Deacons*. This department works jointly with Dr. Nathan C. Brooks, Jr. in the promotion of deacon training. In October of each year a *Deacons' Retreat* is held at Camp CaRAway.

MINISTRY TO THE MENTALLY RETARDED

During the year the consultant has attended several seminars and training conferences designed for persons leading this work on the state level. Training of workers with the retarded took place during one assembly week and also during a week of Conferences for Workers with the Mentally Retarded held at Asheville, Durham, and Kinston. Program leaders were Mrs. Doris Monroe, Consultant for Work with Exceptional Persons, BSSB, and Chaplain Jim McSwain, Murdoch Center, Butner. Groups from Murdoch Center, Caswell Center, and Western Carolina Center led devotional periods. This department is striving to create an awareness among Baptists across the state of their responsibility to minister to the mentally retarded in their communities.

FESTIVALS OF THE CREATIVE ARTS

Three State Festivals of the Creative Arts were held in September in First Baptist Church, Waynesville, First Baptist Church, Statesville, and Temple Baptist Church, Wilmington. At the festivals persons shared original creations in the categories of visual arts, music, writing, and drama.

Department of Campus MinistryJAMES Y. GREENE, *Director***I. MINISTRY ON CAMPUS**

Baptist Student Union and the Ministry of the staff of the Department of Campus Ministry are a specialized focus of the denomination as it seeks to work with those in the academic community. In the various settings this campus ministry finds varying organizational expressions but each unit operates within basic philosophy and guidelines decided upon by the Convention.

The building of Christian community is perhaps the major emphasis of the campus ministry. Worship, study, service, witness and fellowship are other facets of the work.

II. MINISTRY ON STATE LEVEL

1. *Chaplains' Seminar*: Held January 8-12, 1973, at In-the-Oaks Conference Center, Black Mountain. Twenty chaplains and campus ministry personnel participated in worship, discussion, lectures and program planning.

2. *High School Seniors' Retreat*: Held (in cooperation with Youth Ministries) January 26-28, 1973, at Camp CaRAway with 91 high school seniors from 24 churches. The theme for the weekend, "Everything You Wanted to Know About College, But . . ." was slanted toward potential college students. Program personnel for this retreat, the second held on a statewide basis were: Al Andrews, Associate Pastor, First Baptist Church, Hickory; Jerry Jackson, Dean of Students at Campbell; Tom Mullen, Dean at Wake Forest University and Charles Wilson of the School of Pastoral Care at Baptist Hospital.

3. *Western Area Retreat*: Held February 2-4, 1973, at Christmont Assembly, Black Mountain, involved several schools from that area. Emphasis was on Human Sexuality with Ted Purcell, Pastor of Cullowhee Baptist Church as resource person.

4. *Denominational Dialogue*: Conducted February 26-March 2, 1973, at UNC Chapel Hill, Meredith, Mars Hill and Western Carolina. Team members included: Nathan Brooks, Robert Mullinax, Jim Greene and Kay Huggins of the Baptist State Convention; Dennis Hill of the Foreign Mission Board, Robert Poerschke of Southeastern Seminary; Warren Woolf of the Home Mission Board; and Charles Roselle of the National Student Ministries at the Sunday School Board. Through the Denominational Dialogue, students and faculty members had an opportunity to talk with denominational leaders about their concerns for the churches and the denomination.

5. *All Sports Weekend*: Held March 16-17, 1973, at Campbell College, a basketball tournament involving eight male teams. The North Carolina Central University team won the tournament.

6. *Missions Tour*: Conducted March 25-31, 1973, with sessions at UNC Chapel Hill, East Carolina, UNC Greensboro, Wake Forest,

Appalachian, Gardner-Webb, Western Carolina, Mars Hill, and NC State. The personnel included: Luther Copeland, Professor of Missions at Southeastern; Rolando Raganes, Philippine pastor doing graduate work at Southern Seminary; Janie Sellers, a former journeyman; and Jim Greene, Department of Campus Ministry. Through presentations and discussion, the panel led students and faculty members in looking at the assumptions which underlie missions involvement and in searching for legitimate ways of proclaiming the gospel across cultural lines.

7. *Consultation on the Church and the Community College*: Hosted by Surry Community College and Larry C. Williams, Pastor, First Baptist Church, Dobson, on April 12, 1973. The conference brought together 35 people representing 23 different churches whose aim was to look at ways the community college and church might work together.

8. *Spring Conference*: Held at Camp Hanes near Winston-Salem, April 13-15, 1973, with approximately 250 students and staff in attendance. Jack Noffsinger, Pastor of Knollwood Baptist Church, Winston-Salem, and Milt Hughes, consultant with National Student Ministries, Nashville, addressed the students on the theme, "A Self that Touches All Edges," Mr. Noffsinger spoke on "Know Self-Know Christ." Hughes' topic was "Share Self-Share Christ." A special session was held for college seniors with Ralph McLain, Professor of Religion at Meredith, as resource person.

Students also were involved in business transactions such as the election and installation of a new Executive Committee composed of Greg Hassler, President; Marian Osborne, Vice President; Carol Grant, Secretary; Kay Kee, Venelsoa Foster, and David Butler, Minority representatives. Susan Wood was elected as representative to the Council on Christian Life and Public Affairs.

The weekend was climaxed on Sunday morning with a service of recognition of more than thirty students serving in summer missions and of the outgoing state BSU President, Jack Greene. Doug Koch, Minister of Education and Celebration at Old Cambridge Baptist Church, Cambridge, Massachusetts, led the Sunday morning worship service which was one of the recognition, challenge and celebration.

9. *Summer Service Programs*: Students raised a summer missions budget of \$5,000 which included partial support of the Apostoloi, Intern and Resort Ministries teams.

A. *Apostoloi*: a team of six students made an impact upon the churches in the Mt. Zion Association for eight weeks during the summer. The team shared in the various churches for as little as one day and as much as one week in activities ranging from recreation and music programs to a full week's Bible study, discussion groups and a day retreat. There were many opportunities for team members to talk informally with the youth. Charles McMillan, Superintendent of Missions, coordinated the scheduling of the team in the association.

B. *Interns*: Five students were involved in community ministry

during the summer in different parts of the state. Their ministry ranged from field trips and special cultural programs to recreation programs and ministry with a juvenile court.

C. Local Church Ministry: The department put ten students in touch with churches throughout the state which were able to provide the entire amount of their salary for a ten-week period. The program, similar to that of Youth Corps, assisted students from non-Baptist colleges to find places of service in churches during the summer.

D. Resort Ministry Teams: "Rhymes with Reasons - East" and "Rhymes with Reasons - West," two student folk teams, spent the summer sharing the Christian faith through music. The teams sang in resort areas, campgrounds, parking lots of shopping centers, picnic grounds and churches, however, one team centered its ministry in the western part of the state and the other in the eastern part of the state, hence their names. Eleven students shared in this ministry both with their music and personally with a Christian witness.

10. *Couples Lab*: Held August 3-7, 1973, at Averett College, Danville, Virginia, sponsored jointly with National Student Ministries and Campus Ministry Departments in North Carolina and Virginia. The lab, led by Dr. Robert A. Dow, Department of Psychiatry, Thomas Jefferson University in Philadelphia, provided the seven couples attending with opportunities to improve communication skills, recognize and deal with their conflicts and build a more satisfying partnership through experiencing the renewal of their relationship to God and to each other.

11. *Consultation on Baptists Ministering to College and University Students*: Held August 14, 1973, at Boone, N. C. Messages brought during the conference to pastors, deacons, WMU directors and other church leaders were: "Pastor and Baptist Campus Chaplain Ministering Together As a Team," "Resources of the Baptist State Convention Available to Assist the Local Church in its Ministry to Students," and "Where do we go from here? What can we do to help? What can you do to help?" Resource person was Ted Purcell, Pastor, Cullowhee Baptist Church.

12. *State Officers' Workshop*: Met at Camp CaRAway September 14-16, 1973, with approximately 100 students, chaplains and state department staff in attendance. During this weekend, the 7 student committees completed plans for the various State BSU programs for the current school year.

13. *Married Couples' Retreat*: There is a renewal of interest in marriage by students. Local BSU's attempt to minister to the social and spiritual needs of the married student in the educational setting. The marital relationship is difficult for the student due to pressures of time, money, studies, and family relations.

During the dates of October 19-21, 1973, a conference for married students was held at the White House Hotel in Charlotte. The conference had as its objectives to aid communication between marital partners; provide time and place for sharing of common student-marital difficulties; and the experience of informal fellowship and

worship. Local chaplains served as resource personnel and a positive time of discussion, worship, and sharing was had by those attending.

14. *Home Mission Board Tour*: A tour interpreting Home Missions was conducted October 22-26, 1973. Don Hammonds, Special Ministries Department, talked with students concerning summer ministries, special projects, semester ministries, US-2, and in general how student groups can develop mission ministries in their own situation. Schools participating in the tour were Campbell College, UNC Greensboro, Appalachian State University, Gardner-Webb and Mars Hill. In addition to student groups, Don Hammonds also spoke with WMU groups concerning Home Missions and their part in its support.

15. *Fall Convention*: Ridgecrest Conference Center was the location of the 1973 Fall Convention November 2-4. Approximately 400 students and resource personnel met together to explore the theme, "Living the Good News." Dr. Stewart Newman, Department of Religion of Campbell College, led a four-part Biblical emphasis dealing with this theme. David Moore, Minister of Youth in Manassas, Virginia, led out in the musical aspect of the weekend.

Fall Convention was a combination of theme interpretation, group worship and celebration, summer missions reports and a concert by *Rhymes with Reasons*. On Saturday of the conference, attending students worked through simulation games in response to the basic question, "What is the place of a Christian student group on campus?" The "game" format expanded student understanding of the need for balance between the *inward* and *outward* journey of Christian growth.

It is important for individual BSU groups to realize that they are involved with other student groups across the state. Fall Convention is a time for these groups to come together for worship, study and fellowship.

16. *International Student Conference*: Sponsored by the Woman's Missionary Union of North Carolina and Department of Campus Ministry. . . . International and American students met November 21-24, 1973, at Wake Forest University in Winston-Salem. Dr. John Collins, Professor of Religion at Wake Forest, was the featured speaker for the conference. Approximately 100 conferees directed their attention to the topic of various world religions with emphasis on the basic differences and similarities. In addition to presentations and small group discussions, the students toured Old Salem, R. J. Reynolds Tobacco Co., the Reynolda House, and a local dairy farm. One of the highlights of the weekend was the celebration of an American Thanksgiving with David Smiley of the Wake Forest History Department giving the Internationals an interpretation of this event.

17. *Student Publications*: Encouraged local BSU's to prepare local newsletters for better communication in working with students as they form outreach teams for sharing with churches near the campuses.

5. Church Music Department

JOSEPH O. STROUD, *Director*

It is possible to have music in the churches without having an organized music program. But to assure a growing effectiveness of music in the churches and to carry out the music tasks, an organized effort in music is essential. It is with this organized effort the Church Music Department concerns itself, and seeks to plan projects and emphases which will assist the churches in developing a

music program to assure better hymn singing, the training of singers and music leaders, the improvement of music skills, the development of instrumentalists, and to lead the congregation to better understand hymnody and have a growing appreciation of music in worship and in the life of the church.

The four basic tasks of a church music program are: to teach music; to train persons to lead, sing, and play music; to provide music in the church and community; and to provide and interpret information regarding the work of the church and denomination. The two basic continuing activities of a music program are education and performance. Music education involves the learning aspects of music, while performance involves the doing aspects of music. All the work of the Church Music Department is based in these concepts.

1973—The Regional Choir Festivals, Statewide Handbell Festival, All-State Youth Choir Festival-Workshop, and the Statewide Children's Choir Festivals were well attended.

The department planned and directed the music for the Statewide Conference on Evangelism, the Youth Evangelism Rally, the annual session of the Baptist State Convention and assisted other departments with their music needs.

The North Carolina Baptist Church Music Conference held its fourth annual meeting at Ridgecrest Baptist Conference Center in April with an enthusiastic attendance. The program included the minister of music and his pastor.

Summer music camps and workshops at the North Carolina Baptist Assembly, Fruitland Conference Center, Camp Truett, and Ridgecrest had record attendances.

Dr. Phil Perrin of the music faculty of Gardner Webb College, served the department again as summer worker, conducting eleven weeks of music training in churches, associations, and groups of churches, with a total enrollment of 516.

A retreat for part-time and volunteer choir directors and their pastors was held in October at Camp Caraway. This was a first for the department and since most of the churches affiliated with the Baptist State Convention are small churches, this project will be repeated in the future. It seemed to meet a real need.

Other music schools, conferences, clinics, and workshops, as well as individual conferences and interviews with pastors and music leaders were held by Mr. Gatwood and Mr. Stroud during the year. Special workers were enlisted from time to time for various projects. More and more the department is involved in assisting the churches with the location of prospective ministers of music on a full-time and part-time basis. There seem not to be enough of these people to meet the needs of the churches. More emphasis needs to be made in putting our musically talented young people in hearing distance of God's call to this most fruitful place of service.

1974—The department has planned with the Piedmont Baptist Association, Greensboro, a METRO MUSIC EMPHASIS WEEK for the last week of January, 1974. Fifteen workers from the Music De-

partment of the Baptist Sunday School Board and fifteen others enlisted by the department will assist the music officers of the Piedmont Association in conducting a week of music training for choirs and congregations. All church choirs participating will combine for the Statewide Conference on Evangelism in Greensboro War Memorial Auditorium, February 4-5. It is one of the most ambitious projects the department has undertaken in recent years.

In keeping with the policy of the Baptist State Convention, the Executive Committee has granted permission for Mr. Stroud to take a three-month study leave in 1974. Mr. and Mrs. Stroud will take vacation time to leave early in August and study with Dr. Eric Routley, Newcastle, England during September, October, and November. Dr. Routley is a leading authority in the field of church music and hymnology. Mr. Stroud will write a thesis tracing the worship practices of the Independents, General and Particular Baptists, Calvinists, and Baptists of England, Scotland, Ireland, and Wales prior to Baptist beginnings in America. He will visit churches and compile data as to hymnals used, orders of worship, use of choirs, and other music concerns. His particular concern is to establish where and by what musical means Baptists in America are tied to church history both from the standpoint of the music itself and a theology expressed. During his absence, the full work of the department will continue under the direction of Charles Gatwood, Associate.

1975—Southern Baptists will have a new hymn book in 1975. Mr. Stroud is serving on the Southern Baptist Convention Committee to produce this new book, BAPTIST HYMNAL-1975, a revision of the present BAPTIST HYMNAL now twenty years old. The new hymnal will be launched by the Baptist Sunday School Board with a Convention-wide PRAISING in Nashville, Tennessee, March 10-13, 1975. The primary music emphasis for 1975 for Southern Baptists will be upon more effective congregational singing. May North Carolina Baptists lead the way!

6. Church Building Planning Department

JACK CLARK, *Director*

The Church Building Planning Department seeks to help churches to plan better buildings in order to provide for adequate church programs. It is significant to recognize that the program, tasks, and ministry of a church often determines the type and size of buildings erected. This department seeks to work with a church to erect and maintain buildings that will achieve its mission.

SERVICE AVAILABLE

Your State Building Department will serve you by:

1. Providing helpful literature.
2. Making a visit to your church to meet with the Church Building Survey and Planning Committee.

3. Helping gather statistics and other data needed by the Architecture Department of the Sunday School Board, in order that they may be of maximum assistance.

4. Acting as a liaison between the church and the Architecture Department of the Sunday School Board.

5. Reviewing and interpreting sketches after they are received from the Sunday School Board.

6. Helping in the selection of an architect, and in coordinating the work of the architect, the church, and the Architecture Department of the Sunday School Board.

There is no charge for the services of this department. It is a part of the ministry provided the churches by gifts through the Co-operative Program. Each month an average of 30-40 churches are assisted by the department in planning for better buildings.

EMPHASES AHEAD

Plans are being made for two State Church Building Conferences in 1974: April 23, Raleigh and September 17, Morganton.

In addition to the State Conferences, tours with personnel from the Architecture Department, Sunday School Board, are planned for 1974 during the weeks of March 4-8, May 27-31, and August 5-9.

PERSONNEL CHANGE

Effective September 1, 1973 Jack Clark became director of the department, replacing Richard Smith who became associate business manager of the Convention on July 1, 1973. Mr. Clark had been an associate in the Sunday School Department for the past two and a half years. Mrs. Elizabeth Mercer, who has been office secretary for the past eight years, continues in this place of service.

7. Brotherhood Department

J. EDWIN BULLOCK, *Director*

Missionary education and missions involvement among the men and boys of the North Carolina Baptist churches continued to show a pattern of growth in 1973. This was indicated by more than just a continued statistical growth. The real evidence was noticeable in the quality of Baptist Men and Royal Ambassador programs taking place in the churches, the associations, and within the state. It seems to be a growing acceptance of the church's responsibility to do its own missions work, especially in the areas surrounding the churches. A great many outstanding testimonies have been received from lay people reporting their involvement in such mission activities as assisting the poor, administering to the aged, conducting services in resort areas, and in other such areas as mobile home parks, fire stations, correctional units, etc. Missions activities actually take a great many forms and are carried out by Royal Ambassadors as well as Baptist Men. The year 1973, hopefully, will be remembered as the

year that men and boys heard and responded to the sort of challenges that are being proposed by the new Executive Secretary of the SBC Brotherhood Commission, Glendon McCullough and SBC President, Owen Cooper to become lay missionaries. The associations have also done significant work providing leadership training, World Missions Week, mission fairs, and missions rallies. It has been said that "If people know, they care; and if they care, they pray; and if they pray, they give." It appears that people have learned more and caught a greater vision in so doing. The result has been that there has been more giving of time and money for missions in 1973 than in any other previous year.

The year 1973 has been a busy year for the state Brotherhood Department. The staff has been at capacity for the first full year in the past several years. Three men giving full-time to major areas of work have seemingly made a significant contribution to getting more accomplished than in previous years. Though each of the men of the department staff has done work relating to the total church Brotherhood program, Mr. Robert E. Watson has been able to give a larger proportion of his time and promotion of a Crusader Royal Ambassador program and to the development of associational Brotherhood programs. Mr. David Langford has been able to serve the department in a meaningful way by developing and promoting programs of Pioneer Royal Ambassadors and by giving year-round promotion and administration to the Royal Ambassador program at Camp CaRAway. Mr. Bullock has been able to give a larger proportion of his time to develop the promotion of the total Brotherhood program while at the same time assuming major responsibility for the programs relating to the beginning of and strengthening of Baptist Men's units. Mrs. Tommy Latta and Mrs. Bobby Tharrington have done a good job in handling the communications and other office operations for those who write and call daily for assistance in the church missions programs for men and boys.

TRAINING PROGRAMS

The Brotherhood Department training programs have gone well in 1973. There were eight Royal Ambassador Leadership Courses, a state RA Leadership Retreat, a Baptist Men's Leadership Retreat, two training sessions for associational Brotherhood leadership, training for Home and Foreign mission study teachers, and the training session for church missions leadership who do day camping. There was also a training session for Mission Action Specialists. These men and women were then used in the associations to train church leaders to perform various types of mission action service. Additional leadership training was also provided for men who work in the area of inmate ministries, lay witness in evangelism, and lay renewal evangelism. Approximately 80 people, mostly men but also some women, working with the younger Crusader RA program, were trained in the fall retreat at Camp CaRAway in the fundamentals of Royal Ambassadors and Baptist Men and then used as instruc-

tors in more than 40 associational, regional, and church leadership conferences.

MISSIONS INSPIRATION PROGRAMS

Education and motivation remain the primary avenues for enlisting men and boys in the churches missions program. For this reason programs that provide missions knowledge and missions inspiration were a significant part of the state Brotherhood calendar in 1973. Such programs were: state Men and Boys' Convention attended by more than 4,000 in Fayetteville March 23-24, the five "See College Days" for Royal Ambassadors attended by more than 6,000 men and boys, the Business and Professional Men's Retreat at Camp Caraway, World Missions Week at the North Carolina Baptist Assembly, two Family Camping Weekends, and four weekend Royal Ambassador encampments. One of the most exciting of these events was the spring State Royal Ambassador Track Meet. The 30 associational RA track teams (winners from their association and from their churches) met at Gardner-Webb College with a crowd of more than 1,000 people. The Royal Ambassadors from Piedmont Association were the winners of the contest this year. Actually, because of the exciting program afforded for those who attended the track meet, the conclusion was that all in attendance were winners. Other missions motivation experiences were afforded through missionary education tours. One tour led by the department Royal Ambassador leadership made it possible for approximately 200 boys to attend the Fifth National RA Congress in St. Louis, Missouri. There was also an adult tour providing men and women with the opportunity of visiting and seeing missions work in Israel and Greece. A first in 1973 was a November 12 Laymen's Conference preceding the meeting of the Baptist State Convention. This session was held at Florida Street Church and provided a missions challenge for all laymen attending the 1973 Baptist State Convention.

SERVICE PROGRAMS

One of the most exciting adventures in mission action for Brotherhood in 1973 has been a close association with the laymen's witnessing emphasis. Not only has the department provided guidelines, training, and communications for that program, but it has also worked very closely with Mr. Mike Smith of Asheville and Mr. Joe Lennon of Aberdeen in securing churches and church communities open for laymen to conduct lay-led revival efforts. Approximately 40 such revivals were conducted in 1973 using more than 100 men and women. The reports from the church in the areas where the revivals were conducted were very favorable. There are now more requests than ever, and there is a great need to involve more men in this missions evangelism effort.

Another mission action type program is the inmate ministries effort. This ministry has many more facets than simply ministering to inmates at a correctional institution. Though that ministry is im-

portant, the larger ministry in which men across the state have involved themselves includes probation, parole, work release, and the sponsoring of inmates as they are permitted to go out of the units and into the churches and homes of the sponsors. The Brotherhood Department continues to encourage more men to get involved in these programs and gives coordination and training for these programs across the state.

Baptist Men's Corps is still an important segment of the state Brotherhood program. There are more than 200 men committed to two or more experiences in mission action type services each year. Some of these men went on overseas work projects and participated in evangelistic crusades in South America and Africa during the 1973 year. These men are currently seeking a tent to be used for the annual State Fair film ministry, race track services, and resort areas services. There is also hope that in the future the group will be able to purchase a mobile medical type unit that can be used by physicians, dentists, and others where such a unit could be used to provide a witness to meet the needs of people.

ROYAL AMBASSADOR CAMPS

Camp Caraway, the state Royal Ambassador camp, had another good summer season. Twelve hundred boys attended nine weeks of camp. Mr. Langford was especially pleased with his staff, program, and the good success at reaching so many boys through a missionary education type program. There were also three other Royal Ambassador weeks for which the Brotherhood Department provided programs. These were under the direction of Mr. Watson and were held at Camp Truett, Hayesville, N. C. Each of these weeks also proved to be very good weeks with an average of 35 boys per week attending.

Camp Caraway is continuing to be developed as a year-round training center for Baptist leadership. The Brotherhood Department has supported this philosophy of the use of the camp property by encouraging church, associational, and state leadership to promote larger stewardship through State Missions and also direct gifts from individuals. It is thought that additional and better facilities can be used to bring about a more informed, inspired, qualified leadership for missions programs within and through the churches.

STATE OFFICERS

The N. C. Baptist Men's Convention meeting in Fayetteville during March of 1973 elected five new officers. These are President, Robert F. Hewitt of Charlotte; Vice-President, Wilbur Lovette of Lumberton; Secretary, Grady Griffin of Rocky Mount; Mission Study Leader, James Marchman of Forest City; and Missions Activities Leader, Douglas Tice of Greensboro. These men are assisting and will continue to be of significant assistance as advisors and planners for the state Brotherhood program in 1974.

MISSIONARY EDUCATION DIALOGUES

A major department program during the fall of 1973 was an effort to communicate the basics of an effective Brotherhood program to the pastors. Sixteen associational luncheons and dinner meetings were held with 450 pastors attending. Response was very good in that many of the pastors requested assistance with beginning new missions units for men and boys in their churches. Associational and state Brotherhood leadership are now in the process of aiding these churches in getting many of these units under way.

NEW EMPHASIS

Along with existing programs, several new emphases should give missions as a church program for men and boys a boost in 1974. One such emphasis is on the importance of the age level units. Rather than one Men and Boys' Convention, there will be individual state meetings in 1974 for Crusaders, Pioneers, and Baptist Men. With an abiding belief that every church can have the various missions units, there will be a special effort to organize Younger Crusaders, Older Pioneers, and Baptist Men in as many churches as possible in 1974. Another new emphasis will be on the enlistment of leadership within the regions and the associations. Regional training programs will be used to train associational leadership and, therefore, hopefully provide the needed training for church leadership through the association. Additional specialized training in such areas as missions ministry, lay renewal, day camping, and campcraft will be added to the 1974 agenda. All of these emphases in addition to the interest which seems to be indicated in the ongoing Brotherhood program hopefully will provide us still a better year in 1974.

It is expected that the enrollment has grown significantly during 1972-73 as a result of the strong emphasis on GIANT STEP, the en-

listment/enlargement program of Woman's Missionary Union, although enrollment figures on this period are not available at this time.

The GIANT STEP emphasis continues through September 1974 but many churches have already met the goals which are:

25 percent increase in the number of age-level organizations

25 percent increase in WMU membership

25 per cent increase in WMU magazine subscriptions.

Certificates of recognition have been mailed to 23 churches for having met all the goals, 31 that have an age-level organization provided for each age group, 16 that have had a 25 percent increase in membership, and 63 that have increased magazine subscriptions by 25 percent.

PERSONNEL

The Executive Board of Woman's Missionary Union elected two new employees, Miss Nancy Curtis of Glorieta, New Mexico to serve as Baptist Young Women director and Miss Pat Ritchie of New London, N. C. to serve as Girls in Action/Mission Friends director.

To assist fulltime field personnel, WMU employs approved workers who work part time and are paid for services rendered. They are Mrs. Boyce Brooks, Warsaw; Mrs. Alfred E. Andrews, Jr., Wilkesboro; and Mrs. Oren Bradley, Mt. Airy.

FINANCES

Woman's Missionary Union received money for operation from the Cooperative Program in the amount of \$121,740 and money for promotion from the Heck-Jones Memorial Offering for WMU Promotion in the amount of \$75,519.22. The operating budget is used for travel, salaries, approved workers, building operation, postage, printing and the State WMU Annual Session. All other promotional work and state meetings are paid for by monies from the Heck-Jones Offering and fees collected. This includes 12 weeks of summer camps, retreats for Baptist Women and Baptist Young Women, leadership training conferences for associational and church WMU leaders, interracial work, gifts to missionaries, operation of Camp Mundo Vista, salary of maintenance superintendent at Mundo Vista, State WMU Executive Board expenses, and loan amortization on Camp Mundo Vista.

Camp Mundo Vista was constructed in 1968-69 at a cost of \$383,168. Construction costs were paid by money on hand, an advance from the Baptist State Convention and a \$250,000 loan from Wachovia Bank and Trust Company. Since 1967 Woman's Missionary Union has paid \$268,819.00 on Camp Mundo Vista including principal and interest. The balance owed to Wachovia Bank on September 30, 1973 is \$128,000 and to the Baptist State Convention \$95,292.00. This amount includes capital improvements made since 1967. The Baptist State Convention makes the quarterly payments and Woman's Missionary Union repays the Convention from the

Heck-Jones Offering so that this amount will be reduced considerably before the books are closed on December 31, 1973.

The three special offerings for which Woman's Missionary Union takes the lead in promotion, Lottie Moon Christmas Offering for Foreign Missions, Annie Armstrong Easter Offering for Home Missions, and Heck-Jones Memorial Offering for WMU Promotion, experienced sizeable increases as reflected in the chart below.

Lottie Moon 1971 — \$1,898,810.47; 1972—\$2,153,556.10; Inc. — \$254,745.63.

Heck-Jones 1971—\$64,686.85; 1972—\$75,519.22; Inc.—\$10,832.37.

Annie Armstrong 1972 — \$617,737.73; 1973 — \$676,785.60 (thru Aug.) Inc.—\$59,047.87.

CAMP MUNDO VISTA

Woman's Missionary Union conducts 17 meetings each year making use of the facilities at Mundo Vista. In 1973 these meetings attracted 3,335 women and girls. They include:

Baptist Women Retreats (3).....	628
Baptist Young Women Retreat.....	189
Acteens Camps (4).....	825
Girls in Action Camps (6).....	1,235
Workshops for Associational	
WMU Officers (2).....	254
Mother-Daughter Camp	204

During the summer camping season 210 girls accepted Christ and 140 made other commitments. Each week a mission offering is taken and campers gave a total of \$1,715.70 and staff gave \$592.45.

Church groups or associations may rent Camp Mundo Vista when it is not in use by WMU. Last year 1,923 people attended meetings planned by someone other than WMU.

Capital improvements at Camp Mundo Vista included the installation of a chain link fence to control access to and egress from the camp ground. This was necessitated by frequent pilferage by groups entering the camp when the staff and campers were at meals or in campwide meetings. Entrance in the evening and night may be gained only after the person has properly identified himself to the camp director or person in charge. Some additional appointments such as tables and desks have been purchased. Immediate plans for improvements call for landscaping the vesper area and the erection of two additional unit lodges. When these are completed the original building schedule will have been met.

Decisions regarding Camp Mundo Vista are made by the WMU Camp Committee comprised of 5 women from the state-at-large; Mrs. J. E. Cargill, Cliffside, chairman; Mrs. John Hagler, Raleigh; Mrs. Albert Kaleel, Clinton; Mrs. Larry Sides, Welcome; and Mrs. A. G. Willcox, Enfield.

MISSIONARY GIFTS

Woman's Missionary Union, from the Heck-Jones Offering, gives a gift of \$100 to each native North Carolina woman appointed a career

missionary by the Home or Foreign Mission Board and a gift of \$50 to each native North Carolina woman appointed a missionary journeyman, a US-2 missionary, a missionary associate or a special projects missionary. The following have received gifts during 1972-73:

Mrs. Thomas A. Waddell, Duplin County, appointed to Zambia, \$100

Miss Vickie Lynn Gordon, Shelby, appointed a journeyman to Malawi, \$50

Mrs. Norman N. Burnes, III, Rocky Mount, appointed to Israel, \$100

Mrs. Clifford Staton, Jr., Morganton, appointed to Ethiopia, \$100

Mrs. Ron Carothers, Gastonia, appointed a US-2 missionary to Arizona, \$50

Miss Diane Lee Keck, Burlington, appointed journeyman to Japan, \$50

Miss Vickie Estes, Burlington, appointed journeyman to Hong Kong, \$50

Miss Lounelle Selle, Misenheimer, appointed missionary association to Taiwan, \$50

STATE MEETINGS

In addition to meetings reported under Camp Mundo Vista, Woman's Missionary Union conducted the following:

Baptist Young Women Convention, Forest Hills Baptist Church, Raleigh, 190 present

Baptist Women Study Workshop, Statesville, 136 present

State WMU Annual Session, Memorial Auditorium, Raleigh, 2,500 present

Girls in Action Camps (2), Fruitland Conference Center, 333 present.

Workshop for Associational WMU Officers, Fruitland Conference Center, 139 present.

SUMMARY

Meetings have attracted record crowds, giving is up in each of the mission offerings and a new spirit of enthusiasm and dedication is evident among the women and youth enrolled in WMU organizations. Woman's Missionary Union is offering many opportunities for all ages to be confronted with their personal responsibilities in world missions. Lives are being changed, renewed commitment to missionary service is being felt and God is blessing the efforts of Woman's Missionary Union throughout North Carolina.

9. Department of Camps and Retreats

B. W. JACKSON, *Director*

The big news at Camp Caraway is the proposed Conference Center. This was featured in the State Mission offering this year. As this report is being prepared it is too early to know how much

money has been received. All of the State Mission offering above \$250,000.00 will go toward the center.

More than 1,200 boys participated in the camping program. Use of the facilities "off-season" has become a larger part of the operation than is R. A. camping. This does not mean that there will be less emphasis on camping. Nor will other programs be allowed to interfere with the summer camping season. It does mean that churches, associations, and State Convention conferences are making an even greater use of Camp Caraway.

Additional improvements have been made to existing facilities, especially Westwood. A new entrance into the dining hall has improved the building on the lake side. Small groups are better served by the additional conference rooms that have been arranged.

The director continues to work with Woman's Missionary Union in the operation of Mundo Vista. Also, consultant services have been afforded General Baptists as the J. J. Johnson Baptist Assembly, near Laurinburg has gone into use.

10. North Carolina Baptist Assembly

FRED J. SMITH, *Director*

The remodeling of the Church Group Apartments has been a great asset this year and thoroughly enjoyed by those who had an opportunity to use them. With the record high attendance of over 14,000 this year, much more work and building is needed. The barracks will be remodeled including renovating the bathrooms and providing new mattresses. An operational water cooler will also be installed. Two hotels are being remodeled also.

The year-round facilities are gaining in popularity for churches that wish to hold their own retreats for Youth, Deacons, Choirs, Sunday Schools, and families. It is hoped that many more churches will take advantage of this pre-post program. Work has already begun on remodeling and renovating for next year. The 1974 schedule is:

May 20-24—Senior Adult Conference

June 10-14—Youth Ministries Week

June 17-21—Children's Choir Camp

June 24-28—Church Ministries and Training Week

July 1-5—Youth Bible Conference

July 8-12—World Missions Week

July 15-19—Youth Conference

July 22-26—Youth-Adult Music Week

July 29-August 2—Youth Conference

August 5-9—Youth Conference

August 12-16—Vacation Week

August 15-18—Retreat for Exceptional Persons

Anyone who desires information about the facilities or wishes to make reservations should write to Mr. Fred J. Smith, Director, North Carolina Baptist Assembly, Southport, North Carolina 28461—Telephone 919-278-5495.

F. COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

Jesus said, "Why do you call me Lord, Lord, and do not do the things I command you?" The Council on Christian Life and Public Affairs encourages North Carolina Baptists to "do" their faith in positive actions.

I. COUNCIL DIRECTOR

In order to help the Council do its work, a full time director is employed. Dr. Charles V. Petty, formerly employed by the Baptist General Convention of Texas, became the Council's first director March 1, 1973.

II. LITERATURE

Partially fulfilling its role as a research, referral and resource agency for North Carolina Baptists, the Council published in 1973 a series of 21 tracts on the family. Fifteen of the tracts are designed for adults and six are designed for youth.

In addition, a tract, "Liquor-by-the-Drink?", was produced and over 200,000 copies were distributed prior to the November 6 election.

A series of material on the Bible and specific issues is projected for 1974.

III. STATEWIDE WORKSHOP

A statewide workshop is scheduled for March 18-20, 1974, at the First Baptist Church in Greensboro. The theme is "Helping Churches Help Families." The purpose is to help equip persons for family ministry throughout the year within a local church. It will be designed to enable a person to plan, promote and execute various family life ministries.

The number of day participants will be limited. A night session will be open to the general public.

IV. REFERRED RESOLUTIONS

The 1972 Convention referred to the Council a resolution offered by Thomas M. Denton (pp. 70, 88-89 . . . 1972 *Annual*) relative to full time chaplains for the eight residential schools for juvenile delinquents.

The Council on Christian Life and Public Affairs was instrumental in continuing the summer and fall chaplaincy program at Polk Youth Center. Contact has been made with state legislators, and discussion is now taking place concerning the possibility of a state-supported chaplaincy program, the authorship of such legislation, and sponsorship of the bill both in the House and Senate.

V. ISSUES OF CONCERN

While the Council maintains interest and activity in a number of issues, only six will be singled out in this report for emphasis.

1. *Governmental ethics*

Scandal within government is not new, nor confined to any one party or level of government. Within recent months the integrity

and credibility of government have been severely questioned and, in the judgment of some, mortally wounded.

Therefore, some have become disillusioned with government, particularly on a national level. The Council on Christian Life and Public Affairs believes that while democracy has many weaknesses, it has at hand the means for bringing about its own reforms.

Thus, our duty as Christian citizens is to reaffirm democracy and work for its vitality and viability. We can strengthen democracy by recognizing and reaffirming the following principles:

a. No one is above the law, and every lawbreaker should be brought to justice.

b. Ends do not justify means, regardless of the nobility of the ends.

c. Extensive loss of personal rights threatens the very foundation of democracy.

d. All three branches of government were designed to serve as a check and balance for each other.

e. When a person sacrifices his personal conscience for national security, party loyalty or a job description, he has forfeited his right to govern.

f. All citizens must help make government responsible. Majority rule is of non effect if there is an apathetic majority.

g. Several reforms should be considered, particularly those related to campaign funds and practices. Our present system lends itself to enormous abuse.

h. People of ability and integrity should be elected to govern. Christians should be involved at all levels of government, either as candidates or campaign workers. In addition, Christians should either support or oppose legislation, depending on its context.

i. "A servant is worthy of his hire," and the Council on Christian Life and Public Affairs deplores the incredibly small remuneration paid to our state senators and legislators. We favor salary increases for those who serve us.

2. *Liquor-by-the-drink*

One political area where Baptists have spoken loudly and often relates to alcohol. Your Council printed and distributed 200,000 tracts entitled, "Liquor-by-the-Drink?". In many other ways the Christian Life Council participated in this recent struggle. North Carolina Baptists are to be commended for their efforts.

We must keep reminding ourselves that drug abuse is prevalent and deserves the energy and concern of each of us. Now is the time when we should up-date and re-evaluate our present drug laws (including alcohol) and present to the people of North Carolina responsible legislation and ministries.

3. *Race Relations*

Amid concern about such racial issues as busing, open housing, equal employment and segregation academies there are many positive experiences. One such happening will occur in 1974.

The Baptist State Convention of North Carolina and the General Baptist State Convention of North Carolina, Inc., will participate in a joint convention November 4-6, 1974, in Raleigh. The efforts of those who conceived and gave birth to this idea are to be commended.

4. Pornography and Censorship

On June 21, 1973, the Supreme Court of the United States made a statement on pornography and obscenity which has altered the pornographic industry, and can significantly alter it in the future.

For the first time in years, law officials now have at their disposal more defined legal means by which to judge what is, and what is not, obscene. For the Christian there are at least three courses of action that should be realized. First, there is much material marketed from theaters to newsstands to grocery stores that is labeled "hard-core" pornography. This material is explicit. It leaves no sexual activity, thought, feeling or body part undescribed or unphotographed. Almost everything that man has been able to imagine has been recorded on film and is sold in local communities. Christians should oppose such materials, not because they deal with sex, but because they do not explain it properly. Much pornography no longer has to be tolerated. What will keep it on newsstands is apathy from the majority, plus a desire for such materials by some.

Second, we reaffirm that the best opposition to pornography is Christian sex education. Our children should learn about their sexuality in a Christian atmosphere from those who love and are concerned about them. Since children cannot be shielded from all pornography, they must be taught to recognize and evaluate trash for what it is.

Third, safeguards must be made to protect everyone's right under the First Amendment. The new ruling which allows "community standards" to prevail should not be abused. Censorship can be a vicious, demoniac instrument. In addition, attempts to ban everything which is offensive to some will, in all probability, result in a reversal of the present decision which will again open the flood gates.

5. Traffic Safety

The Council of Christian Life and Public Affairs encourages every church to develop a program designed to promote safe driving and highway safety among its members as an expression of their Christian commitment.

We commend the Governor for recently proclaiming October 21, 1973, as Traffic Safety Sabbath in the churches. We hope every Christian will seek to actualize his faith by the way he drives his automobile and by working for highway safety.

6. Religious Liberty

As the United States prepares for the two hundredth anniversary of its independence in 1976, it is fitting for Baptists to give

thanks for freedoms enjoyed and for the remarkable evidences of the Holy Spirit's blessings upon the free exercise of our faith through evangelism, education, worship and application.

Baptists were instrumental in the guarantee of this freedom by being influential in the writing of the First Amendment into the Constitution of the United States. Baptists were, and still are, at the forefront in preserving the religious liberty enjoyed by all. We have unapologetically declared our desire for separation of church and state in numerous ways and from numerous platforms.

Therefore, we recommend that this Convention go on record as supporting the action taken by the 1964 Southern Baptist Convention which was, "We appeal to the Congress of the United States to allow the First Amendment of the Constitution of the United States to stand as our guarantee of religious liberty, and we oppose the adoption of any further amendment to that Constitution respecting establishment of religion or free exercise thereof." (1964 *Southern Baptist Annual*, p. 80)

We further recommend that the Director of the Council on Christian Life and Public Affairs communicate this conviction to the national congressmen who represent the state of North Carolina and to the Congressional committee members who are presently studying possible changes in the First Amendment.

VI. COUNCIL MEMBERSHIP

Several council members will conclude their term of service this year. North Carolina Baptists are indebted to these who have served them well. They are:

Mr. Maurice Ayers, Student, Chapel Hill; Dr. Thomas Bland, Southeastern Seminary, Wake Forest; Mr. J. D. Dennis (moved), Editor, *Charity and Children*, Thomasville; Dr. Gaylord Lehman, Lakeside Baptist, Rocky Mount; Dr. John Lewis, First Baptist, Raleigh; Mr. Richard Maples (moved), First Baptist, Waynesville.

Council members who will continue to serve are:

Mr. Hoke Coon, Jr., President, Lexington; Mr. Fred Barnes, Lenoir; Mr. Lamar Brooks, Wake Forest; Dr. W. Perry Crouch, Raleigh; Mr. Earl Farthing, Goldsboro; Mr. W. J. COUNCIL MEMBERSHIP

The Council on Christian Higher Education is made up of the presidents, deans, chairmen of boards of trustees of the colleges, and the General Board's Committee on Christian Higher Education. Ex officio members of the Council are Dr. W. Perry Crouch, general secretary-treasurer of the Baptist State Convention; Dr. Thomas M. Freeman, president of the Baptist State Convention; Dr. John M. Lewis, president of the General Board; and Mrs. Gilmer Cross, president of the State Woman's Missionary Union.

The following new members from the General Board were elected to the Council membership last year: Norman Brisson, Henry Crouch, Wayne Houser, Billy Mobley, Jack Noffsinger, Neill Smith, and Ian H. C. Walker.

COOPERATIVE PROGRAM PROMOTION

The North Carolina Baptist colleges share gratefully in the gifts provided through the Cooperative Program. In addition, each school gladly enters into an effective promotion effort each year to encourage increased giving for all areas of Baptist mission support. This promotion is done in a minimum of two Associations annually, in cooperation with the Superintendent of Missions, pastors and churches.

THE IMPORTANCE OF BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of the seven North Carolina Baptist colleges.

BAPTIST COLLEGE SCHOLARSHIP OFFERING DAY

The annual offering on Father's Day is a scholarship offering for North Carolina Baptist students attending one of the seven North Carolina Baptist colleges. These funds are made available according

to the degree of financial need as determined by the individual school. The Baptist College Scholarship Offering is a meaningful part of an essential student aid program which enables students from Baptist churches to enter and to remain in college. Each school is careful to administer student aid funds only where a genuine need is evident. It is hoped that Baptist churches across the state will help to build even greater support for the Scholarship Offering.

DEPARTMENTAL FACULTY MEETINGS

Once every two years all of the teachers in the same discipline in the North Carolina Baptist colleges are brought together for two days of personal and professional sharing on one of the campuses. These meetings create understanding, encourage communication among the faculties, and are characterized by professional excellence. There are fourteen disciplines currently involved in the meetings of the North Carolina Baptist faculty, sponsored by the Council on Christian Higher Education. They are: Business Education; Education; Psychology; English; Foreign Languages; Mathematics and Natural Sciences; Music, Art, and Dramatics; Physical Education and Health; Religion and College Chaplains; and Social Science.

CHURCHES AND COLLEGES WORKING TOGETHER

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

CAMPBELL COLLEGE

EDGAR A. THOMAS, *Chairman, Board of Trustees*

NORMAN A. WIGGINS, *President*

Campbell College opened her eighty-seventh year on August 20, 1973, with a total fall enrollment of 2,222 students. Although nearly 77 per cent of the students come from North Carolina, there are also students from thirteen foreign countries and 37 states. Of the total student enrollment approximately 60 per cent are men and 40 per cent are women.

We are pleased to report that Campbell has again been able to operate with a balanced budget. This accomplishment was achieved only with the total dedication and cooperation of the faculty and staff and with the increase in gifts from friends. We were particularly pleased to note that gifts to Campbell through the Cooperative Program increased in the amount of \$21,054.53. Gifts from other

sources increased accordingly. Yet, were it not for the meaningful financial assistance we receive through the Cooperative Program, Campbell would not have the reputation it now enjoys concerning its fiscal operation.

The auditors have just completed their examination of the college, and the annual report has been made to the Board of Trustees. The major points of emphasis in the report deal with the fact that the auditors take no exceptions to the administrative operation of the college — which all businessmen know is almost unheard of—and the fact that through the generous benefaction of friends, the college has been able to increase its net worth approximately 119.50 per cent within the past six years.

During the fiscal year that closed on May 31, 1973, Campbell graduated 597 young women and men. We are very proud of the contribution that our graduates are making to society, and we are particularly pleased with the large number of students who are either going into the active pastorates or some other phase of church-related work.

The college continues to administer a strong student aid program. During the past year we assisted 1,343 different students in the financial management of their school expenses, which represent 64.88 per cent of the total student enrollment. A large number of those assisted either were children of our pastors, of Convention employees, ministerial students, or young people from Baptist homes who received assistance arising out of our relationship to the Baptist State Convention of North Carolina.

During the year much progress was made on the new religion building which was made necessary because of the destruction by fire of our old building in 1968. We expect it to be ready for occupancy by January 1, 1974.

Also, during the year the college initiated construction on a new eighteen-hole golf course and residential development consisting of 200 lots. In addition, much planning was done on the development of a new Fine Arts Program and the proposed swimming pool facility.

The Campbell College family was saddened by the death of two former trustees. On June 22, 1973, death came to Dr. B. Y. Tyner, of Raleigh, North Carolina, noted educator, former distinguished professor at Meredith College and outstanding trustee of Campbell. Those acquainted with the history of Campbell will recall that at an early date the Tyner Family moved to Buies Creek in order that their children might attend Campbell and that a few years ago the children, in memory of their mother and father, created the Lewis Edward and Martha Barnes Tyner Chair of Bible which is now occupied by Dr. John Thomas Bunn, Chairman of the Department of Religion.

On September 1, 1973, Mr. Glenn Hancock, lumberman and realtor and outstanding businessman and former trustee died.

On September 12, 1973, the college lost Mr. George Bruce Schell of Red Springs who was serving his first term as a member of our

Board of Trustees. His death was a great loss to the college, North Carolina Baptists, and the people of his community.

The college community has also been deeply saddened during the recent months by the passing of several members of her faculty and staff. Professor George S. Graham of the Campbell College Department of Social Science died on July 30, 1973. Lonnie E. Cayton, Director of Physical Plant died on February 11, 1973. Miss Winifred Kuhns, retired professor of Peace College and Campbell College, died on August 17, 1973. On May 11, 1973, death claimed Mrs. Viola Ruth Todd, staff member of the College Library and wife of the Reverend Cary C. Todd, Professor of Mathematics at Campbell College. The Campbell College Board of Trustees joined the administration in expressing their love and appreciation for the meaningful lives of all of these dear departed friends.

In response to the request of the Convention, the following statement of plant indebtedness is submitted by the Business Office.

CHOWAN COLLEGE

DON G. MATTHEWS, JR., *Chairman, Board of Trustees*

BRUCE E. WHITAKER, *President*

Chowan College began her 126th academic year as an institution of Christian higher education with the Fall Convocation on Friday, September 7, featuring an address by Dr. Charles V. Petty, Director, Division of Christian Life and Public Affairs, Baptist State Convention of North Carolina. The Convocation audience represented a numerical analysis of the campus community for the fall term as follows: total student enrollment, 1145; teaching faculty, 69; administrative staff and associates, 21, exclusive of secretarial assistants and residence counselors. Further analysis of the student enrollment indicates there are: 449 sophomores; 682 freshmen; 14 "Special" students; or 1024 resident students and 121 commuting students. Full-time equivalency enrollment for the term is 1139.

1972-73 was a banner year in the life and work of the college, in that it featured the celebration of the institution's 125th anniversary. Convocations, Founder's Day, Homecoming, and Spring Festival activities were all focussed on the anniversary celebration. Convocation speakers were the Honorable G. William Whitehurst, Representative, Second (Va.) Congressional District and the Reverend T. Robert Mullinax, Executive Secretary, Council on Christian Higher Education, Baptist State Convention of North Carolina. The Founder's Day address was delivered by the Honorable Robert W. Scott, then Governor of the State of North Carolina. The themes for Homecoming and Spring Festival carried the anniversary motif, including the presentation of an historical pageant depicting significant events in the life of the college.

The annual commencement exercises featured the largest graduating class in the history of the college (314), as well as a "first" in the selection of speakers whose present responsibilities enabled them

to emphasize fully the college’s commitment to the Baptist denomination. The Baccalaureate Sermon was delivered by Dr. V. Carney Hargroves, President, Baptist World Alliance. The Commencement Address was given by Mr. Owen Cooper, President, Southern Baptist Convention.

The year also witnessed the passing of a significant milestone in the college’s long-range capital needs program. At this writing, construction of a new science-engineering facility is nearing completion, with classes to be moved into the new facility in January 1974. This construction has been made possible through the success of the One-Million-Dollar “Mission Possible” Development Campaign. An announcement of victory in reaching the goal of \$1,000,-000.00 is imminent.

The indebtedness of Chowan College as of May 31, 1973 stood as follows:

1.	12/1/62	\$550,000.00	3½ %	West Hall (Men’s Dorm 216 beds) ..\$	453,000.00
2.	12/1/63	760,000.00	3⅝ %	Belk Hall & Cafeteria (Women’s Dorm 212 beds)	674,000.00
3.	4/18/66	600,000.00	3%	Library-Fine Arts	569,000.00
4.	1/3/69	175,000.00	6%	Additional Land	131,000.00
5.	5/28/69	975,000.00	3%	Parker Hall (Men’s Dorm 280 beds....	955,000.00
					<hr/>
					Total Indebtedness\$2,782,000.00
					Less Sinking Fund
					Reserves 476,444.00
					<hr/>
					Net Indebtedness and
					Plant Facilities\$2,305,556.00

We are pleased to report that by authorization of the Board of Trustees, the indebtedness for East Hall of \$194,000.00, listed as number 1 in the Convention Annual of 1972, was retired on May 1, 1973, utilizing Sinking Fund Reserves for this account and using surplus accumulations from other income-producing dormitory accounts. In the first two instances above, loans were made from the Department of Housing and Urban Development, covering a 40-year period and carrying interest charges indicated; each is self-liquidating. In the third instance, the loan was from the U.S. Office of Education. In the fifth instance, the loan was from the Department of Housing and Urban Development, for purposes of constructing a new 280-bed dormitory for men. The loan for additional land is by arrangement with the original owner who, for tax purposes, would not agree to be paid other than over a period of 12 years; approximately 115 acres immediately adjacent to the main campus is involved. Moreover, by actions of the 1968 and 1969 Conventions, Chowan has been granted permission to borrow up to \$950,000.00 for purposes of constructing a new science-engineering

facility which is expected to cost approximately \$1,300,000.00, equipped. The Board of Trustees, by appropriate resolution, is requesting this Convention to authorize the borrowing of an additional \$155,000.00 in order to assure sound financing of this facility. As of this writing, the college has encumbered approximately \$850,000.00 toward the construction of the facility; fortunately it had on hand in advance of the beginning of the construction approximately \$127,000.00 of unencumbered plant funds which could be used for this project.

Members of the campus community were probably involved in community services throughout 1972-73 to a greater extent than in any other previous year, whether consideration is given to church, civic, school, or other types of services. Members of the faculty-staff were involved in a variety of leadership positions in the churches of the community. Members of the Baptist Student Union participated in a record number of worship and/or fellowship services with churches of the region and local agencies. A record number of Chowan students participated in the Baptist Youth Corps Program in the summer of 1973, with interest already being expressed with regard to this and other service opportunities for the summer of 1974. Other campus clubs, classes, and organizations were involved in services to schools and churches over a wide geographic area. The administrative staff has been encouraged with the response to the college's participation in the Stewardship Renewal Emphases, in conjunction with the Department of Stewardship and Cooperative Program Promotion of the Baptist State Convention.

The past year witnessed the death of one trustee whose service to the college and the region has been significant and of long standing. This was J. Henry Jones, Red Oak, North Carolina, whose tenure on the Board of Trustees covered the years 1951-1960, 1961, and 1962-1965. His counsel and benevolence will be greatly missed among us.

A new year brings added opportunities for learning and for service. Chowan College is grateful for the kind of support afforded by North Carolina Baptists, enabling her to continue the provision of quality higher education within the context of Christian faith and commitment. She welcomes the call for aid on the part of Baptists throughout the State, in whatever manner such aid may be rendered by the members of the college community.

GARDNER-WEBB COLLEGE

R. PATRICK SPANGLER, *Chairman, Board of Trustees*

E. EUGENE POSTON, *President*

The history of Gardner-Webb College reads like a miracle book. The school was chartered in 1905 as a Baptist Academy by the Kings Mountain Baptist Association. The following men constituted a committee to study the feasibility of such a school: the Reverend J. V. Devenny, Chairman; A. C. Irvin, J. E. McBrayer, D. F.

Putnam, and A. H. Sims. By the fall of 1907, when the first students enrolled, the Sandy Run Baptist Association had joined the Kings Mountain Baptist Association in sponsoring the school. While the school grew strong academically and spiritually, the financial strength was slow in coming. With the coming of war, depression, crop failure, and business reverses, the school struggled hard to survive. God did not plan to see the school close. Many people were called to come to the aid of the school with prayers, money, food, students, faculty, and administration.

There are 1,543 students enrolled for the academic year 1973-74. A faculty of 94 leads these students to develop themselves as Christian leaders for the 21st Century as well as the remaining part of the 20th Century. "Where there is no vision, the people perish." Gardner-Webb College is looking to the future as a part of the Baptist State Convention of North Carolina. Extremely grateful for the Cooperative Program, Gardner-Webb wants to continue as a vital part of the great missionary, educational, and beneficent movements that make up Baptist thrusts around the world. Gardner-Webb College is proud to be a Baptist college and to recognize the Headship of Jesus Christ.

The college lost one of her finest trustees by death. Mr. G. Wayne Dehart's death brought sadness and joy—sadness, because a great Christian friend was present no longer—joy, because Gardner-Webb College knows that Wayne DeHart won the final victory of Eternal Life. His widow is completing his unexpired term on the Board of Trustees. His son, Ray, is serving as a member of the Gardner-Webb College Board of Advisors.

The college has a debt of \$696,226, payable to the First Union National Bank of Charlotte. This is being amortized in the following way: one note, originally \$750,000, is being amortized at the rate of \$6,195 per month principal and interest, and another note, originally \$500,000, is being amortized at the rate of \$5,000 per month plus interest.

The current budget is \$3,800,000. The fall enrollment assures that the college will operate in the black unless there is a great drop in enrollment for the spring semester. The Father's Day Offering is a genuine boost to the academic and spiritual programs. We ask for the prayers and support of Christian people.

We always stress our purpose to all whom we contact—"To develop quality Christian students who think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice."

MARS HILL COLLEGE

CECIL LEE PORTER, *Chairman, Board of Trustees*

FRED B. BENTLEY, *President*

1972-73 marked one of the most significant years for Mars Hill College due to the completion of two new facilities, a revision of our college curriculum, and a school year that operated with an excess of income over expenditures.

The college had anticipated an enrollment of 1,500 students for the 1972 fall semester and was very pleased to have 1,504 actually matriculate. Contrary to the prior year, the college was off to a good start without the threat of a deficit operation. The cumulative enrollment for the year was 1,608 students, or an increase of 58 students over the prior year. Within this enrollment breakdown, we had 50 percent female students and 50 percent male, which was somewhat consistent with the prior year. In 1971, the college began construction on two new facilities—a college union building and a classroom office building. During 1972-73, these buildings were completed and are now in full operation. It would be impossible to articulate the benefits of these facilities to our college campus. The total value of our campus is now approximately \$15,000,000 with an outstanding indebtedness of \$1,474,565. Our indebtedness is less than 10 percent of our net worth and, therefore, we are significantly below national norms in terms of total capital indebtedness.

It was in the spring of the year that Mars Hill College received confirmation from the officers of the Kellogg Foundation of a grant to the college in the amount of \$100,000 to assist in faculty re-training, as we faced the revision of our program emphasis. Mars Hill College is one of the few institutions in the nation that is venturing into a competency-based curriculum in which institutional goals and experience levels will be set, and the methods of obtaining these goals articulated. This new curriculum will provide a greater flexibility for students entering Mars Hill and it will, at the same time, offer our faculty members opportunities to engage in new teaching-learning situations. The other point of emphasis in the competency-based program is that resources for instruction will be extended, not only to surrounding communities, but to any point within the United States and foreign countries.

During the summer months, Mars Hill College was privileged to host 3,161 visitors, some of whom were involved in conferences such as the Fellowship of Christian Athletes, The Week of Christian Study and Fellowship, The Superintendents of Maintenance of the public school systems, the North Carolina Association of Student Councils, Music in the Mountains and other such groups. The college also entertained 700 individuals connected with our new student orientation program. It is our hope that all of these conferees, new students and their parents, gained a greater insight into the nature of Mars Hill College and our commitment to Christian higher education.

In May, the college graduated 238 seniors and in August, 79 were graduated, for a total of 327 graduates for the year 1972-73 or an increase of 42 for the year.

As aforementioned, Mars Hill College operated the 1972-73 school year with an excess of income over expenditures. With this very stable operation for the past academic year, the entire college family was able to move into its planning for 1973-74 with tremendous optimism and enthusiasm. At this writing, the 1973 fall enrollment is 1,525.

It would be both myopic and unjust if we did not commend the Baptists of North Carolina for their very generous support of Mars Hill College through the Cooperative Program and the Baptist College Day Offering. These funds represent the stabilizing influence within our college financial picture and also continue to remind us of the thousands of committed Baptists who are behind Mars Hill College. We are an institution that is fortunate indeed!

MEREDITH COLLEGE

C. C. CAMERON, *Chairman, Board of Trustees*

JOHN E. WEEMS, *President*

The 1972-73 academic year at Meredith College marked the beginning of a new era in college history with the inauguration of the college's sixth president, Dr. John Edgar Weems, on September 22, 1972, in ceremonies reflecting renewed dedication to the rich heritage of this Baptist college founded for women in 1891 and enthusiastic acceptance of the challenge of the future offered in Christian higher education.

The trend of increasing enrollment at Meredith College continued in the fall of 1973 with dormitories filled and a total enrollment of more than 1,400 students. (Degree candidates included 1,117 resident students, 156 non-resident students, and 153 special students in collegiate courses, for a total of 1,426.) The record enrollment represents encouraging growth and the realization of the goal to make the college financially secure through increasing enrollment.

During 1972-73 a number of creative curricular changes were effected with a view to adding breadth and depth to the curriculum and to showing concern for the total life of the student and the larger community in the ministry of Christian education. First, Meredith formally launched a Continuing Education program offering a variety of enrichment courses which has attracted a total of 170 students in non-credit enrichment courses at this initial stage.

In conjunction with the office of Continuing Education seminars for adults interested in entering or returning to college are offered. Meredith offers a special opportunity to the woman whose education has been interrupted. A woman over 23 years of age is permitted to take 15 credit hours as a Special Student before applying for admission as a degree candidate. If she then wishes to apply, her admission will be based upon her performance on the first 15 hours at Meredith, rather than on previous high school or college performance. Continuing education also aids the adult student in planning the first 15 hours as a special student. Second, the college instituted three bachelor of science programs which offered new alternatives to students. Third, and perhaps most innovative, Meredith began a Human Services program, primarily through the interest of the sociology department, which cuts across disciplines and synthesizes knowledge and experience in new avenues of service. In addition to these programs, there are under consideration for implementa-

tion an executive training program to help women fulfill the potential of rising to top management positions, and an educational program that would bring to Meredith College adequate computer equipment and proper instruction in this area.

During the 1972-73 academic year, Meredith demonstrated a continuing interest in encouraging the international dimension in undergraduate education. The Special Studies arrangement made possible Study Abroad programs that permitted individualized study and travel in Europe. Moreover, members of the faculty studied, travelled, and conducted research in Asia through the South Atlantic States Association for South Asian Studies and the Fulbright Hays Senior Faculty Research Abroad Fellowship program.

During 1972-73, Meredith welcomed the opportunity of continued service to numerous Christian youth groups. The second annual "Ac-teens Day at Meredith" brought hundreds of young women to Meredith where they learned of mission action programs, and for the fourth consecutive year the Baptist Journeyman program, sponsored by the Foreign Mission Board, was held on the Meredith campus.

In 1973 the unprecedented support of alumnae, friends, corporations and foundations made possible the successful attainment of the Meredith College advancement program goal of \$5 million in five years (1968-1973). This included the construction of the Carlyle Campbell Library, the Weatherspoon Physical Education-Recreation Building, two new residence halls, the College and Continuing Education Center, and extensive renovation of the administration building, Belk Dining Hall, classroom buildings, older residence halls, and installation of the Cooper Organ. During this five-year period enrollment increased 46 per cent; faculty salaries increased 50 per cent; and financial aid resources, 667 per cent.

Recently the trustees have authorized the study of planning and financing for a long-needed new music building. Since 1968, the percentage of music graduates has increased from 1.8 per cent to 10.6 per cent. Many Meredith graduates serve in local churches in a number of capacities, and the music program enriches the life of the community and surrounding areas.

The generosity of North Carolina Baptists helps to make possible a lower tuition rate than may be found in many other women's colleges, and scholarships permit many young women to participate in the life of the Meredith community. In 1972-73, Meredith awarded and coordinated almost \$400,000 in scholarships and student aid for 279 students. The total awards for individual students ranged from \$100 to \$3,150. Included in the financial aid program are the Regional Baptist Scholarships for Baptist young women in North Carolina. Each year Meredith makes available one scholarship to an entering freshman and one to the graduate of a two-year college in each of the ten regions formed by the Baptist associations. The scholarships range from \$100 to \$1,000 per year, depending upon the financial need of the recipient.

Meredith faculty and administrators work closely in Associational

activities in the Cooperative Program Promotions and with the Council on Christian Higher Education of the Baptist State Convention.

Total assets for the 1972-73 fiscal year were \$10,556,265 with an indebtedness of \$1,911,000. Gift and grants income, including deferred gifts and \$70,000 appropriation for scholarships for North Carolina students, was \$1,023,000, the largest in the history of Meredith College. The College is grateful for this generous support, of which \$299,250 was from the Baptist State Convention through the Cooperative Program. The College has no short-term indebtedness and continues to operate on a balanced budget.

The Meredith community was saddened by the death of Mr. C. D. Baucom, a dedicated member of the Board of Trustees, who died on November 21, 1972. His devoted service was a great asset to the college and he will be greatly missed. Two new trustees were appointed during the year to fill unexpired terms: Mrs. Clara Carswell and Senator Jesse Helms.

WAKE FOREST UNIVERSITY

GEORGE W. PASCHAL, JR., *Chairman, Board of Trustees*

JAMES RALPH SCALES, *President*

Wake Forest University will celebrate its 150th anniversary in 1984. During the 1972-73 academic year an exhaustive study was conducted to determine the University's potential and needs for the ten intervening years.

The result of the study was the opening of a campaign in March to raise \$8,590,000 for increased endowment of the College, the School of Law and the Babcock Graduate School of Management; for construction of a fine arts center; and for renovations in the Z. Smith Reynolds Library and Wingate Hall. More than \$6 million had been raised by September, including gifts of \$2 million from the Z. Smith Reynolds Foundation and of \$1.5 million from the Mary Reynolds Babcock Foundation.

Construction of the new fine arts center was begun this fall. The center, which will be built by stages, will provide sorely needed facilities for the arts.

A formal program in March marked the acquisition of the library's 500,000th book, a first edition of John Locke's *An Essay Concerning Human Understanding*. When the University moved to Winston-Salem in 1956, the library had 140,400 volumes.

The University awarded 769 degrees at its 1973 commencement, including degrees to the first 39 graduates of the Babcock Graduate School of Management and the first two students to earn the Ph.D. degree (biology) on the Reynolda campus.

Enrollment for the 1973-74 academic year is 4,117. This includes 2,916 undergraduates, 326 students in the Graduate School, 388 in the School of Law, 158 in the Babcock School, and 329 in the Bowman Gray School of Medicine. The enrollment, about 100 more than last

year, reflects small and carefully planned increases in the professional schools.

The University is grateful for the support and confidence expressed by its alumni, the Baptist State Convention, and other friends. During the 1972-73 year the Convention gave to Wake Forest University \$526,896 through its Cooperative Program.

The University community was saddened by the deaths of Dr. Charles Spurgeon Black, professor emeritus of chemistry who died September 30, 1972, and Dr. William Louis Bingham, Lexington physician and former Wake Forest trustee who died December 17, 1972.

Following is an analysis of the University's outstanding loans as of June 30, 1973:

WINGATE COLLEGE

GLENN G. RHODES, *President, Board of Trustees*

BUDD E. SMITH, *President*

For the year 1973-74 the fall enrollment of Wingate College is 1,335. The enrollment is composed of 705 freshmen and 630 sophomores. This does not include the evening school enrollment which will serve many others. The grand number of individuals served by Wingate College during 1972-73 was 1,681. More than half of the students enrolled at Wingate College are members of North Carolina Baptist churches. Wingate College works diligently to provide financial assistance for North Carolina Baptist students who need student aid.

The budget for 1973-74 is \$3,498,276.00. During 1973 the college has paid off all indebtedness, and at the present time there is no outstanding indebtedness against Wingate College. The campus is valued at \$17,500,000.

The average compensation for teachers at Wingate is approximately \$9,600.00 for nine months. There are more than 80 faculty members and approximately 200 employees on the college payroll. This is considered a very important part of the economy of Union County. Fringe benefits for teachers and staff members include hospitalization insurance, retirement, Social Security, tuition payments for graduate study, fellowships, moving expenses, free tuition for children of employees, travel expense to professional meetings, and extended disability coverage.

The recently completed addition to the library is now in operation and makes this one of the outstanding two-year college libraries in the country. At the present time we have approximately 60,000 volumes that have been chosen for the first two years of college.

The maintenance department of the college continues to keep the work up to date on the campus so that all areas of the campus are now in excellent condition.

During 1973 Wingate was the recipient of outstanding scholarship funds by the friends of Hal W. Little and Mr. and Mrs. Fred H. Allen of Wadesboro. Both of these families have been long-time friends of the school and keenly interested in what was taking place.

The college has just completed a ten-year self-study for the Southern Association of Colleges and Schools. This study involved faculty members, administrators, staff members, students, trustees, and friends.

Several exciting programs have gained the interest of students. One of these is pre-school education under Dr. Gael Macnamara, where the enrollment has doubled in one year's time. Another program of interest is the recreational program, designed to license directors of recreation in various communities throughout the state and in churches. The textile management program, begun with the encouragement from the late Mr. Charles A. Cannon, has continued to do well, and we hope that it will continue.

Mrs. Ruth D. Horton has retired after being a continuous member of the Wingate College faculty and staff since the early thirties, with the exception of one year. Mrs. Horton served the college as business manager and as chairman of the Department of Business for a number of years.

Death came to a very faithful member of the college staff, Mr. J. B. Spittle of the Wingate community. He served the college as caretaker since the early thirties.

Dr. and Mrs. Smith have led Wingate College through twenty progressive years. The emphasis has been on sound academic development including the library, the teaching faculty, and service to students. The campus today has grown from 33 acres in 1953 to 290 acres. Since 1957, approximately 40 new buildings have been added to the campus, now valued at \$17,500,000.

Wingate College is grateful for the financial support which comes through the Cooperative Program of the Baptist State Convention, and for the Scholarship Offering on Father's Day.

H. DIVISION OF CHRISTIAN SOCIAL SERVICES

1. Baptist Children's Homes of North Carolina, Incorporated

LEWIS H. JENKINS, *Chairman, Board of Trustees*

W. R. WAGONER, *President*

Baptists of North Carolina provide a ministry of love and care for children, young people and their families. The program is more than buildings and grounds. The care of children is missions, reaching out with a helping hand; it is evangelism, sharing the joy of life in Christ; it is love and affection; it is education, teaching an appreciation for the finer-higher things in life; it is restoration,

enabling families to function again. It provides an opportunity for all of our people to make possible a ministry close to the heart of our Lord.

Broyhill Home has served to strengthen all services of the Homes in Western North Carolina. Two cottages for children were completed and occupied in January of 1973. Capacity is now forty-eight children plus staff and their families. Work is in progress on the Administration Building and the Recreation Building at Broyhill Home. These much needed buildings are scheduled for completion in the late Summer of 1974. Our children have adjusted well to the campus, schools, churches, and various community organizations. The Maternity Home in Asheville is operating at capacity in its service to unwed mothers. People of Western North Carolina are to be commended for their generous giving which has resulted in more adequate child care services in that area of the state.

Exciting developments are in progress in the Piedmont area. Mills Home has a new administrative organization. The twenty cottages have been divided into four units of five each. Each unit has a director with adequate caring and planning personnel. These smaller units provide closer working relationships between staff members, between staff and children, and between staff and families. Wall Home is being used in an outdoor adventure program for a group of boys. Exploration is under way with Baptists in Alamance and Mecklenburg counties for the establishment of emergency care shelters. These units will be joint ventures between the Homes and local supporters, with the local group providing the buildings and the Homes operating the program of care.

Numerous opportunities exist in Eastern North Carolina for a host of friends to share in developing modern facilities and the most up-to-date services for needy children and their families. A cottage for children and two staff residences are under construction at Kennedy Home and are scheduled to be completed during 1974. The Ten Star Builders Program for Eastern North Carolina will give major attention to Odum Home at Pembroke during 1973-1974. A challenge gift has been assured for a recreation building. Funds are currently being sought for two family-style cottages for children and a residence for the Director at Odum Home. These added facilities will enable us more adequately to serve the South Eastern Area of the State.

The Child Development Center on the Mills Home campus is a "crossroads" for a variety of groups interested in pre-school programs in day care, kindergarten, and nursery school education. Representatives from churches, schools and colleges, government and private interests use the Center to observe and study young children and methods of work with them. Its continuing purpose is to offer quality care and learning experiences for the children who attend the Center, and to provide a dependable model for churches and other groups who wish to observe and consult concerning needs for services to young children and their families.

The Baptist Children's Homes of North Carolina has always oper-

ated on a very conservative budget. We have little margin with which to cope with today's high cost of living for, consistently we have invested available resources in the lives of those whom we serve. We are caught up in the day-by-day rising costs of operation. It becomes necessary for us to make a strong appeal to our Baptist people and other friends for increased financial support to the Cooperative Program, through the Thanksgiving Offering, and through Special Gifts. A fourteen percent increase is desperately needed in order to enable us to continue an effective ministry at the present level. It shall be our purpose in the future, as in the past, to keep faith with our Baptist people in providing a Christian home and way of life for the boys and girls we serve.

2. North Carolina Baptist Homes for the Aging

WILLIAM A. POOLE, *Superintendent*

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed \$195 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20 per cent of the total income of the Homes, and through the Cooperative Program, you gave 10 per cent of the total budget need. The gifts through these two sources were greater than ever before and exceeded \$300,000.00. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Baptist

Homes that there is no finer care an older person can receive this side of Heaven than the care given in our Homes for the Aging. Everything that we do for Christ should be this way, and we are certainly trying to give Him our best day by day in our ministry to the older people in our care. There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our supervisors, or "Mothers," as they are often called was given the name of "Guardian Angel," when a resident, during an illness discovered later that the "Mother" was keeping vigil just outside her door.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

3. North Carolina Baptist Hospitals, Inc.

BOYCE BROOKS, *Chairman, Board of Trustees*

REID T. HOLMES, *President*

JOHN E. LYNCH, *Chief Executive Officer*

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to above 600, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be approximately 700 with bassinets.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.

2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was \$1,-

390,000—nearly four times the amount of the Mother’s Day Offering—and this does not include the value of physicians’ service, provided without cost to these service patients.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state, beginning in the near future. Dr. Ted Dougherty joined the staff October 1 to be in charge of this work. Your Cooperative Program gifts support the work of this department.

The hospital’s financial operation is “in the black,” and there has not been a general room rate increase in two and one-half years. As of this date, the Mother’s Day Offerings are running ahead of last year.

Highlights of the Year

Circulation continued to climb in the past year, but the rapidly increasing cost of publishing the *Biblical Recorder* left its mark as another deficit was incurred. With further economies scheduled for the coming year, it is hoped that there will be a turn-around in finances even though postage, paper, and other costs are going up daily. An increase in the Church Budget Plan is likely in 1974 to off set the inflationary spiral. Circulation is 106,860, the highest in the 140-year history of the *Recorder*.

Personnel changes are inevitable in any organization. Toby Druin, associate editor, has resigned effective December 1. Woodrow W. Hill has been named assistant editor to succeed him, in addition to his responsibilities as field representative. He will continue to live in Trinity and will increase his writing and photographic duties with

the *Recorder*. Mr. Druin is becoming editor of the News Service of Home Mission Board. The *Recorder* editor and other staff members will re-align their work, thus filling the gap. These changes are part of a continuing effort to reduce costs. The *Recorder* staff is smaller than it was 15 years ago.

The *Recorder* appreciates the financial assistance of the Baptist State Convention but hopes that this can be increased in the future so subscription rates can be held within the reach of more churches. As one illustration of rising costs, postage alone has increased more than 200 per cent in the past three years.

Despite these problems, the *Recorder* will make it as through the years. The *Recorder* feels a strong obligation to serve North Carolina Baptists in the most effective way possible and this goal continues foremost in the minds of the directors and the *Recorder* staff. The support of all North Carolina Baptists is appreciated.

V. REPORT OF THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

EDWIN S. COATES, *Executive Secretary*

Market value of the N. C. Baptist Foundation investments in securities and savings was \$801,842.96 on June 30, 1973. Real estate held by the Baptist Foundation was valued at \$861,167.54. Total market value of all assets on this date reached \$1,663,010.50.

On June 30, 1972, the at-cost, or inventory value of the liquid assets held in trust by the Baptist Foundation and invested by Wachovia Bank & Trust Co. was \$713,561.54. On June 30, 1973, these assets had grown to \$776,185.98, a gain of \$62,624.44. This increase was due to new gifts to the Foundation and from a return to principal of a portion of the earned income on investments. Additions to existing trust funds through gifts and the establishment of new trust funds totaled \$53,204.92 during 1972-73.

Gross income from earnings totaled \$49,759.63 during 1972-73, including \$8,352.30 from the Lola Norwood Estate. Total paid to beneficiaries during the year amounted to \$32,286.91. Yield on assets after deducting unproductive real estate was 5.3 per cent for 1972-73.

New trusts were established during the fiscal year as follows:

Zara B. Hunt Memorial: Gift by Mr. & Mrs. Brunie F. Collins, Wilson, N. C.

(Beneficiary, Baptist Children's Homes of N. C., Inc.), \$1,000.00

Curtis Beam Fund: Gift by Miss Curtis Beam, Charlotte, N. C. (1/4 Baptist Children's Homes of N. C.; 1/4 Baptist Homes of N. C., Inc.; 1/2 Foreign Mission Board of SBC), \$37,260.00

Mr. and Mrs. J. E. Alderman, Mr. and Mrs. Wm. A. Parker, and Mrs. Antoinette A. Merrell Memorial Fund: Gift by Mrs. Mary A. Parker, Raleigh, N. C. (Lottie Moon Christmas Offering, FMB), \$10,000.00

R. C. and Sallie Eggers Fund: Gift by Rev. R. C. Eggers, Zionville, N. C. (Coop. Program), \$1,000.00

Charles H. McCarthy, Sr. and Elizabeth J. McCarthy Trust Fund: Gift by Mrs. Charles H. McCarthy and children, Charles H. McCarthy, Jr., and Elizabeth M. Oldham, Wilmington, N. C. (Foreign Mission Board through Long Leaf Baptist Church, Wilmington, N. C.), \$1,000.00

Alonzo M. Deitz Fund: Gift from estate of A. M. Deity by widow, Mrs. A. M. Deitz and sons, Carl M. Deitz and F. R. Deitz, Weaver-ville, N. C. (Cooperative Program), \$1,000.00

Significant gifts were received from the:

Paul Kelly family, Raleigh, N. C. (addition to Kelly Memorial Fund) Dr. & Mrs. R. K. Redwine, Winston-Salem, N. C. (Additions to Richard K. & Beatrice B. Redwine Scholarship Fund) Rev. William A. Poole, Winston-Salem, N. C.

During the year, the Baptist Foundation Board of Directors studied new investment procedures to provide a reasonable yield on investments as well as obtain a growth in value of principal to withstand inflationary pressures. Effective July 1, 1973, all investments were placed in a common trust fund to be managed together rather than individually by the bank trust department. A total yield plus growth of 8 to 9 per cent was established as a goal for the ensuing year.

The Foundation office has given assistance to many individuals pertaining to preparation of wills by their attorneys. Bequests continue as a practical approach to making significant gifts to the Lord's work. This is an everlasting way to give of material possessions and of influence. A tithe of these assets on the part of North Carolina Baptists could assure an incredible increase in spreading the Gospel throughout the world. An average of \$1,000.00 per will of N. C. Baptists would endow our institutions and agencies with one *Billion* dollars.

New emphasis was placed on Charitable Annuity Trusts and Charitable Unitrusts as a means of providing life income to donors as well as a residual gift to the ministry of the church. This method of giving is favored by many who hold appreciated property and securities that could provide tax benefits, life income, and knowledge that the ministry of the church will be financially supported perpetually on this earth.

VI. REPORT ON CONVENTION COMMITTEES

A. HISTORICAL COMMITTEE

At its first meeting, the Historical Committee voted to recommend to the Executive Committee of the General Board of the Baptist State Convention that Dr. David L. Smiley, Professor of History at Wake Forest University, be the one to write the History of N. C. Baptists, beginning at the close of the History written by Dr. M. A. Huggins and continuing to 1980 or whatever time the General Board designates. It was later learned by members of the Historical Committee that the General Board approved our recommendation and that Dr. Smiley has been approached by that Board and has agreed to accept the invitation to write the History.

At the second meeting of the Historical Committee, the members present listened to a report of Dr. John Moore of Lexington, Virginia, on "What Virginia Baptists Did to Prepare for the Celebration of their Sesqui-Centennial." Virginia is celebrating this Centennial this year. It was felt by Mr. Woodard, who presented Dr. Moore to

us, and by the members of the Committee that what Dr. Moore had to share with us would be of value as we studied what to do about recommending to North Carolina Baptists and to the General Board areas to be considered as we look forward to celebrating our Centennial.

The following motions were passed by the Historical Committee at the July Meeting, and we herewith recommend these to the Baptist State Convention of North Carolina in its annual meeting in Greensboro, North Carolina, on November 12-14, 1973:

1. That a Committee be appointed by the State Convention or by the General Board to begin planning now for North Carolina's Sesqui-Centennial Celebration in 1980.

2. That some members of the Historical Committee be appointed to serve on the North Carolina Planning Committee for the Sesqui-Centennial.

3. That in the future, the Chairman of the Historical Committee be appointed for a period of two years, and that this recommendation of the Historical Committee be called to the attention of the Nominating Committee, or the Committee on Committees, at each year's preparatory meeting as it considers its report to North Carolina Baptists in their annual session. In observing past experiences, the Committee feels that this arrangement will enhance the fruitfulness of the Chairman and other members of the Historical Committee in the future.

The Historical Committee was informed that the Rev. Lewis E. Ludlum, retired Superintendent of Missions in Pilot Mountain Baptist Association, Winston-Salem vicinity, has had conferences with Mr. John Woodard and the President of Wake Forest University concerning Mr. Ludlum's working with the Collection in encouraging the writing and collection of church and associational histories. The Historical Committee went on record as approving what Wake Forest University and Mr. Woodard can do to enlist the services of Mr. Ludlum. It is the hope of the Historical Committee that the Baptist State Convention can find some financial assistance when and if needed to support Mr. Ludlum's activities in this phase of the work of the Baptist Historical Collection.

In his report of the Baptist Historical Collection for the year ending June 30, 1973, Mr. John Woodard calls attention to the basic function of the Baptist Historical Collection. He points out that he and other staff members have continued in their efforts to collect, preserve, and make available to the Baptists of our State the most complete and comprehensive collection of Baptist source materials on North Carolina Baptists, past and present, that can be assembled. During the past year, Mr. Woodard and his associates have tried to enlarge the past endeavors and projects, and to refine the existing methods to provide better service to those individuals who are researching and writing our denominational history.

With the resurgence of interest in history by our denomination and on the part of the general public, Mr. Woodard indicates his willingness and that of his staff to provide the services of the Bap-

tist Historical Collection in preserving our religious heritage for Baptists of North Carolina.

During the year the Collection accessioned 112 printed books and pamphlets, including two on microfilm; 29 volumes of periodicals and serials and two indexes; 122 association minutes, 19 Primitive Baptist Association minutes, and 27 annuals and minutes from other states. The need for more cooperation on the part of the leaders in our associations is seen in the fact that out of 80 associations in the State the Collection received only 43 of the 1972 minutes of the associations. Mr. Woodard and other members of his staff have minutes bound for permanent preservation on a five year basis. Last year, 29 volumes of North Carolina association minutes were bound.

The file of biographical information on past and present pastors and denominational leaders of North Carolina grew during the past year by the addition of 205 clippings, 29 biography forms, and 11 photographs. Microfilm copies of church and association records are added to the Collection monthly. This service is especially helpful to churches and to associations because of the loss of so many of such records through fires that destroy these records. These microfilm copies are also the basic sources for writing and recording our denominational history, and without these basic sources very little can be done in the areas of church and association history. During the past year the Collection added 67 microfilm records of churches to the file.

The Collection continues to cooperate with the local Record Unit of the State Department of Art, Culture, and History who go in the counties of our State and offer to record free of charge the historical records that are brought to the court houses. During the past year the Collection sent a letter to each pastor, clerk, moderator, and historian in 15 of the 100 counties of our State, calling the attention of these church leaders to the availability of this service.

The file on North Carolina churches contains historical sketches, bulletins, brochures, photographs, newspaper clippings, and other materials on our North Carolina churches and their activities. During the year, 5,652 clippings and 87 other historical items about North Carolina churches were added to the files of the Collection.

Manuscripts and photocopies of the personal papers of individuals and the official records of our Baptist organizations are also being collected. A very significant addition during the past year was the Sophie Lanneau papers, which is one of the most valuable manuscript collections for historical research purposes that the Collection has ever acquired. These family letters and other items totaling 1,786 all relate to the accomplishments of this missionary to China. Miss Lanneau was a missionary from North Carolina, whose sister lived at Wake Forest, North Carolina. The daughter of that sister, Miss Hannah Holding of Wake Forest, and Southeastern Baptist Theological Seminary at Wake Forest, working together, have made possible the acquiring of these personal papers and letters of Miss Lanneau. Another valuable addition to the Collection in this area was made possible by the purchase of papers relating to the Manly family—

Basil, Sr., Basil, Jr., and Charles—all prominent leaders in South Carolina and North Carolina.

Without researchers, in person or by mail, the basic reason for the existence as a Collection of denominational historical materials would be invalid. The Baptist Historical Collection welcomes the serious scholar and those who inquire by mail. During the year there were 54 registered researchers and many researchers who did not register. They came from various departments of Wake Forest University, from other schools and colleges, from all over North Carolina, and some from out of state. The majority of the research at the Baptist Historical Collection consists of answering mail inquiries. The correspondence, including enclosures, totaled 1,695 during the year.

Mr. Woodard and the Historical Committee express sincere appreciation to the Baptist State Convention of North Carolina for the \$2,000 appropriation during the past year to aid in the indexing of the *Biblical Recorder*. The 1971 index, containing 8,703 entries, has been published. Work is continuing on the 1972 index, and the 1967 index is being edited. Student workers are indexing the 1973 and the 1966 volumes of the *Recorder*. The indexes are available to researchers in the Search Room of the Baptist Historical Collection, and also may be purchased for the sum of \$5.00 per copy.

The response to the "Tar Heel Baptist Footprints," the quarterly newsletter of the Historical Collection, has been extremely gratifying. The mailing list now includes about 250 individuals and institutions.

North Carolina Baptists should be proud of the fact that Mr. Woodard continues to serve on the Church Records Committee of the Society of American Archivists, and as a Director of the Southern Baptist Historical Society. He continues to represent the Collection at various meetings, and has served as Co-Chairman of the Statistics and Denominational History Conference at Ridgecrest.

The Historical Committee commends the excellent work of Mr. Woodard for the fine ministry he continues to perform on behalf of North Carolina Baptists as Director of the Baptist Historical Collection. We solicit the support of all North Carolina Baptists for Mr. Woodard and the Collection to the end that we may together preserve the history of our churches, our associations, and the great Baptist Convention of North Carolina for present and future generations.

C. COMMITTEE ON TRUSTEE ORIENTATION

The Committee on Trustee Orientation is listed in the Convention bylaws as one of "those to report at the next regular session of the Convention." Its principal responsibility is spelled out in the bylaws as follows: "The Committee shall be responsible for planning and promoting an annual orientation program for Trustees and Directors of Convention institutions and agencies."

In keeping with this responsibility the Committee planned and conducted a two day program for all the Trustees of our institutions and agencies. The 1973 meeting was held at the Durham Motor Hotel, Durham, North Carolina, January 5th and 6th. The meetings began with a dinner session on Friday night, presided over by Roger E. Williams, Jr., Chairman of the Committee. Following greetings by Mr. Thomas M. Freeman, President of the Baptist State Convention, and special music provided by the Meredith College Ensemble, Mr. J. Marse Grant introduced the principal speaker of the evening, Dr. Albert McClellan. As Program Planning Secretary of the Southern Baptist Executive Committee, Nashville, Tennessee, Dr. McClellan spoke on the subject, "Communications and the Inter-relatedness of Institutions in Baptist Life."

At the Saturday morning session, Dr. W. Perry Crouch, General Secretary-Treasurer, Baptist State Convention of North Carolina, stressed the relationship between the institutions and the Baptist State Convention. The second speaker of the morning session was a distinguished Winston-Salem Attorney, T. Winfield Blackwell, who spoke with great conviction on the following theme: "Assuring and Safeguarding the Agency's Interest In Wills, Bequests, and Trusts."

The final aspect of the morning session was an illustrated presentation of the opportunities of Christian service to older people in the state of North Carolina. Mr. J. Eddie Brown, Executive Director, North Carolina Governor's Council on Aging, Raleigh, North Carolina, spoke on "A New Awareness of the Growing Presence of Senior Citizens," and illustrated his talk with many dramatic slides picturing the life and problems of the elderly in our state.

The Trustee Orientation Meetings continue to be one of the best attended conferences sponsored by the North Carolina Baptist State Convention. One of the strong features of these meetings is the opportunity afforded the Trustees of all our agencies, along with the Directors of the *Biblical Recorder* and the Baptist Foundation, to get acquainted with each other and to become more aware of the tremendous scope of services rendered by the North Carolina Baptist State Convention. A great deal of credit for the continuing success of these meetings must go to Mr. Robert Mullinax and Miss Grace Yow of the Council on Christian Higher Education.

THE GENERAL BOARD ON PAGE 109**

RESOLUTION

BOARD OF TRUSTEES OF CHOWAN COLLEGE

**TO THE GENERAL BOARD OF THE BAPTIST STATE CONVENTION OF
NORTH CAROLINA**

Whereas, the Board of Trustees of Chowan College finds it advisable and necessary, in order that such institution should best carry on its work to serve a student body of approximately 1,350-1,500, to borrow an additional sum of ONE HUNDRED FIFTY-FIVE THOUSAND (\$155,000.00) to be used for purposes of construction of a new science-engineering facility for said college, and

Whereas, the Baptist State Convention of North Carolina in 1968 granted permission to borrow \$550,000.00 and the 1969 Baptist State Convention of North Carolina gave permission that the college borrow an additional \$400,000.00 for the aforementioned purpose, but now finds that the project cost for this facility actually amounts to \$1,300,000.00, and

Whereas, Chowan College currently has in hand funds amounting to the difference (\$195,000.00) between the project cost of \$1,300,000.00 and the \$1,105,000.00 which it proposes to borrow, and

Whereas, it is the opinion of the said Board of Trustees that it will have funds coming to it for capital purposes which will be sufficient to liquidate said loan over a period not in excess of forty (40) years, and

Whereas, it is anticipated by Chowan College that due to the construction schedule of said building and the repayment schedule of loans now outstanding that said college will not owe at any time, including self-liquidating loans, a sum in excess of THREE MILLION NINE HUNDRED FIFTY THOUSAND DOLLARS (\$3,950,000.00).

Now THEREFORE, be it resolved by the Board of Trustees of Chowan College:

1. That Chowan College borrow a sum not in excess of ONE HUNDRED FIFTY-FIVE THOUSAND DOLLARS (\$155,000.00), together with the \$950,000.00 already authorized, to be used for the purpose of constructing a new science-engineering facility at said institution.

2. That the sum actually borrowed, together with the interest thereon, shall be repaid over a period not in excess of forty (40) years the payment of principal and interest be made in annual, quarterly or monthly installments.

3. That the proper officers of Chowan College be and they are hereby authorized and empowered to execute, or cause to be executed, in the name of said college, a note or notes and/or bonds evidencing an indebtedness incurred under the authority of this

Resolution and also to execute or cause to be executed, in the name of said college, a mortgage or mortgages and/or deed of trust upon the lands on which said new science-engineering facility shall be erected, together with the approaches hereto, provided, however, that such mortgage or deed of trust shall not in any way encumber any other property owned by Chowan College.

4. That no part of the indebtedness which may be incurred by Chowan College under the authority of this Resolution shall in any respect be deemed or held to be an indebtedness or obligation of the Baptist State Convention of North Carolina, and neither the Baptist State Convention of North Carolina nor its General Board shall assume any responsibility whatever for the repayment of such loans or any interest thereon.

5. That the Baptist State Convention of North Carolina at its next regular session be requested to authorize Chowan College to borrow not in excess of the sum above mentioned upon the terms and for the purpose herein set out.

The Resolution was unanimously adopted following a motion by Dr. W. Raleigh Parker, seconded by Mrs. W. C. Roberts.

The above Resolution and action by the Board of Trustees in session Monday, February 19, 1973, is a true and exact excerpt of the Minutes of said meeting.

Statistical Reports

Associational and Convention

Prepared by The Office of Statistics and Survey

TED W. WILLIAMS, *Director*

MRS. LAFATA LUSK, *Office Secretary*

MRS. AVENELLE KING, *Pool Secretary*

The following information was supplied by the clerks of the eighty (80) Baptist Associations in North Carolina. We greatly appreciate the faithful service they have rendered in compiling the statistical data. These reports are based on the associational year, and the financial figures are not the same as those based on the calendar year reported by our Convention business office.

Items marked (*) give latest data available.

Items marked (**) give total expenditures.

Churches not reporting: Indicated by (1), (2), or (3)

(1) First year not reporting—previous year's report will be carried, except for baptisms, additions by letter, number of missions operated by church, and Vacation Bible School enrollment.

(2) Second consecutive year not reporting—latest total membership only will be carried.

(3) Third consecutive (and subsequent) year not reporting—no figures carried, but will be counted as a church. (A church will be counted until verification is received from the association that a subject church has been disaffiliated from said association.)

AUDITOR'S REPORT**Auditor's Certificate**

EXECUTIVE COMMITTEE OF THE
GENERAL BOARD OF THE
BAPTIST STATE CONVENTION OF
NORTH CAROLINA
RALEIGH, NORTH CAROLINA

Gentlemen:

We have examined the balance sheet of the Baptist State Convention of North Carolina as of December 31, 1973, and the related statements of income and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The statements which are a part of this report, show the condition of the General, Education and Social Service Institutions funds at December 31, 1973, and the results of the income and expenses for the year then ended. The statements of the North Carolina Baptist Assembly and the Fruitland Baptist Bible Institute cover the operations for the period of twelve months ended December 31, 1973, and in addition, give a reconciliation of cash. The funds shown as sent direct were taken from reports received by the Convention and were not otherwise verified by us.

In our opinion, subject to Notes 1 and 2, regarding fixed asset values and depreciation, the accompanying balance sheet and statements of income and expenses and fund balances present fairly the financial position of the Baptist State Convention of North Carolina at December 31, 1973, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to such organizations, applied on a basis consistent with that of the preceding year.

Respectfully submitted,
A. T. ALLEN & COMPANY
Certified Public Accountants

NOTES TO FINANCIAL STATEMENTS
December 31, 1973

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Convention conform to generally accepted accounting principles, applicable to related non-profit organizations. The Convention records its receipts and disbursements on the cash basis and adheres to fund accounting. Other policies are described below:

ACCOUNTS, NOTES AND OTHER RECEIVABLES—As the Convention is on the cash basis, no income is accrued. However, receivables not involving income accruals are recorded.

PREPAID ITEMS AND INVENTORIES—Inventories and prepaid expenses are recorded at cost and are charged to the following accounting period. Amounts in this category are normally small and are usually recorded to conform to budget procedures.

FIXED ASSETS—Purchases of fixed assets and improvements are charged to operating expense as they are paid for. The assets are also recorded at cost in the fixed asset accounts of the general fund and credited to the fund balance. No consideration is given to depreciation. Leasehold costs are amortized over the life of the leaseholds or extension thereof. Real estate disposed of is deleted from the fixed asset accounts at the time of disposition. Personal property is also deleted from the fixed asset accounts when disposed of, if complete information is available. Information on all disposals is not always known. Detailed subsidiary ledgers are not maintained.

DEBT AND LIABILITIES—As the Convention is on the cash basis, current unpaid expenses are not accrued and do not involve an accounts payable account. As a practical matter, at the end of the year, most all creditors are paid right up-to-date. Long-term notes and other liabilities not previously referred to in this paragraph are recorded on the Convention books and appear on the balance sheet.

RETIREMENT PLANS—The Convention contributes to retirement plans for its own employees and shares in the cost of plans of employees of participating Baptist churches in North Carolina. All such costs are charged to operations in the year paid.

RESTRICTED RESERVE FUNDS—The Convention routinely receives contributions designated for specific uses. From time to time, the Convention or General Board designates certain funds for special purposes. All designations are recorded in restricted fund accounts so that charges to the accounts can be restricted to the designated purposes.

INCOME TAXES—The Convention is a tax exempt organization and does not, therefore, have to account for income taxes.

(2) DEPRECIATION:

Fixed assets are valued at accumulated costs for prior years, plus costs of additions for the current year, reduced by dispositions when ascertainable, and with no consideration given to depreciation. As a result, the values do not reflect depreciated costs or net costs where complete information on dispositions has not been known.
